hannah_kraft1 : hes too nice
hannah_kraft1 : yeah thats a bonus
Flank17 : Helga could be more complicated persone in the future, Arnold will be the same
unluckystunt : lol yeah i could see helga doing more of the punishing
Jennerz8 : Although, I can see Arnold cracking down on his kids too - especially if they are anything like Helga
hannah_kraft1 : heh O_o kids like helga.....
unluckystunt : arnold would just be like "well i hope you learned an important lesson"
hannah_kraft1 : yeah and then he'd slap there asses
unluckystunt : hah
unluckystunt : a
Flank17 : I mean Helga would might be able to control her emotions and life much more
 ▸ Terran_Seige_Tank has joined the conversation.
GräfinZahl : hi
 ▸ CarlinJ83 has returned.
hannah_kraft1 : she would probably be nicer because arnold is kinda threasion why she's mean, she has to keep her secret, but if they were amrried she would probably benicer but still kinds tough
Flank17 : Yeah she is a person with a very strong will
hannah_kraft1 : lol and if any of her kids are like her, she'd be whoopin their asses
Jennerz8 : Yeah, exactly the same way I portray her in my FF series, except she's a lot more tough than just 'kinda'
hannah_kraft1 : when they are married?
Jennerz8 : Yeah
hannah_kraft1 : lol shes nice to arnold right? i hope
Flank17 : And Arnold can show her how to deal with other people.
Jennerz8 : Yeah
CarlinJ83 : like in married when the babies arrived
CarlinJ83 : Arnold went how did this happen
hannah_kraft1 : dude she didnt give a crap
unluckystunt : lol, arnold was never taught about the birds and the bees
CarlinJ83 : im like well gee Arnold u tell us?
unluckystunt : i guess i wouldn't want my grandparents teaching me that stuff
Jennerz8 : His grandparents only told him other stuff, what do you expect - I mean, apparently he was told about the stork but not the real way
hannah_kraft1 : LOL!!! "Arnold im pregnate." "...What? What the- how did that happen?"
unluckystunt : haha
hannah_kraft1 : lol I wish grandpa would have left that page in in the journal
CarlinJ83 : really
Flank17 : Arnold - we've been married only for two days! Helga- I guess it all what it takes
hannah_kraft1 : when i was watching it i was like "O_o holy crap!!!"
hannah_kraft1 : lol!!!
Flank17 : Hannah
Flank17 : lol!
CarlinJ83 : and the kids are runnin wild
hannah_kraft1 : Nick is trying to keep little childrens minds innocent

CarlinJ83 : while Helga is laying on the chair
hannah_kraft1 : lol! the kids can talk too!!! Dang they grow up fast...
CarlinJ83 : hey guys an "all new spongebob"
CarlinJ83 : im excite!
Jennerz8 : Did anyone notice that they were voiced by the same people who voice Phoebe, Lila, and Rhonda?
hannah_kraft1 : the new spongebobs are just gay
unluckystunt : nope
Jennerz8 : All of Spongebob sucks horribly
CarlinJ83 : i dont even watch them
Flank17 : Me neither
‣ DarthRoden has joined the conversation.
hannah_kraft1 : WTF? you just said you were excited
unluckystunt : i liked spongebob, the older eps
unluckystunt : but i haven't watched them in years and don't really have any pressing desire to watch them now
DarthRoden : Greetings all
CarlinJ83 : and Harold and Patty kids
CarlinJ83 : are
unluckystunt : hello
Flank17 : Hi
GräfinZahl : hello!
hannah_kraft1 : hiya
Jennerz8 : I never liked it. I can't stand to listen to his grading high pictehd voice
Jennerz8 : Hi, Carl
DarthRoden : hey there Jen
hannah_kraft1 : lol! i know its like "my ears are bleeding!!!"
unluckystunt : lol yeah
CarlinJ83 : Jeremy, Austin, Karl, Travis, Maxine, Randy, Shelly, Dana, Eleanor, Caitlin and Gregory
DarthRoden : how is everyone this evening?
CarlinJ83 : i am finw
unluckystunt : good
hannah_kraft1 : im wonderfull how are you?
Jennerz8 : Particularly peachy.
Jennerz8 : Just kidding
CarlinJ83 : so Craig should be here any moment right?
unluckystunt : today was a good day
Jennerz8 : I'm dong fine
DarthRoden : oh I know, its a great day today
DarthRoden : thats cool
hannah_kraft1 : okies, yesterday was the best day of my life and today is the second best
unluckystunt : craig will be here in about 45 min
hannah_kraft1 : cool
unluckystunt : unless he's late, the jerk!
hannah_kraft1 : lol!
hannah_kraft1 : we'll kick his ass
Flank17 : I'm fine, just it's night there
Jennerz8 : Hey! Don't talk about the magnificent Carig like that!!!
CarlinJ83 : really got tones of questions
DarthRoden : I am looking forward to speaking to Master Craig himself
unluckystunt : cool
hannah_kraft1 : lol!!!!!! Im kidding!! Jen your awesome ^_^

unluckystunt : i had a hard time thinking of questions
CarlinJ83 : **and isnt um Jim Lang comin?**
unluckystunt : yeah craig is basically the most important man in the universe
Jennerz8 : Suppose to, yeah
unluckystunt : yes
DarthRoden : **I cant wait to ask Jim Lang somethings also**
 ▸ Carol_Albers has returned.
Flank17 : Now, yes
hannah_kraft1 : When was the last chat with craig?
CarlinJ83 : **especially what Nickelodeon did to him**
GräfinZahl : 2004 i think
hannah_kraft1 : I hate nick
unluckystunt : mm i know i hosted the party wagon chat in 2004, but some other sites may
 have had chats with him sinc ethen
Jennerz8 : I only watch Drake & Josh and sometimes Avatar on Nick now
unluckystunt : i watch.. um... drake and josh sometimes
unluckystunt : taht's about it
DarthRoden : **Nickelodeon sucks after what they did, they blew off a genius like craig
 and a moving, touching show like Hey Arnold! for that brainrotting gay sponge and
 his pals**
CarlinJ83 : **i dont even watch those anymore**
GräfinZahl : i don't have a tv...
hannah_kraft1 : We all could have been watching the patakis right now if nick wasnt gay!!!
CarlinJ83 : **tell me about it**
DarthRoden : **thats right!**
Flank17 : They show what they want, not what we need
Jennerz8 : exactly. I hate that
unluckystunt : they've gotten pretty lowest common denominator since their success
CarlinJ83 : **im playin Vanessa Carlton**
unluckystunt : show what gets better ratings, don't bother with creativity
hannah_kraft1 : I just recently found this out but did anyone know that nick was started or
 founded by MTV?
CarlinJ83 : **i didnt know that**
unluckystunt : which sucks because creator-drive cartoons is what got them where they were
Jennerz8 : No, it wasn't
unluckystunt : drivne
unluckystunt : man i cannot type
Flank17 : They almost all are connected
unluckystunt : aren't both owned by viacom
hannah_kraft1 : Well i dont know, theyhave somethign in common
Jennerz8 : That is a rumor. Nick started as Pinwheel, then became Nickelodeon. Which was
 started by VIACOM along with MTV
GräfinZahl : yes, they are
unluckystunt : lol, craig pitched the patakis to mtv and they wanted more olga
hannah_kraft1 : pfff!!!
hannah_kraft1 : lol thats stupid
hannah_kraft1 : just because olga is a slut
Jennerz8 : He pitched it to MTV and they said it was too dark and too much like Daria
Flank17 : I have info about who owns what in this business
hannah_kraft1 : ooooooooooooooooooh did they make a pilot episode?
unluckystunt : i'm sure an olga show would fit in well between their Dumb Kids Dating and
 Holy Shit Huge Houses programs.

DarthRoden : **I just dont understand the logic in allowing crap like Spongebob Gaypants and those godparents with the creepy grins on, and getting rid of a show with real values?**

‣ Pinkpataki has returned.

hannah_kraft1 : dude Mr meaty is just meantally sick

Pinkpataki : Hi everybody

DarthRoden : **ugh**

Flank17 : There is the logic

DarthRoden : **hey Pinkpataki**

‣ You are no longer marked as being away.

hannah_kraft1 : hi!!!!!!!!!!!!!!!!!!!!!!

CarlinJ83 : **you took the words right outta mouth**

DarthRoden : **greetings Steve**

CarlinJ83 : **darthvador**

Flank17 : Hi again!

hannah_kraft1 : i know i was watching it today and some freakish snake type thing was inside the puppet! it was sick!!!

Jennerz8 : You can say that again. I thought it being a short was too much, but extended it an hour just makes it worse

GräfinZahl : did you get your coffee?

CarlinJ83 : **i gotta soda**

Cool : Okay, so I didn't get a coffee, even though my car is in perfect running order. Why risk the chance of leaving the house so close to chat time? I'd never forgive myself if I missed my own hosted chat!

hannah_kraft1 : They are probably giving kids subliminal messages telling them to eat snakes

hannah_kraft1 : lol

Cool : I'll drink some cans of coke - that should get me wired. Gah - I missed a whole lot of convo.

unluckystunt : on a plane

DarthRoden : **I guess wholesome entertainment is secondary to cheap humor**

hannah_kraft1 : heh Snakes driving planes

Jennerz8 : Well, that episode about one of the puppets losing her nose was more about having a sausage that looked like a penis for a nose

GräfinZahl : so where have you been for the last 35 minutes? ;P

DarthRoden : **I mean, how do you think Southpark lasted this long**

Pinkpataki :

unluckystunt : south park's okay

CarlinJ83 : **im not counting**

hannah_kraft1 : I was like "They let kids watch this perverted sick crap?"

unluckystunt : but yeah there should be waaaay more shows like hey arnold

DarthRoden : **Southpark also turned 10**

DarthRoden : **exactly!**

Cool : Random note: u know what show make no sense whatsoever? LOONATICS.

Jennerz8 : And The Simpsons have been around for 16 season, right?

hannah_kraft1 : Hey arnold was thebest show ever no other show could be as good, unless the patakis was on tv

unluckystunt : haha 3dgy looney tunes

DarthRoden : **true**

CarlinJ83 : **i like the simpsons**

Pinkpataki : yeah

unluckystunt : simpsons was fantastic

Pinkpataki : me too

Cool : Nancy - I took s shower a quickly cleaned parts of the house. Its been a whole day of cleaning for me, mostly my car and my moms car.

Pinkpataki :

hannah_kraft1 : nah simpsons suck, family guy is the best

unluckystunt : and futuarama

Flank17 : It interesting sometimes

unluckystunt : i dno't really like family guy

DarthRoden : **I like the Simpsons, even if they have been getting too political in recent years for my liking**

unluckystunt : it's funny but, eh

GräfinZahl : i've only watched one southpark ep in my life ... and that was yesterday

CarlinJ83 : **besides isnt Matt Groening Craig's brother-in-law**

Pinkpataki : no

unluckystunt : new simpsons aren't very good

hannah_kraft1 : woh nice!

unluckystunt : yes

Jennerz8 : YES

Pinkpataki : brothers?

Cool : I had no idea there would be this much of a pre-chat. I shoulda told people to come early.

Pinkpataki : no

DarthRoden : **lol no kidding**

hannah_kraft1 : its fun to get a head start

DarthRoden : **its good to see you Stephen**

unluckystunt : maybe there will be a post-chat chat

Jennerz8 : I wouldn't doubt it

Cool : BTW, thanks to everyone who advertised about the chat - I know many did. Kim had a great ad line for it. "More fun than throwing rocks at a dumpster!"

Cool : Hi Darth!

unluckystunt : not as funas throwing rocks at helga throwing rocks at a dumpster tho

hannah_kraft1 : Or throwing rocks in a river

Cool : This is only my second time chatting ever in my 21 years. NOOB!

Jennerz8 : I advertised at Myspace... and a few other places, one being my Probaord

DarthRoden : **well I know that I am proud and privileged to be here with so many true fans**

hannah_kraft1 : lol!!!

Pinkpataki : this is my 1°

Pinkpataki : chat

Cool : Why would Gerald wanna throw rocks at Helga anyway?

DarthRoden : **my first chat too**

unluckystunt : because he's a sadistic bastard

Terran_Seige_Tank : Hi all of you guys. Just joined here today... a returning HA fan after a looong 2-3 year hiatus. Never tried this MSN chat before, actually, I'm the NOOB, lol. How on earth you guys get ahold of Craig and Jim for this chat?

Cool : haha

DarthRoden : **I think he was just kidding, and when Arnold said sure, I know he is just kidding**

unluckystunt : yeah

Pinkpataki : but i don't speak english, but I love Arnold

hannah_kraft1 : Kids were throwing rocks at me at my school, im like WTF!?! "Oops it was an accident"

unluckystunt : they're like "oh that helga, she so crazy"

Cool : Maybe Arnold secrety wanted to throw rocks at her, just to see her recation

DarthRoden : **lol maybe**
Jennerz8 : Haha
hannah_kraft1 : Helga would kick his butt
unluckystunt : everyone would expect helga to pound him
Jennerz8 : twice
unluckystunt : and she'd hesitate.. adn then EVERYONE WILL KNWO
Cool : Helga would let Arnold win...maybe. Depends on the situation.
hannah_kraft1 : yeah she really needs to just kick his butt, once
unluckystunt : like in 24 hours to live
DarthRoden : **Im surprised that none of them noticed that even though Helga threatened on occasions to beat Arnold up, she never physically harmed him, just pety humiliations**
unluckystunt : "wait, don't touch him!" "OOOOOH!"
hannah_kraft1 : lol!
Jennerz8 : Yeah, that was great
hannah_kraft1 : Arnolds gotten beaten up befroe though
DarthRoden : **by a mugger and hit by Wolfgang and Ludwig**
Flank17 : Yeah, she would never really touch his face
Cool : I REALLY need to start watching episodes again. I'm starting to get lost with quotes and episodes and such.
unluckystunt : yeah i think rhonda figured it out at least
hannah_kraft1 : I havent seen some season 3 episodes in a couple years
Cool : Only half an hour to go
unluckystunt : lila and phoebe obviously
hannah_kraft1 : patty
unluckystunt : yeah
Jennerz8 : I reminsce and have my marathons with taped episodes
DarthRoden : **hey stephen, are you going to save this chat?**
unluckystunt : i've been transfering my tapes to dvd and i'm through half the second season so far
Cool : I'll try my best - I'm saving every 5 mins
unluckystunt : plus i watch whatever gets put on youtube
hannah_kraft1 : Heavent heard htesewords in forever "Hey Arnold Marathon"
GräfinZahl : hey stephen, you think you could put a link to my site on your links page?
CarlinJ83 : **what r u all talkin about?**

unluckystunt : lol i remember when there was a huge thread on the old hey arnold forum about killing the rugrats

ioxmo : yo

Pinkpataki : Hi

unluckystunt : hey ioxma

Jennerz8 : brb

unluckystunt : o

hannah_kraft1 : lol!

hannah_kraft1 : nice

GräfinZahl : @ioxmo: what's an ioxmo?

unluckystunt : i drew a comic once about johnny the homicidal maniac meeting the rugrats

DarthRoden : **its good to see you ioxmo**

unluckystunt : and... things happen.

hannah_kraft1 : Yeah i seriously think sponge bob is gay like that one episode where they have to take care of the clam and patrick and sponge bob are in the same bed O_o

ioxmo : it's made up

CarlinJ83 : **so whatever happen to the Nadine site?**

unluckystunt : we did not like rugrats very much back then

Cool : I think the baby Rugrats would kill themselves if they saw what whiny faceless people they became in all grown up - a show that just fills in stereotypes

Cool : KIm, I wanna see that comic!!!

unluckystunt : i don't know if i have it anymore, i'll look around

hannah_kraft1 : baby rugrats right?

ioxmo : i guess im in time

DarthRoden : **I know what you mean, All Grown Up is a bust. Craig would have done a better job of older characters in The Pataki's**

hannah_kraft1 : I think all grown up was just a pathetic attempt

unluckystunt : yes

ioxmo : it sucked

ioxmo : period

hannah_kraft1 : lol that crashed and burned

CarlinJ83 : **so it's 7:42**

Cool : Holy shit! I just submitted five more members that just applied in the last half hour! And GUESS WHAT! Craig will be under Lisa Bartlett because he can't get online with his mac! I'm gonna go submit them now!

CarlinJ83 : **it's almost time**

unluckystunt : craig is lisa?

DarthRoden : **what they should have done is concentrated on one character...(ahem Angelica) and gone with it from there**

hannah_kraft1 : haha, wife's name....

Cool : Glad I was checking the new member list, or would have never known Craig was trying to get in.

DarthRoden : **Lisa, not only is it a privilage to meet the woman behind the great man, it is an honor to meet the sib of the great Matt Groeing**
LisaBartlett : Don't be too honored. It's all a matter of timing.
ioxmo : oh yeah, I forgot about that.

LisaBartlett : they at least acknowlege their feelings for each other.

MegawackyMax : **I remember that meetup... From the pics and photos.**
iluvrnld : Wait which meet up?

hannah_kraft1 : jenny your cool
LisaBartlett : right!

brainstew34 : what was that about and what ever happened to it?

LisaBartlett : I wrote a pilot script with Michelle

DarthRoden : **When I first saw it, I was going through a depressed period in my life, the show was something to look forward too an the stories cheered me up**

LisaBartlett : Nick at nite was the place where they thought they would show it.

Cool : I'm trying me best to save, look at whispers, and refesh the new member list from time to time 2 see if anyone else is coming in.

LisaBartlett : i'm afraid it was too... dark for them.

hannah_kraft1 : yeah but they have teenick now

LisaBartlett : they passed after a year.

bkev_93 : so, at that point had she confessed to him?

hannah_kraft1 : heh

MegawackyMax : **There's something I ahve to say about "The Patakis"...**

unluckystunt : did she still do the shrines and everything, or had she grown out of that?

brainstew34 : do you still have the pilot script?

LisaBartlett : yeah, I imagine they were a "couple" and had some stormy times.

Cool : OKAY - I have a question from kanye_wes...

MegawackyMax : **... it's probably one of the very few shows that NEVER aired and still got loads of fan art and fan fiction.**

iluvArnld : Oh yeah, who can forget "The Pataki's"

LisaBartlett : they both can be difficult.

bkev_93 : Jeez! Really?\

Sketchpad73 : Hello,Mr. Bartlett.As an artist,I would lke to ask youhave you read any fan-fiction or seen and fan-art and if so,hwat do you think?

LisaBartlett : We had lots of ideas for bob, miriam, and olga.

DarthRoden : **oh yeah**

‣ Isa8000 has left the conversation.

Cool : : I'd like to know about the possibility of HA! being released on DVD in a series format. Also, if there will ever be a soundtrack from the show produced. I think both could be lucrative ventures.

CarlinJ83 : **day johnny screams out and it's no pose**

LisaBartlett : Olga moved back home, was pursuing an acting career.

unluckystunt : even before the Pataki's idea, there were tons of fans writing about helga/arnold grown older

brainstew34 : how bout Bob

bkev_93 : I'd LOVE a soundtrack; that ending was priceless

hannah_kraft1 : yeah i love fanfiction ^_^

LisaBartlett : right! everyone loves imagining them as teens.

iluvanld : {Did she ever become discovered?}

CarlinJ83 : **so your still on for the Pataki's?**

LisaBartlett : which they kinda were anyway.

LisaBartlett : in tiny bodies.

unluckystunt : heh, yeah

Flank17 : What happened to Arnold's parents?

DarthRoden : **lol**

MegawackyMax : **Heh, too true.**

LisaBartlett : hey, man, they disappeared.

hannah_kraft1 : lol plane crash....

brainstew34 : would they have been found ever?

LisaBartlett : sorry i was being glib.

Cool : We are moving way too fast - questions are getting skipped

unluckystunt : poof! no parents!

iluvanld : It's k,

LisaBartlett : yeah, stephen, try to remember the qs...!

Cool : question from Seraphimkiss...if you are ready

Taylor : Are you still at CN?

LisaBartlett : nope.

LisaBartlett : I moved out last spring.

CarlinJ83 : **and how's Franny?**

Cool : In Party Wagon, who was Randy supposed to end up with? I've never been able to figure out if it was Randy, Sue, or Milly (years later).

bkev_93 : What did you do for CN?

LisaBartlett : Franny was going to try to come tonight!

iluvanld : Party Wagon.

Jennerz8 : As I said, I would be willing to continue saving the chat if you want to focus only on the questions, Stephen

unluckystunt : aw man, i would have loved to see franny here

CarlinJ83 : **how old is she?**

LisaBartlett : Franny won an award this spring

unluckystunt : i remember her joining in chats way back when

LisaBartlett : at Stanford, where she graduated at the top of her class

hannah_kraft1 : for what?

LisaBartlett : natch...

hannah_kraft1 : cool

DarthRoden : **awesome**

unluckystunt : awesome

LisaBartlett : and she invited me to the ceremony.

Cool : Question from Nancy - here are my questions: what grade is big patty in and is it true that she was created by matt groening?

MegawackyMax : **Top of the class... How Olga of her.**

unluckystunt : lol
bkev_93 : I read on wiki she was in 6th...
hannah_kraft1 : darn olga....
bkev_93 : or was that somewhere else?
iluvrnld : Olga in 6th?
LisaBartlett : each student had their Stanford advisor speak about them, and also their favorite high school teacher
SeraphimKiss : Helga's smart too, though
bkev_93 : no, Patty
iluvrnld She's a college student though. o-o;
iluvrnld : ohh
LisaBartlett : and since Fran was home schooled, she asked me!
LisaBartlett : how cool is that.
Cool : I'm loosing my mind, I got like 5 pop up windows!!!
Manolo : it's very dool!
unluckystunt : that is so cool
hannah_kraft1 : pretty darn cool
bkev_93 : wow
CarlinJ83 : *so she has be at least 18 right?*
iluvrnld : Yeah,
LisaBartlett : we were awesome
LisaBartlett : our bit was the funniest.
brainstew34 : this thing is gettin kinda un organized.....
cmpunk0 : CraiG, is there any chance that you will work for Nick Again?
LisaBartlett : although several other students had great advisors...
MegawackyMax : **SUGGESTION: Maybe we should pause for a few seconds until Steven catches up with all those pop-up windes.**
bkev_93 : cmpunk's question definitely needs to be answered
LisaBartlett : yeah, good idea, Max.
hannah_kraft1 : yeah people SHUT UP!!!!
brainstew34 : yeah,
LisaBartlett : how are you, anyway?
Deep-Voice06 : good idea
Manolo : I think Max is right!
brainstew34 : definitley
ioxmo : Follow my lead, people.
DarthRoden : **I agree with Max, comeon people lets take our time, we have a while**
bkev_93 : true
iluvrnld : We should, we should make a thread on this and be organised. ._.;
CarlinJ83 : *i have to say if i were you i would of sued nick a long time ago*
Jennerz8 : Apparently you people don't understand the meaning of pause for a while.
bkev_93 : for the rights, yeah that would be great...
hannah_kraft1 : nick is evil!!
LisaBartlett : actually, let me speak about Nick for a moment.
Cool : dis chat is a mess
MegawackyMax : **Sure thing,Craig. (just reads now)**
CarlinJ83 : *were listenin*
Cool : Okay - everyone quiet, het us here
LisaBartlett : there's a lot of unhappiness and frustration from the fans...
LisaBartlett : and i think we should concentrate on the positive.
CarlinJ83 : *really?*
unluckystunt : yes
LisaBartlett : especially now, after 10 years.

LisaBartlett : Arnold had a good run
LisaBartlett : longer than most.
bkev_93 : positives from Nick would be the few reruns of old shows they do
bkev_93 : HA is still on, thank god.
LisaBartlett : lots of opportunities for us to go crazy creatively
bkev_93 : just at horrible hours.
unluckystunt : very few cartoons make it to five seasons, let alone the kind of success taht HA had
Deep-Voice06 : yeah, there's that
LisaBartlett : unlike many jobs I've been offered since.
CarlinJ83 : *but we'll never know how Arnold feels about Helga*
LisaBartlett : so I think we should be thankful for the shot we had.
unluckystunt : there are lots of kids out there who grew up with Arnold
bkev_93 : yeah, at least it was there right???
LisaBartlett : if you write to Nick
hannah_kraft1 : me!!!
LisaBartlett : and i've said this before...
bkev_93 : and there are peeps on the web that host eps
LisaBartlett : you should not trash them. they will only tune you out.
bkev_93 : As with even begging they do...
CarlinJ83 : *it's agonizing for all of us*
unluckystunt : we can still trash Mtv though
brainstew34 : haha
LisaBartlett : try being positive, like "we want the complete DVDs!!
hannah_kraft1 : yay!!
hannah_kraft1 : no kidding
Cool : Maybe we could slow the pace and get some questions answered
bkev_93 : I'd love for that to work
LisaBartlett : wow, speaking of MTV
DarthRoden : **we have not given up on writing to Nick, and I vow not to do so at least until the DVDs and the Jungle Movie are made**
LisaBartlett : my old boss and hero, Tom Freston, was fired from Viacom
MegawackyMax : **We have to be "Arnold" about it, you mean.**
bkev_93 : Wow X.X
MegawackyMax : **"Be positive. Someone has to do it."**
Cool : Sorry Craig if everything is a mess. Is this how chats usually go? Fast paced and off the wall?
Deep-Voice06 : yup, definately
unluckystunt : that really sucks
LisaBartlett : he created MTV
GräfinZahl : pretty much, yes
LisaBartlett : yes, Stephen, always fast.
cmpunk0 : He was fired? wow
DarthRoden : **Craig is right, do not give into hate and anger...that way leads only to the Dark Side**
iluvArnold : [/reference]
unluckystunt : yeah chats were always nuts
LisaBartlett : but don't worry. Just announce which person gets the next q and we'll do it.
bkev_93 : as for positives (again) HA is on, so if they see what ratings it gets it'll get better time spots...
LisaBartlett : right on DArth
bkev_93 : and then more people will watch it
CarlinJ83 : *so your still making the next movie?*

bkev_93 : and then *maybe* we'll get the DVDs

Cool : Already 3 questions were asked, but they flew out of the text box fast

unluckystunt : yeah, lots of "retro" and older stuff is getting on DVD now

LisaBartlett : no, the movie plans ended many administrations of Nick/Paramount ago.

cmpunk0 : I have to go. How long does this chat last til'?

LisaBartlett : it's long long ago now.

CarlinJ83 : oh ok

bkev_93 : ;_;

brainstew34 : yea how long is the chat gonna be??

LisaBartlett : I'm heading out at 6:30 Pacific, got a dinner date.

Cool : Time flies

MegawackyMax : So sad...

LoveTHYconan : i have a question: are you ever going to take another job in the field of animation?

CarlinJ83 : im eastern time

iluvArnold : Aw,

hannah_kraft1 : I have to go in like 10 min

cmpunk0 : Bye.

unluckystunt : 9:30 eastern

LisaBartlett : i'm doing more animation jobs now than ever.

MegawackyMax : Well, that's good.

LisaBartlett : it's insane right now. like 7 jobs I'm juggling.

cmpunk0 : Nicke Talking Craig

hannah_kraft1 : yay for you

Cool : Where's Jim btw? Still not here.

iluvArnold : What are some of the shows you're working on?

Deep-Voice06 : what kind of work

Sketchpad73 : Well done

LisaBartlett : bye punk!

CarlinJ83 : but it doesnt involve Arnold right?

▸ cmpunk0 has left the conversation.

DarthRoden : well, maybe a feature movie might be off...but what about a nick flick like **The Journal? That would be just as good to all of us**

LisaBartlett : well, animation features, several Henson projects, even the NASA film is computer animation.

MegawackyMax : Coooool...

Deep-Voice06 : cool

SeraphimKiss : Henson!? Awesome!

LisaBartlett : I love animation.

iluvArnold : Awesome!

LisaBartlett : duh.

SeraphimKiss : Not the Dark Crystal...?

hannah_kraft1 : me more!!

CarlinJ83 : me too

DarthRoden : **Jim Henson!**

bkev_93 : eh. CGI is not the best if ya ask me

Deep-Voice06 : me three

hannah_kraft1 : me infinity

Manolo : I'm glad to hear that you have so many projects Craig!

LisaBartlett : I'm working for Jim Henson's kids Lisa and Brian.

LisaBartlett : they are super cool.

Jennerz8 : Oh, the Dark Crystal is good

bkev_93 : Oh? Could you be more specific?

Sketchpad73 : Most impressive

Cool : There was a person in the UK that said they saw you in an interview on CN talking about Nick and TJM - is this true?

unluckystunt : lol no kidding

CarlinJ83 : **yeah reallt**

LisaBartlett : the jungle movie?

LisaBartlett : geez, it would have been a long time ago.

Cool : It was on TV - you said something about TJM

CarlinJ83 : **how old is she?**

Jennerz8 : Hey Craig, do you read the fanfictions for HA!?

bkev_93 : that was asked

LisaBartlett : maybe i was plugging it for something. can't remember

kikasama : My brother and I watched the show since it's begginings and he asked me why didwhy did Gerald used the number 33 on his sweater?

LisaBartlett : I haven't read the fanfics in a long time.

LisaBartlett : but they're cool, a good outlet for fans who can never get enough

Cool : I'll ask about it in a mail later on, right now its too hectic

CarlinJ83 : **when u did Eugene Eugene**

MegawackyMax : **Heh.**

bkev_93 : I really hope there aren't any sick ones out there...

iluvArnld : You used to? Sweet.

CarlinJ83 : **did blake like dance or anything?**

LisaBartlett : and who want them to be teens!

DarthRoden : **I agree, may great fanfic writers are here right now**

ioxmo :

hannah_kraft1 : I love HA! teens !!!

LisaBartlett : hi fanfic writers

Pinkpataki : q: does Hey Arnold's book go to the jungle? Neither it is possible to publish ??

LisaBartlett : you rule!!

ioxmo : Teens are a whole new dynamic.

LisaBartlett : hey, remember when i was all caps, that time at CN,

bkev_93 : that, my friends, would be the best thing ever

bkev_93 : kind of

unluckystunt : haha yes

Jennerz8 : Oh okay. I have a series in the works that involves the characters older. It is based on a soap opera if you can believe that.

LisaBartlett : when i spilled tea on my keyboard

MegawackyMax : **Hi, Craig! (in response to fic writers)**

unluckystunt : that was pretty funny, craig yelling at everyone

Cool : I heard about that - and now youre Lisa, lol

hannah_kraft1 : heh tea...

DarthRoden : **bows head to Craig "my fics are at your service, Master Craig"**

LisaBartlett : man, I'm like Eugene around a computer

LisaBartlett : i'm okay tho

brainstew34 : ahahaha

brainstew34 : hey craig,

▸ iluvArnld has left the conversation.

LisaBartlett : yes

LisaBartlett : ?

brainstew34 : one last q before i go

LisaBartlett : ok

▸ iluvArnld has joined the conversation.

CarlinJ83 : and hows Jamil?
MegawackyMax : Hehehe...
hannah_kraft1 : Stella screaming
hannah_kraft1 : lol
LisaBartlett : MILES!!
brainstew34 : was it gonna be like a conclusion for everything? like were arnold and helga gonna be together, and arnold finds his parents, etc?
Deep-Voice06 : lol!
MegawackyMax : And Helga cursing a thousand mosquitoes.
LisaBartlett : Well, right, i was trying to wrap it all up, yes.
kikasama : yeah, I wanna know!
bkev_93 : I'd like to have a script personally..
brainstew34 : oh ok...but theres no plans for that in the future now?
LisaBartlett : just like in the first movie, the Neighborhood, i was trying to wrap up what the series meant to us.
iluvArnold : I thought so, it's all over the internet isn't it?
Pinkpataki : q: Hey Arnold's TJM? Neither it is possible to publish !!!!
Sketchpad73 : This is like chatting with George Lucas.This is a momentous thing.It doesn't matter if Arnold returns now or in a hundred years.We are alive to know this great show when Nick was vibrant and know this man,for whom our childhoods owe so much upon.
LisaBartlett : actually, now when I see the Neighborhood i realise
LisaBartlett : that it was about the end of the series, and all of us losing it.
bkev_93 : Sketchpad, you sir are a genius
LisaBartlett : losing the place, I mean.
Sketchpad73 : I would just like to thank you,sir
LisaBartlett : thanks, dude!
Cool : That sucks
MegawackyMax : Losing the place? losing quality, you mean?
LisaBartlett : kind words
brainstew34 : but theres no future plans about the Jungle Movie?
bkev_93 : but THEN, of course, some bright guy finds a loophole letting you produce it for another company
DarthRoden : I felt bad 4 poor stella in The Journal, I mean giving birth is bad enough, but that boys head....(shudders)
LisaBartlett : yes, sad, very sad, but also kinda beautiful
bkev_93 : just like in the movie kinda
LisaBartlett : the lang music "Groove Remote"
iluvArnold : Yeah, wonder how she survived. o__o;
LisaBartlett : is a favorite theme from the show
LisaBartlett : and you all know it
kikasama : won't you tell us Arnold's last name? PLEASE!!!
unluckystunt : yes
LisaBartlett : we did a huge orchestral version for the movie
unluckystunt : man i love that tune
CarlinJ83 : and everying calming down
hannah_kraft1 : lol arnold doesnt have one
bkev_93 : ooh, wow that'd be great

brainstew34 : yeah what was Arnold's last name gonna be?
‣ unluckystunt has left the conversation.

bkev_93 : guys

Sketchpad73 : you did,I would have loved to hear that

LisaBartlett : and it wa all those things: sad, wistful, beautiful

bkev_93 : calm down, slow down,

iluvArnld : He doesn't?

bkev_93 : so he can answer one at a time

CarlinJ83 : **and what is Sid last name?**

LisaBartlett : slow down, peeps

Cool : I would do anything to know what happens in TJM. Forever the proverbial carrot dangled in front of me - so close and yet so far away

LisaBartlett : Sid? Vicious

LisaBartlett : just kidding

Sketchpad73 : lol

MegawackyMax :
‣ unluckystunt has joined the conversation.

brainstew34 : lol does he really have a last name?
‣ epicpiefight7 has joined the conversation.

iluvArnld : Oh yeah, it's sid Vicious as a kid.

MegawackyMax : **"Sid Vicious", bwahaha...**

bkev_93 : probably not

SeraphimKiss : More like "Sid Paranoid"

brainstew34 : did you ever think of a last name for Sid or Arnold?

Cool : QUESTION FROM DARTH...

Sketchpad73 : Anarchy in Hillwood!

LisaBartlett : i'll be honest, we never needed to give him one, so we didn't

LisaBartlett : it's the same with many of them.

brainstew34 : oh

unluckystunt : arnold swank

bkev_93 :

brainstew34 : ok well Craig,
‣ elphie_7 has joined the conversation.

brainstew34 : i'm about to leave

elphie_7 : finally!

Manolo : Craig, could you tell us more about what happened between Helga and Brainy in The Jungle Movie?
‣ Lord_Malachite has joined the conversation.

Deep-Voice06 : I was thinking his last name was shortman

bkev_93 : oh no, I don't like the sound of this x.x

unluckystunt : hey LM!

Cool : LM!!!!

LisaBartlett : helga and Brainy had a great scene

brainstew34 : hey craig....

Deep-Voice06 : Hello Lord Malachite
bkev_93 : wait
Cool : what happened?
LisaBartlett : he did his usual annoying thing,
DarthRoden : **greetings Lord Malachite**
bkev_93 : LET'S HEAR THIS
DarthRoden : **longtime no see**
iluvArnld : Hello Lord.
hannah_kraft1 : yeah whats with helga and brainy
CarlinJ83 : **what happen?**

unluckystunt : lisa=craig
brainstew34 : i'm about to leave
kikasama : GO ON!!
Manolo : Hi Lord Malachite!
Greenorbs2 : **hey, LM**
LisaBartlett : but then he helps her in a huge way in act three.
bkev_93 : guys, stfu and let him finish
LisaBartlett : he kind of brings her back to life.
Lord_Malachite : I can stay briefly. As usual, I've got company on Saturday nights. Nice to drop by, though.
brainstew34 : but i wanted to thank craig for joining us in the chat
LisaBartlett : symbolically
Cool : OH GOD- I wanna know!
bkev_93 : OOOH! I sense a kiss coming.....
kikasama : HOW?
Sketchpad73 : Most kind of Brainy
LisaBartlett : nah, brainy never gets it from Helga
MegawackyMax : **Wow,**
LoveTHYconan : **lol**
Deep-Voice06 : Yeah, thanks Craig
kikasama : PLEASE TELL US MORE!!!
Manolo : yes, please!
unluckystunt : lol, just a broken nose
Cool : Brainy helps Arnold and helga reconclie?
bkev_93 : Brainy - he will always be remembered as the guy who was abused by everyone
LisaBartlett : it's all sort of a dream now, lost in the mists of time.
elphie_7 : aww
Cool : No NO - not a dream, remember!
CarlinJ83 : **tell me about it**
LisaBartlett : Brainy?? (echoes into jungle)
MegawackyMax : **Poetic, Craig...**
hannah_kraft1 : Hey guys i have to go. It was great seeing all the fans again and talking to Craig, this show will last in us forever.
DarthRoden : **Brainly loves Helga because he can see her for the person she is behind the mask**
bkev_93 : Cya!

bkev_93 : cya
ioxmo : Bye.
Manolo : bye!
iluvArnld : then bye to you Brain,
Deep-Voice06 : Bye
elphie_7 : wow, a lot of people showed up
Cool : Craig: "The Jazz in the show, did Jim Lang inspire it from Vince Lombardi, like you were inspired by Peanuts? I cant help noticing the parallels"
bkev_93 : well, this is HA
brainstew34 : so thanks a lot for joining us Craig, i had fun...
elphie_7 : true
LisaBartlett : good question!
LisaBartlett : the music was inspired by Vince
brainstew34 : bye everybody
LisaBartlett : Guaraldi, I think
elphie_7 : bye
CarlinJ83 : **Your a Genuine Craig!**
unluckystunt : charlie brown in the big city
LisaBartlett : but JIm and i thought we should update it to the nineties
bkev_93 : I'd personally like to flood the nick message boards, so they know for sure we want it
bkev_93 : off-topic
LisaBartlett : so we made it jazzy, but more influenced by acid jazz, which was big then.
elphie_7 : I miss the 90s, I'm too old nowadays
bkev_93 : yeah, me too
LisaBartlett : jazz instruments, but over urban beats
CarlinJ83 : **me too**
Jennerz8 : Just so you know - the Arnold Groove is my cell phone ring tone
bkev_93 : I miss being 7 and watching HA religiously
Deep-Voice06 : me too, in away
iluvArnld : I feel old and I'm just 15. _.;
 ▸ brainstew34 has left the conversation.
Lord_Malachite : The score always fit the show, though. It did what all scores do, set a mood without taking over.
Deep-Voice06 : I'm 19
elphie_7 : me too, only I was 10
LisaBartlett : yeah, the 90s were great. more money going around then
DarthRoden : **and I think Jim did it very well, the theme is almost like a 90's version of Linus and Lucy**
LisaBartlett : this millenium? iffy.
Lord_Malachite : All good scores do, I should say.
bkev_93 : and less gas prices
MegawackyMax : **Yes, Arnold opened several doors in my imagination...**

unluckystunt : the 90s were pretty cool
Sketchpad73 : It certainly made me a fan of smooth jazz. Now I can't help but think of
Hillwood streets at night when I hear a really cool jazz song
CarlinJ83 : *um you shoulda use Vanessa Carlton a long time ago*
LisaBartlett : yes, all of you, go to Jim's site, knob world
iluvArnold : Likewise here.
Cool : I miss the 90's in a bad way
bkev_93 : yeah
LisaBartlett : and download his tunes!
elphie_7 : I can't believe their a "decade" now, if that makes sense
bkev_93 : he has some of the music...
LisaBartlett : your fave arnold tunes reside at Kim's site tho
LoveTHYconan : *arnold had the best music score of any tv show... ever.*
Cool : Jim is still a no show
unluckystunt : invisible hippo is a fave of min
unluckystunt : e
bkev_93 : kim's site?
LisaBartlett : because I collected my faves
LisaBartlett : including invisible hippo!
MegawackyMax : *Hey, I used to have several Arnold songs in my site, too...*
bkev_93 : Link please? I don't have that site
LisaBartlett : and sent 'em to her. she put 'em up
Sketchpad73 : What are you faves, if I may ask?
MegawackyMax : *... I should upload them to my new place.*
LisaBartlett : right on Max
 ▸ bkev_93 is away.
 ▸ bkev_93 has returned.
elphie_7 : yeah, I got them from Kim's site
iluvArnold : I don't remember those. D:
elphie_7 : via LJ
LisaBartlett : the Thanksgiving show
CarlinJ83 : *well it was when the movie came out and i so excited and thinkin about Arnold*
LisaBartlett : is kind of a little masterpiece musically, methings
LisaBartlett : methinks
LisaBartlett : !
unluckystunt : i just saw the thanksgiving up the other day, what a great ep
CarlinJ83 : *and Vanessa Carlton's A Thousand Miles comes on.*
bkev_93 : yeah
LisaBartlett : the cue when the kids are in Simmons kitchen?
Cool : One of the highlighting episodes
elphie_7 : I just saw thanksgiving this year, it was great
LisaBartlett : drop dead great
Greenorbs2 : *love the thanksgiving show*
MegawackyMax : *Yeah.*
CarlinJ83 : *and so ever since i dedicated all of her songs to Hey Arnold*
unluckystunt : yes
Jennerz8 : Best episode
Lord_Malachite : Thanksgiving is my favorite HA episode out of the entire batch.
LisaBartlett : it's one of my faves, comes from a very personal place
GräfinZahl : btw, what's mr. simmons first name?
elphie_7 : what's opera is my fav.
bkev_93 : mine is christmas, or pigeon man
iluvArnold : Richard

LisaBartlett : odd, when you think that Grandma is celebrating the 4th of July
Cool : Still, I LOVE AFD the most
LisaBartlett : not like my childhood at all
MegawackyMax : **It's one of those episodes with a soul of its own. It makes you think hard.**
Deep-Voice06 : I love April Fools! lol
unluckystunt : christmas is probably my favorite too
LisaBartlett : actually not much of HA! is.
Deep-Voice06 : and Beaned
Manolo : my favorite ep is "married"
bkev_93 : Pigeon man, who's VA died unfortunately, was one of the most touching episodes
CarlinJ83 : **and Arnold and Vanessa**
iluvArnld : Mine too, and "Helga on the couch"
Cool : Only aired in Canada ONCE, April 1/03
bkev_93 : according to a site I read
Lord_Malachite : But Thanksgiving was kind of a
Lord_Malachite : "deep episode"
DarthRoden : **that episode was a masterpiece. It think it shows how Arnold and Helga would be cute as a couple in a way, the way they got along**
Deep-Voice06 : thats sad
LisaBartlett : yeah, they fight cute in that one
unluckystunt : yeah, hey arnold isn't really similar to my childhood but i still connect with it in some way
bkev_93 : because it's part of you right?
LisaBartlett : anyone grow up with their grandparents in a boarding house?
Lord_Malachite : More of a date than more "romantic" fare, it's one of those few episodes where they have normal conversation.
MegawackyMax : **Not me.**
Greenorbs2 : **nope but with my grandparents**
DarthRoden : **I grew up with my grandparents**
CarlinJ83 : **are connected**
LisaBartlett : remember the one when Helga tried to rent a room disguised as an art collector?
DarthRoden : **that part appealed to me greatly**
Lord_Malachite : Sadly, I never knew my grandparents.
CarlinJ83 : **Be Not Nobody**
bkev_93 : uh... not that part
bkev_93 : but I think I remember the rest
LisaBartlett : "the locket."
bkev_93 : that is from the ep where she's on laughing gas, right?
Carol_Albers : I remember
kikasama : yes, that was fun!
MegawackyMax : **I don't remember that one...**
Deep-Voice06 : That was cute
CarlinJ83 : **Harmonium**
LisaBartlett : that scene, franny and Dan C. as Grandpa was so funny.
iluvArnld : I think I remember that,
Deep-Voice06 : That Helga's Parrot episode is something else
MegawackyMax : **Aw, "The Locket" is one of the four episodes I could enver see... -.-**
Lord_Malachite : I believe it was the final episode where Helga "breaks in".
Deep-Voice06 : lol
unluckystunt : grandpa was hilarious in that episode
LisaBartlett : yeah, the parrot.
Greenorbs2 : **hilarious**
bkev_93 : My favorite Arnold VA would be the first one

iluvrnld : I have it recorded Max, I'd send you a copy. c:
Pinkpataki : Is cool
LisaBartlett : kinda of a horror film. with a horror score
Sketchpad73 : Dark comedy at its finest
SeraphimKiss : I can't believe she was gonna kill the parrot with a chainsaw!
elphie_7 : I liked Phillip
Deep-Voice06 : I can't believe that got on nick!
Sketchpad73 : HA! was so on the edge
LisaBartlett : i know. she's a desperate character.
Cool : Maybe I should just round up all the unawenred questions and send them to Craig in an e-mail, then post the answers on the website? Cause this chat is flying at warp speed.
bkev_93 : true
Deep-Voice06 : Well, I guess I can
Jennerz8 : My favorite would be Phillip too. He was good in Halloweentown also.
bkev_93 : good idea
CarlinJ83 : *i think i like Spencer better*
LisaBartlett : the scene when Bob passes Miriam and helga in the hall, and she's got a chainsaw?
LisaBartlett : priceless.
elphie_7 : & Gilmore Girls, even though his char. annoys me so
Deep-Voice06 : I like Spencer too
Lord_Malachite : There's 31 people here, Sephen. I like to think of it as organized chaos.
DarthRoden : **I agree Stephen, its like Warp 9.7**
iluvrnld : That was hilarious.
Cool : Spencer sucked. I hated is nassaly voice
Greenorbs2 : *I'm sticking with Phillip*
ioxmo : That sounds like a good idea, cool.
LisaBartlett : poor spencer!
LisaBartlett : his ears are burning.
elphie_7 : Spencer was good too
Deep-Voice06 : I like spencer!
DarthRoden : **lol**
Lord_Malachite : Spencer was a good voice for Arnold.
Greenorbs2 : *Spencer's all right*
CarlinJ83 : *but he made Arnold's voice sexy!*
Cool : Where Arnold's character was in The Journal, Alex Linz was a PERFECT fit.
DarthRoden : **Spencer was great**
Deep-Voice06 : lol, never thought of that
iluvrnld : What season did Spencer voice in?
LisaBartlett : yeah, we barely got to use Alex.
LisaBartlett : he would have been great.
Deep-Voice06 : they're all good though
MegawackyMax : *Here we had Spanish Voices.*
Cool : Spencer sounded like a wuss. Toran is classic and Phillip is also good.
LisaBartlett : yeah, i'm fond of all 5 arnolds.
elphie_7 : Alex would've been in the jungle movie, right?
LisaBartlett : right.
Lord_Malachite : *He and Philip were my two faves. But Toran turned in good work, too.*
Cool : Alex ccould have headlined the whole 6th season, if there was onw
iluvrnld : I liked Alex,
bkev_93 : Phillip is good, but I really loved Toran
LisaBartlett : there was even another, in the pilot that played in theaters.
Jennerz8 : I agree with LM

elphie_7 : I liked Toran as Wolfgang
Cool : Now i bet he too has gotten too old
LisaBartlett : before Harriet the spy.
unluckystunt : i liked toran and phillip the most i think... after i got used to the change from
toran to phillip, spencer didn't bother me at all
iluvArnld : Probably.
bkev_93 : seriously?!?
LisaBartlett : they're all too old now!
Cool : JP Daniels did the pilot
DarthRoden : **Alex was great, he played a good role in Titan AE as the young Cale**
CarlinJ83 : **i feel sorry that parrot**
bkev_93 : I STILL love
LisaBartlett : very good Cool
Cool : I loved alex in AFD
bkev_93 : toran
Deep-Voice06 : me too, lol, poor parrot
bkev_93 : see, I'm the type that says "the first is the best"
Pinkpataki : I spanish Enzo Fortuny is the best
Lord_Malachite : I can't imagine what it would be like to try and recast the series!
CarlinJ83 : **it's not it's falt that Helga couldnt keep her emotions to her self**
elphie_7 : do you still talk to them or whatnot Craig?
bkev_93 : and not only that, but toran did pigeon man right?
bkev_93 : WAIT@
bkev_93 : answer that one
LisaBartlett : i'm in touch with Fran, Justin, Jamil
bkev_93 : everyone stop
Cool : Even Franny got too old towards the end. In AFD she sounds almost like a teen
LisaBartlett : and I see Dan at parties
elphie_7 : oh, Gerald, he's my favorite
CarlinJ83 : **how is Jamil?**
LisaBartlett : and I see the rest of them around town.
elphie_7 : cool
Deep-Voice06 : I didn't even notice Franny's voice change
CarlinJ83 : **really?**
ioxmo : Watch a first season episode and then a last one... there's a big difference.
bkev_93 : I did
Lord_Malachite : **She's pretty voluptuous in those later episodes and the movie.**
Deep-Voice06 : I'll have to do that
Cool : Are the HA! voice actors still presuing with VA-ing? Or have moved out of that
profession and going back to school and getting as "real" job or career.
bkev_93 : but it took retrospect to do so
LisaBartlett : Jamil's an adult now, and girls: he's a hottie
unluckystunt : vincent schiavello (sp?) did pigeon man
LisaBartlett : he'd want me to tell you that
elphie_7 : aww
DarthRoden : **nobody else could have done Helga the way Franny did, older or not she
just had the voice that matched Helga G Pataki**
CarlinJ83 : **so she doesnt sound like Helga anymore unless Helga was in her teens**
bkev_93 : true...
SeraphimKiss : As hot as Gerald? ^_~
Cool : Too bad we have no actors here tonight
LisaBartlett : even more
Deep-Voice06 : Yeah, Franny was good

elphie_7 : tell jamil he's def. got fans

LisaBartlett : i will

Cool : So, are all the kids still acting?

LisaBartlett : mostly

SeraphimKiss : Give Jamil my number

Cool : I hardly ever hear of them anymore

▸ bkev_93 has left the conversation.

CarlinJ83 : **what was is like working with Andy Dick?**

LisaBartlett : Jamil and Justin are always pitching ideas, Justin is producing short films

LisaBartlett : he's a playa

elphie_7 : a few of 'em have been on GG, Adam's been on Broadway, that's all I know of

LisaBartlett : not a beach, a player.

Cool : What is Helga herself doing?

CarlinJ83 : **really?**

Cool : I wonder if she can still pull off the voice

LisaBartlett : Franny graduated from STanford and is maybe going to do a masters

CarlinJ83 : **yeah**

LisaBartlett : I think.

Deep-Voice06 : I think so

LisaBartlett : she majored in linguistics,

CarlinJ83 : **how old is she?**

elphie_7 : awesome

LisaBartlett : spent time in italy

Greenorbs2 : **linguistics? great!**

Cool : I really wonder how much these actors think about how much they are really appreciated.

LisaBartlett : I saw her in an all-italian production of Pinocchio

LisaBartlett : she was the fox

Deep-Voice06 : yeah, because they definitely are

Sketchpad73 : wow!

CarlinJ83 : **oh Fran?**

DarthRoden : **tell Frannie that we all think she's awesome and good luck with her future endeavors**

unluckystunt : cool!

LisaBartlett : i will.

Cool : They do great things - bringing a character to life, and through our fanfictions, we will always associate that voice with the character FOREVER

iluvArnld : For me too, I think she's rad.

▸ bkev_93 has joined the conversation.

CarlinJ83 : **how old is she?**

Sketchpad73 : Amen to that

▸ bkev_93 has left the conversation.

Deep-Voice06 : I think 19

LisaBartlett : franny must be... 21 now i think

▸ bkev_93 has joined the conversation.

Cool : Voice acting is such an under-valued profession

Deep-Voice06 : oop, I was off

CarlinJ83 : **oh**

bkev_93 : true

Lord_Malachite : Indeed. May all the voices of our beloved characters find the same happiness they've given us over the years.

elphie_7 : yeah, if she's graduated already

DarthRoden : **I agree with Stephen, those kids are who I think of when I write fanfiction**

bkev_93 : sorry, my comp went nutso on me
CarlinJ83 : *that makes sense*
LisaBartlett : right, you can hear the characters speak.
CarlinJ83 : *so she might come by*
MegawackyMax : *Yeah.*
bkev_93 : you know, usually you have really old guys doing the voices
LisaBartlett : The kids all "got into" their characters right away,
Cool : When I write fics, I have to try and choose an Arnold
bkev_93 : but with HA, didn't they have like teens do it?
LoveTHYconan : *frannie has obviously got a lot of talent, i'd like to see her acting more in the future.*
LisaBartlett : kind of lived them. they influenced the stories a lot, esp. Franny and Justin and Jamil.
bkev_93 : yeah
Cool : Somehow Specner always gets into my brain, and i hate it - moreover when I type a real sappy Arnold line
iluvArnold : I'd love to hear her voice act more, even if it's not for hey arnold.
LisaBartlett : because we'd sit around and laugh about their characters, and ideas would come from that.
Sketchpad73 : With the interest in making live action versions of popular animated show,would you say yes if a major studio came to you with an offer for HA!?
LisaBartlett : sure,
LisaBartlett : but what about ARnold's head?
SeraphimKiss : Justin made up "madam fortress mommy" ^_^
LisaBartlett : big casting problem.
elphie_7 : haha
Deep-Voice06 : lol
Cool : CG it!
bkev_93 : true
Sketchpad73 : coolness lol
bkev_93 : NO CGI. NO CGI.
LisaBartlett : Justin still drops that one.
unluckystunt : taht would look pretty freaky
bkev_93 : sorry but I have a grudge against it
bkev_93 : I'd explain more
MegawackyMax : *That would be a challenge.*
Cool : Cartoons and the real world to not mix
bkev_93 : but I'd go WAAAAAY off topic
Sketchpad73 : it would be like Dick Tracy
MegawackyMax : *They only mix well in "Roger Rabbit", though.,*
Lord_Malachite : Have you ever thought about working in other mediums as well? More than once, I've seen the comic book "Amelia Rules!" compared to Arnold.
elphie_7 : ... I liked Scooby Doo ...
CarlinJ83 : *so there's no more Arnold ha?*
Cool : Go ask Alvin from the Chipmunks why he wears NO Pants and just a long gown with the letter A on it.
LisaBartlett : I kept drawing arnold comics
LisaBartlett : for NICK mag until... i guess last year.
MegawackyMax : *Nice!*
elphie_7 : really?
elphie_7 : cool
LisaBartlett : I have a friend there
Deep-Voice06 : wow

LisaBartlett : Chris Duffy
CarlinJ83 : **very cool**
bkev_93 : hmm, I'd love to see a comic of the jungle movie
Lord_Malachite : **I had no idea.**
LisaBartlett : he's a comix editor for them.
bkev_93 : Chris... that sounds familiar
DarthRoden : **I have them all, they were great**
bkev_93 : does he do anything else?
Deep-Voice06 : Me too, or a story of the jungle movie
LisaBartlett : he's a comix editor for them.
Cool : Craig - make a TJM and pull off an alais, like you're a fan or something
Cool : I mean comic
iluvrnld : Thatd be genius.
Lord_Malachite : **Graphic Novel.**
kikasama : yeah!
LisaBartlett : i drew a new strip fo rthem called "the dumpsters."
Cool : no one will EVER know
MegawackyMax : **Uhmhhh... "The Jungle Movie - Graphical Novel". Only you'd have to change the "movie" in the title...**
SeraphimKiss : Or a "fanfic?"
ioxmo : heh, that'd be cool
bkev_93 : seconded
LisaBartlett : It'll be in their next ish i think.
Sketchpad73 : hear,hear
elphie_7 : aww, poor TJM
Cool : It could be CB_fan1956
iluvrnld : How would it be publicised for other fans though? . _.
Manolo : The Jungle Graphical Novel?
LisaBartlett : I'm working on a graphic novel too.
Lord_Malachite : **Might have to look into that.**
LisaBartlett : but not the jungle movie.
Sketchpad73 : you are!?
Deep-Voice06 : A fanfic would be great
DarthRoden : **oH?**
LisaBartlett : not arnold.
unluckystunt : cool, i'll check out the next ish
bkev_93 : oh?
bkev_93 : but
CarlinJ83 : **Vanessa wouldve been perfect since both Helga and her are poets**
unluckystunt : i haven't read through a nick mag in years
bkev_93 : still, i'd look for it
LisaBartlett : It's called "Lower Pixieland."
Sketchpad73 : coolness what is it?
Sketchpad73 : Ah!
LisaBartlett : kind of a long story,
Manolo : and what is about, "Lower Pixieland"?
MegawackyMax : **It has Fairies?**
Cool : All Nick Mag is is Spongebob, Odd, AGU and other CRAP
LisaBartlett : it's about a boy who moves to the country,
bkev_93 : eh
bkev_93 : some of their comics are good
SeraphimKiss : Do the "fairies of the prairies" make an apperance?
LisaBartlett : his dad loses his job and moves them to the boonies

bkev_93 : wait go on
LisaBartlett : a crummy apartment, and in his closet...
LisaBartlett : a little green door.
CarlinJ83 : **so do you make all your characters again?**
LisaBartlett : which leads to Lower Pixieland.
CarlinJ83 : **i mean the same?**
DarthRoden : **ohh sort-of like Spirited Away?**
bkev_93 : so, when does it come out????
LisaBartlett : yeah,
MegawackyMax : **And the Pixie inside says "What, did you expect Nardia?"**
LisaBartlett : but i make fun of Narnia a lot, and some LOTR
Sketchpad73 : Ah..."down the rabbit hole..."
Greenorbs2 : **ha ha**
DarthRoden : **lol**
MegawackyMax : **I said it as a joke...**
Lord_Malachite : I like the idea of the country setting, total 180 from Arnold's setting.
LisaBartlett : the thing that i find funny and... old fashioned about Narnia
bkev_93 : I'd hate to see a guy like Arnie in it though X.X
LisaBartlett : is the way the kids all embrace their new identities. Peter's all
bkev_93 : GOD why did they make him?
LisaBartlett : "Oh, King Peter? Wonderful. better get to sword practice"
LisaBartlett : my teenager is less enthusiastic.
iluvArnold : Seriously? o_o;
LisaBartlett : What, why did we make Arnie?
Lord_Malachite : **More cynical?**
bkev_93 : yeah kinda
LisaBartlett : I thought he was great.
Manolo : I have noticed that in your work Craig... your characters are very realistic!
Cool : Have we fans asked EVERY single question concerning the series and TJM over the past 5-6 years, or is there still something worth questioning?
unluckystunt : arnie was awesome
bkev_93 : eh, he was OK
Flank17 : Who do you think Helga could be in the future? A writer, a president?
LisaBartlett : Arnie was a joke about when we get really ugly animation back from the studio.
We turned that into an ep.
unluckystunt : how can you not love a kid who's interests were... gum.
Cool : OH - have a pending question from Deep-voice06
Sketchpad73 : he was certainly dark,in a slow burn way
MegawackyMax : **Arnie was Bizarro Arnold.**
Pinkpataki : A book of a TJM??
bkev_93 : but that one ep where he visits the country
LisaBartlett : okay, go deep voice.
LoveTHYconan : **when is lower pixieland going to come out? and who's the publisher?**
bkev_93 : now THAT gave me nightmares
Lord_Malachite : **Helga can be anything she wants--her aptitude test said so.**
Cool : Craig: Has he made any scripts for sixth season episodes and if so, what were the episodes about?
LisaBartlett : we had a list of ideas for a sixth season, but...
LisaBartlett : I have no idea what they were now, five years later.
Cool : Damn
MegawackyMax : **Heh.**
LisaBartlett : Gerald's bad haircut
Sketchpad73 : pity

Deep-Voice06 : aw, well thanks for answering my question
bkev_93 : i would've liked to see a "*insert name here* moves
Cool : Time robs us here
Lord_Malachite : I like that idea. Gerald with a bad haircut.
DarthRoden : **there are some good fanfic writers who had ideas to that effect...krossfire wrote a good series of ideas on that score**
iluvanld : Like Gerald with a bowl-cut.
‣ Carol_Albers has left the conversation.
Cool : Gerald and Phoebe relationship was one, and a whole Brainy ep was also a working concept (I'm trying to remember old chats here)
LisaBartlett : yeah, we could simply scan the fanfics.
LisaBartlett : you're right, cool
MegawackyMax : **Phoebe and Gerald eps... So sad we couldn't see more of that.**
Deep-Voice06 : that would be so cool
CarlinJ83 : **white houses**
unluckystunt : i think there was one about peapod kid? and some of the other cahtracters who never got much air time
MegawackyMax : **I wouldn't have minded more of Nadine, too.**
LisaBartlett : oh yeah, the fans were demanding more peapod kid.
Cool : Some fanfics out there BLOW ME AWAY, and could have been used rather than some of the rather lackluster episodes in the series, mostly from the 4th and 5th season
Deep-Voice06 : Some of the fanfics are so much like episodes it's crazy
DarthRoden : **well if by some maricle Hey Arnold can come back on the air or be made, then you are more than welcome to rip off my fanfic ideas Craig (bows humbly)**
SeraphimKiss : Wasn't there gonna be a Rhonda/Robert one?
bkev_93 : what was the girl with the flower on her shirt?
Lord_Malachite : **Nadine was wonderful. Whatever happened to her?**
LisaBartlett : that would be good, too, since Jamil voiced him, and his grown up voice was okay for him.
bkev_93 : I really liked her voice
unluckystunt : yeah, more nadine would have been great
CarlinJ83 : **yeah really**
LisaBartlett : Nadine never got much air time. i liked when she told off Rhonda
Cool : Sheena never had an ep all to herself, and even Iggy got one
LisaBartlett : in "Cool party"
Deep-Voice06 : Rhonda really deserves it sometimes
bkev_93 : sheena, now I thought she seemed really nice
ioxmo : I liked that part, to.
Manolo : the ghil with the flower on her shirt was Sheena
MegawackyMax : **Yeah.**
ioxmo : *o
unluckystunt : yeah, and when she lined her tarantula cage with rhonda's fashion mags
LisaBartlett : Sheena, voiced by Fran
Lord_Malachite : **She was different and plucky, though. Interesting hobby.**
LisaBartlett : listen to her when she says "what happened to the lot?" in Vacant Lot.
elphie_7 : more Nate
Cool : Heh - Sheena and heglia in the caf - that's it garnola girl!...
unluckystunt : haha, who's nate?
elphie_7 : Helga's Show
LisaBartlett : Tim (the mixer) kept speeding her up, and it sounds insanely high-pitched.
Sketchpad73 : lol
elphie_7 : that's what Sid asked during Helga's poem
Cool : High pitched like Mariah Carey

MegawackyMax : Funny.

LisaBartlett : who's nate? a classic Sid line

LisaBartlett : let's give it up for sid!!

elphie_7 : I loved it

iluvrnld : I never got that. o-o;;

LisaBartlett : i love that little squirt

bkev_93 : be right back

‣ bkev_93 is away.

Greenorbs2 : I do too

Cool : Heh - just cause I'm short, I can't get no action (or something like that)

Sketchpad73 : Here,here!

LisaBartlett : right on

MegawackyMax : I really loved how every single character, even background ones, had a proper life of their own.

elphie_7 : I always liked Stinky, I was kinda a backwoods buffoon myself

Pinkpataki : me too

Sketchpad73 : Genius of characterisation!

Cool : But Lila is another story - I still never liked here

CarlinJ83 : so does Fran have a boyfriend?

Manolo : I agree with Max, that is the better part of the show!

LisaBartlett : that was the idea, and it's important to remember that since Nick gave me five seasons, that was possible.

LisaBartlett : we finally even got to Iggy.

Cool : Is Franny BF named Arnold?

CarlinJ83 : i know it's none of my business

elphie_7 : ha, Iggy

CarlinJ83 : hehe

Deep-Voice06 : I didn't like Lila after she took Arnold's heart

LisaBartlett : i dunno, ask Franny

Deep-Voice06 : Before, she was pretty ok

DarthRoden : **Curly's Girl was a great episode**

iluvrnld : Oh yeah, did Arnold ever forgive Iggy? . _.

‣ bkev_93 has returned.

Cool : Lila scrwed up the Arnold and Helga relationship forever

CarlinJ83 : i didnt like lila period

ioxmo : Lila was always one of my favorite characters... always had a feeling something dark was hidden there..

Lord_Malachite : Lila didn't just take his heart, she put it in a jar and kept it under her bed!

Cool : and it was ALLLLL Helgas fault

LisaBartlett : yeah, the end, when Curly chases Rhonda down the street cracks me up

Deep-Voice06 : Yeah

elphie_7 : Lila never really meant it though

MegawackyMax : I'm neutral on Lila. It was all a big misunderstanding started by Helga.

DarthRoden : **lol same here**

iluvrnld : True,

bkev_93 : True

Sketchpad73 : The chase being beter than the capture

LisaBartlett : yeah, Lila is only unconsciously evil.

iluvrnld : still didn't like the little miss perfect thing though. >__> Reminded me too much of Olga.

Cool : Helga is the cause and soultion to all her problems

Deep-Voice06 : Still, I hate how Lila acts at the end of the Timberly and Arnold episode

MegawackyMax : Oh, yes! I made a game out of that chase!

LisaBartlett : but didn't you love her song?
Lord_Malachite : Right on, Stephen.
bkev_93 : iggy... what an idiot, not being more careful with his stuff
LisaBartlett : it's one of my favorites.
Deep-Voice06 : So stuck-up
bkev_93 : show us the game
SeraphimKiss : I think Lila's manipulative without realizing it...
Manolo : Lila is a good girl, i think she doesn't deserve all the blame!
Sketchpad73 : Really, is she really unconsciously evil?
iluvArnold : Think so.
DarthRoden : **Lila is the Jar Jar Binks of Hey Arnold**
Cool : Liked that line, eh LM?
LisaBartlett : ha!
Lord_Malachite : She's self-defeating. That's what makes her fun to watch.
bkev_93 : I was one of the few peeps that liked JarJar o.o
elphie_7 : I haven't seen Timbely Loves Arnold/Eugene Eugene in forever
Deep-Voice06 : I think it's possible
LisaBartlett : helga is all about karma.
iluvArnold : Jar Jar?
Cool : Poor Helga. Such a complex creature
LisaBartlett : she brings about almost all her troubles.
bkev_93 : true
Deep-Voice06 : Just my opinion though
DarthRoden : **yeah, (sighs) I sense much fear in Helga**
CarlinJ83 : **and what was Lila doin with Olga anyway?**
Lord_Malachite : Now I can hear the theme song to "My Name Is Earl," lol.
LisaBartlett : yeah, that Lila/Olga moment...
Deep-Voice06 : That was wrong, Poor Helga!
LisaBartlett : pretty funny. We had a lot of fun with that storyboard
SeraphimKiss : Lila + Olga = too much sugar
Deep-Voice06 : lol!
Deep-Voice06 : True
SeraphimKiss : But I liked that episode
iluvArnold : Sugar High couple
LisaBartlett : also, a great Olga moment "Oh no! Buttercup's gone completely crazy!"
Sketchpad73 : lol
Cool : Craig, would you agree by the end of the show, Arnold was second banana and it was pretty much Helga's show? Cause she pretty much did take over the show
unluckystunt : haha
MegawackyMax : **(laughs) I remember that!**
LisaBartlett : that line cracks me up. I still use it around the house
elphie_7 : nice
LisaBartlett : helga taking over the show?
LisaBartlett : probably.
CarlinJ83 : **man if Helga was close with Olga being the sister wouldve talked about how wierd lila was**
ioxm0 : I have a question... did having helga's mom as an alcoholic cause any trouble when making the show?
Cool : Arnold was just a background character - Helga prop
LisaBartlett : i admit that it was increasingly hard to come up with arnold eps.
Manolo : If she cannot get Arnold, at least Helga will have his show!
Pinkpataki : Helga is the heart of HA I adore her
LisaBartlett : helga is just so much more "out there," in your face.

DarthRoden : lol yeah, and she had so many layers...just like Ogers
Deep-Voice06 : Helga's my fav
CarlinJ83 : mine 2
LisaBartlett : Miriam the alcoholic?
Cool : Sometimes I did get sick of it, all those helga stories got a little redundant. She became a stalker!
MegawackyMax : "Ogres".
CarlinJ83 : and i hope she gets here
SeraphimKiss : I think everyone can relate to Helga in some way
bkev_93 : "hey helga"
LisaBartlett : actually, it was like the 500 pound gorilla that no one talked about.
bkev_93 : XD
Deep-Voice06 : that would be wonderful
LisaBartlett : it was don't ask, don't tell.
LisaBartlett : an inside joke for us.
ioxmo : heh
ioxmo : I like that.
LisaBartlett : the sound guys put the sound of ice cubes clinking in her coffee cup.
MegawackyMax : Okay.
elphie_7 : I would've loved The Patakis
LisaBartlett : coffee with vodka?
LisaBartlett : gin?
iluvArnold : Woah what?
elphie_7 : Big Bob is fantastic
ioxmo : everclear?
Cool : Coffee and Balieys or Kaluaha!
Sketchpad73 : it certainly made her more human
LisaBartlett : yeah, in the Patakis, she's twelve-stepping.
LisaBartlett : in recovery.
Cool : I thought she was 15 in TP
elphie_7 : great!
LisaBartlett : not exactly nickat nite material..
elphie_7 : haha
kikasama : MORE PATAKIS!
MegawackyMax : Right...
elphie_7 : too bad ...
LisaBartlett : yea, i love big bob.
iluvArnold : I was thinking [Adult Swim] or something. xD
LisaBartlett : Mo is the funniest guy
Sketchpad73 : maybe but it would have been powerful tv, nonetheless
elphie_7 : Maurice is amazing
LisaBartlett : he and DAN when they looped the fight scene in the movie?
Cool : Arnold moves away with his parents, so we ALL know they were found alive in TJM
CarlinJ83 : and if u do end up making the Patakis you would still use the old cast right?
SeraphimKiss : "You're making me think... I don't like it." Me and my friend quote that a lot.
LisaBartlett : one of my fave moments int he studio EVER.
elphie_7 : haha
LisaBartlett : other fave moments in the studio..
LisaBartlett : how bout when we recorded all of "Opera" in one sesh?
CarlinJ83 : who was the best guest voice ever do u think?
Sketchpad73 : Impressive!
MegawackyMax : In ONE session?! Wow...
Pinkpataki : About that they thought on having done Helga's family

LisaBartlett : that was so high and happy for me. the kids just rose to the occasion.
iluvrnld : Wow. o.o;
elphie_7 : Opera is my absolute favorite
Cool : It should have gone...6seasons, a Nickflick, a "movie" movie, then Pataki's, then HA!
meets highschool!
CarlinJ83 : I'd like Jennifer Tilly
LisaBartlett : each kid got up to the mic and topped the last kid.
Manolo : And Curly was very inspired in "Opera"
MegawackyMax : Opera is very good, but do not listen to in in spanish... -.-
LisaBartlett : Curly was last. "I'm so fine..."
iluvrnld : The girls know I'm devine~
Cool : Another question from Deep-Voice is pedning
unluckystunt : haha, nice
elphie_7 : I remember being 12 or 13 and DLing all the real songs from Carmen after that
LisaBartlett : and even the tiny parts, like sid and stinky, were hilarious.
Pinkpataki : is funny opera
LisaBartlett : You know, she's wicked awesome.
bkev_93 : ah, curly...
Cool : does Craig have an idea of what Arnold's last name would be if the movie got released?
bkev_93 : those zoo animals shall never forget you
DarthRoden : **The "What's Opera Arnold" Ep was total genius...it was the only other episode other than "Arnold's Valentine" that we actually heard Ruth put together more than two words**
LisaBartlett : okay, deep voice, go
Cool : I just posted it
LisaBartlett : yeah, ruth is quite a singer!
LisaBartlett : auburn hair.
Cool : Give us the first and last letters!
CarlinJ83 : **yeah really i mean since all the cast are grown up it would be perfect to do Arnold teens**
iluvrnld : Yeah, she neverreally spoke to Arnold except for the Valentines Episode.
Cool : Is it really Shortman? I hope not - I kinda don't like it.
Deep-Voice06 : I was thinking it was
MegawackyMax : **Better Shortman than Footballhead.**
kikasama : Yeah! Arnold's Last Name!!!
LisaBartlett : ha ha ha
iluvrnld : It'd be more memorable though,
Cool : Arnold hahaha?
Deep-Voice06 : The way Helga says 'Shortman' in Arnold Visits Arnie' at the beginning
Sketchpad73 : Perhaps it's "Short"
MegawackyMax : **Arnold Footballhead.**
CarlinJ83 : **Shortman eh?**
LisaBartlett : well, it isn't Swank.
iluvrnld : "Helga, would you take Arnold FootballHead to be your wedded husband?"
Deep-Voice06 : lol!
LisaBartlett : yeah, that stinks
unluckystunt : helga footballhead?
Deep-Voice06 : I think it's better as a nickname
Cool : Arnold Straightman?
CarlinJ83 : **I like when Mr. Hyunh yells on top of everyone**
LisaBartlett : it's both!
iluvrnld : Yeah. :XD

Deep-Voice06 : lol, that don't fit
ioxmo : better shortman than Chakaravarthy
SeraphimKiss : It would be so disappointing to find it's something like "Smith" or "Jones"...

Cool : Shortman is a good nickname, not a last name
LisaBartlett : mr hyunh always says "it's very creepy."
kikasama : what name did you think of, Craig?
LisaBartlett : sometimes he says "it's very crispy."
elphie_7 : Mr Hyunh, "Play ball, play ball!!!"
LisaBartlett : right.
iluvrnld : I've noticed that like a few times. o-o;
Cool : You said it was always said throughout the show - which character said his "last name" the most?
ioxmo : Yeah, that play ball thing make me laugh every time.
iluvrnld : With that other line,
Deep-Voice06 : Yeah, what character said it the most
CarlinJ83 : **oh i do hope Franny comes**
LisaBartlett : Grandpa, of course.
Deep-Voice06 : I KNEW it!!
Deep-Voice06 : (dances)
Cool : That does it - its shortman
kanye_wes : oh wow
LisaBartlett : everybody dance now!
Manolo : Well Craig, what were your inspirations for the character of "Bridget the spy"?
MegawackyMax : **Is it, really?**
elphie_7 : Jim Lang dance party!
kikasama : is that true?
Cool : I still don't like it as a last name
unluckystunt : well then his name is obviously arnold raspberries
LisaBartlett : you may not remember Emma Peel?
iluvrnld : Maybe we're being mislead.
Cool : Jim never showed!
Cool : LOL KIm
Manolo : Yes, of "The avengers"
elphie_7 : Arnold Pookie
MegawackyMax : **Good one.**
Deep-Voice06 : I don't think so
LisaBartlett : jIm too has a Mac, and we couldn't get on with our software.
Sketchpad73 : Wow,the mystery is...over.i'm stunned!
iluvrnld : Yes, Arnold Pookie.
bkev_93 : so it's shortman
bkev_93 : yay
LisaBartlett : never eat 'em!
Cool : Craig never "official" confirmed YET!
Sketchpad73 : lol
Cool : Arnold Packard...
MegawackyMax : **Right ,right...**
DarthRoden : **lol**
iluvrnld : xD
Deep-Voice06 : lol
iluvrnld : Don't lead into any conclusion just yet folks.
CarlinJ83 : **how about Schartzenager**
DarthRoden : **what are Sheena's uncle Earl and Aunt Shelly's last names?**
Cool : Arnold Boardinghouse...hehe

LisaBartlett : I never gave them names.
LisaBartlett : we only did it when necessary, I guess.
Manolo : Arnold SunsetArms?
epicpiefight7 : ...or possibly Kafka, as in Jimmy
Jennerz8 : A popular last name for Sheena in the fanfics has been Luis
bkev_93 : but ya gave stinky one
LisaBartlett : Rhonda Lloyd came from a first season taunt "rhondaloid."
Sketchpad73 : mystery can be a good thng,after all
LisaBartlett : stinky peterson, it just rolls off the tongue.
DarthRoden : **oh I see**
Cool : Arnold Spam? Lamarr?
MegawackyMax : **All for a taunt? Funny...**
elphie_7 : did Sid have one, I don't remember
Sketchpad73 : Is Stinky truly a vampire?
LisaBartlett : right, and Joe came up with Jimmy Kafka, it came out fully formed like that.
Pinkpataki : What is the name of mother Gerald?
LisaBartlett : and yes, stinky is a vampire.
LisaBartlett : but only as a hobby.
Sketchpad73 : holy cow!
bkev_93 : aw man... and this was one of the few realistic nick shows
iluvArnld : He hasn't done any blood sucking to humans has he? ._.;
DarthRoden : **whoa man!**
Cool : We know Arnold middle name is Miles, so its Arnold Miles ...(FILL IN THIS SPACE!)
Deep-Voice06 : wow, cool!
LisaBartlett : naw.
iluvArnld : Ah k.
Deep-Voice06 : Arnold Miles Shortman
SeraphimKiss : So Stinky's a psychic vampire--wow
Sketchpad73 : looks nice
iluvArnld : Arnold Miles Stella.
MegawackyMax : **Stinky the Vampire... And just in for Halloween. We should all draw the characters in outfits.**
Deep-Voice06 : lol
bkev_93 : OR... Arnold Miles Bartlett
Jennerz8 : I thought his middle name was Phillip...That is what Craig said in a previous chat
Manolo : Craig, another question: Is "Brainy" a name or a nickname?
bkev_93 : wrong speloling
bkev_93 : crap
LisaBartlett : yeah, everybody come as Stinky for halloween.
iluvArnld : Bartlets good.
LisaBartlett : Brainy is his nickname,
bkev_93 : name him after the creator
bkev_93 : that'd be a good move
elphie_7 : does Brainy have a name?
unluckystunt : an army of stinkys will come to your door demanding candy
iluvArnld : Who'd see that coming?
unluckystunt : or lemon pudding
Cool : Arnold Miles Bartlett - dingdingding
bkev_93 : "Ah want sum lemen puddin"
LisaBartlett : and i guess it's because it's so unbrainy to stand behind Helga and mouthbreathe on her.
LisaBartlett : very dangerous.
Sketchpad73 : how ironic

bkev_93 : *gasp... I was right???

DarthRoden : **so there really is a Haunted Train and a Wheezing Ed, and a Four-Eyed-Jack, and Headless Cabby, and Ghost Bride...ect**

LisaBartlett : yeah, Arnold's universe is full of urban legends that are sort of true and sort of debunked.

bkev_93 : haunted train: the guy haunts it but doesn't send ya to hell. wheezin' ed: I'd think not

Sketchpad73 : I always thought Hillwood City was a stomping ground of the bizarre.

bkev_93 : four-eyed Jack: probably

CarlinJ83 : **johnny screams out and its no pose**

LisaBartlett : i like to leave things half-explained,

LisaBartlett : you'll notice

LisaBartlett : notice

DarthRoden : **lol yep**

CarlinJ83 : **cause when she dances she goes and goes**

Cool : Does Arnold kiss Helga back in TJM? Just throwing that out into the ring.

DarthRoden : **great job ithe twists**

Cool : Hehe

iluvArnold : Agreed. @_@

CarlinJ83 : **feels for the nose on an inside joke**

Deep-Voice06 : Yeah, does he kiss her back!

ioxmo : "She lived her life and went straight to....i can't read the rest."

DarthRoden : **lol**

LisaBartlett : okay, yes, he kisses her back.

MegawackyMax : **Yea. I LOVED the Legend of the Ghost Bride...**

CarlinJ83 : **im so excited i havent spoken**

Deep-Voice06 : That was bad, lol funny tho

LisaBartlett : but Gerald interrupts.

MegawackyMax : **"legend"**

elphie_7 : YES!

bkev_93 : hmm

Sketchpad73 : Love conquers all!

DarthRoden : **YES!**

elphie_7 : love Gerald

CarlinJ83 : **well she's so pretty and she's so sure**

Cool : NO WAY - are U 4 REAL

SeraphimKiss : SQUEE, he kisses her!!!!!!

iluvArnold : It's the scariest episode. .,.

iluvArnold : Yes<333

kikasama : ahhhhhhh!!!!!!

bkev_93 : one last q from me: how much of the movie was done???

Deep-Voice06 : wooo!!!

unluckystunt : whoa

CarlinJ83 : **maybe im more clever than a girl like her**

elphie_7 : I'm more excited about Gerald interrupting, haha

LoveTHYconan : **lol! awesome!**

Deep-Voice06 : cool!!

Deep-Voice06 : Now I REALLY wanna see it!!

LisaBartlett : how much was done? we did many drafts of the script.

CarlinJ83 : **summer is all in bloom summer is ending soon**

kikasama : tell us more!!!!

Cool : SERIOUS?! But Gerald interrupts?

LisaBartlett : and a small crew drew many boards

kikasama : PLEASE!!!
bkev_93 : any animation?
Manolo : Craig, in the Patakis... Does Helga reads Arnold's letters (if he even sends her any?)
Deep-Voice06 : I know what Gerald would say
CarlinJ83 : *it's alright and it's nice not be so alone*
LisaBartlett : and painted many backgrounds.
LisaBartlett : we drew a lot of "concept art."
bkev_93 : "man, this is really screwed up!"
CarlinJ83 : *but hold on to his secrets*
Deep-Voice06 : "OMG, did you just KISS her"
bkev_93 : yeah
bkev_93 : I can see that
CarlinJ83 : *in whites house*
Sketchpad73 : So, it was in production?
Cool : Don't tell us that just to please us, you are really telling the truth? Arnold goes in for the kiss?!?!?
kikasama : we'd love to see those!!!
bkev_93 : WE NEED STORYBOARD OF IT, NOW.
iluvrnld : omfg, spoilers.
LisaBartlett : in the patakis we hear her read them aloud in her head as she writes them.
ioxmo : oh cool. Didn't know it was that far.
Sketchpad73 : Very "Wonder Years"
bkev_93 : I'd like to see that as a last-couple of seconds thing, like Doug's journal.
LisaBartlett : yeah, we just boxed up all the stuff and moved out of NICK. it was sad.
Deep-Voice06 : And Arnold says, "Gerald, I was just saying goodbye"
elphie_7 : so, question: if nothing ever gets going w/ TJM, will we be left hanging forever?
or will you give us a little something?
bkev_93 : Awwwww ;_;
CarlinJ83 : *maybe im a little bit over mny head i come undone at the things he said*
LisaBartlett : they make a lame excuse to Gerald and he says "whatever you say,"
Cool : That is way beyond cute and fuzzy and I love it
iluvrnld : Yeah, I see it all over the Nick Boards daily.
Deep-Voice06 : Please, please give us more =)
kikasama : give us a little more, please!!!
bkev_93 : answer elphie's q, please
CarlinJ83 : *and Craig your so funny in your bright red shirt*
Cool : Arnold, you playa! Kiss the girl!
LisaBartlett : what was Elphie's qu?
iluvrnld : ": so, question: if nothing ever gets going w/ TJM, will we be left hanging forever?
or will you give us a little something?"
bkev_93 : yeah, that was it
Cool : 10 years time?
LisaBartlett : uh... it's such a long story
LisaBartlett : and so long ago!
kanye_wes : lol
Cool : Please, do tell
bkev_93 : I'd wait for it
Deep-Voice06 : Oh!--Oh well, that's in character
kikasama : uh =(
iluvrnld : We have time. c:
elphie_7 : you legally can't, can you? 'cause of Nick
Cool : Make a video and post it on Youtube, let ALL your emotions out
CarlinJ83 : *we were all in love and we all got hurt*

Cool : Like a documentery

LisaBartlett : well, i'll try to find a format to tell the story, and yes, Nick paid for it, so I couldn't publish it on my own.

bkev_93 : ;_;

MegawackyMax : Aw...

Deep-Voice06 : Darn it

LisaBartlett : we'd have to come to some kind of agreement about it.

elphie_7 : disappointing

Deep-Voice06 : sighs

CarlinJ83 : **i sneaked into his with dag leatherseats the smell of gasaline in the**

Cool : Tell Nick to get a refund and stop hanging on to whats YOURS

Jennerz8 : How about a novel?

iluvArnld : It'd have to be a spreaded word among fans then? D:

Sketchpad73 : It would put you n the pantheon of legend if the story could be relased somehow,sir

CarlinJ83 : **summer heat boy were going way to fast**

LisaBartlett : yeah, a book would be a good way to tell it.

Cool : Arnold is YOUR CREATION, not Nicks

LisaBartlett : or a graphic novel as some of you suggested.

Sketchpad73 : Yes,yes!

MegawackyMax : **You know, Craig... In the Puzzle of this Fandom, the Jungle Movie is the last, vital piece. We all are rooting for it.**

iluvArnld : Yeah.

elphie_7 : I'd get the book

LisaBartlett : but remember, nick has rights to ARnold.

bkev_93 : yes

CarlinJ83 : **it's all to sweet last**

bkev_93 : manga-style

DarthRoden : **well no matter if you can get it formatted or not, we know you tried Craig**

LisaBartlett : yeah, we lived it, man.

bkev_93 : wait - and have it produced for Nick magazine!

ioxmo : A graphic novel would be perfect.

Cool : Buy the rights. Just kidding

elphie_7 : ha, Arnold manga

Cool : It would cost Trump dollors

bkev_93 : NickMag could do it!

bkev_93 : that'd be great

Sketchpad73 : We would be wiling to pay for it,if Viacom is worried about money

ioxmo : Hell, if I win the lotto some day, I'll buy the rights.

MegawackyMax : **Arnold manga. A friend of mine drew a coupel of pages like that.**

LisaBartlett : maybe we should try to get Arnold out on DVD, then see if it "Grows."

CarlinJ83 : **and i put myself in his hands**

LisaBartlett : but that is truly up to Nick.

DarthRoden : **yeah**

bkev_93 : I'd pay for that

kanye_wes : yes

CarlinJ83 : **but i hold on to his secrets in**

bkev_93 : but seriously, maybe NickMag will do it

iluvArnld : Yeah, or if someone else buys it. >_>

CarlinJ83 : **white houses**

iluvArnld : Nickmag!

Manolo : "Hey Arnold all grown up"

Cool : Nick would problebny give a bare boned DVD release, like Disney is doing with their library of TV cartoons
elphie_7 : you know, sooner or later Nick is gonna realize that all it has is crap nowadays, and there'll be more old Nick again ... in a perfect world, anyway
LisaBartlett : yeah, they aren't into "extras."
bkev_93 : yeah, no extras just VCD quality eps
Cool : no interveiws, extras, no nothing. Crappy boxart, etc
bkev_93 : SB has it
ioxmo : if they did release it on DVD, and it sold well, that could help.
CarlinJ83 : *love of something in nights in my veins*
bkev_93 : but it IS sb
bkev_93 : GOD why?!?!?!?!?!
CarlinJ83 : *and i pray it never fades*
elphie_7 : straight to DVD would be great, even
LisaBartlett : oh, crap y'all,
kanye_wes : Time to write those letters
CarlinJ83 : *in white house*
LisaBartlett : i have to go to my dinner date
Cool : We already have all the extras we need on the net

Manolo : Oh, and Darth Ronden, I think you are one of the best fanfic writers I have ever read!

Deep-Voice06 : It was great

elphie_7 : I've never been in one of these before, it was good

Flank17 : It was cool thanks Steve.

iluvrnld : Don't be, you got skills to get it all together.

unluckystunt : i enjoyed it steve, but then i didn't really have questions

Sketchpad73 : Forgive us,Cool ,for our enthusiasm.It's been so long since we heard from him

Deep-Voice06 : Me too! Your fanfics are amazingly realistic

DarthRoden : (blush) you do me much credit Manolo...thank you

bkev_93 : bye bye!

Deep-Voice06 : Yeah, definately

Sketchpad73 : I agree with manolo

Manolo : bye!

Deep-Voice06 : Bye

▸ bkev_93 has left the conversation.

iluvrnld : It was great seeing people I have seen before from a long time ago too. :3

Deep-Voice06 : Me too

Cool : See how he tiptoed around all TJM and last name questions? winkwink

iluvrnld : Like a whole re-union.

DarthRoden : it is wonderful to see everyone here

iluvrnld : [and yeah I saw. :XD]

Manolo : And I'm very glad to hear that Max wants to finish his fanfics !

Cool : Still gonna leave us dangling

MegawackyMax : Yeah. Nostalgia is a good word to use, now.

Sketchpad73 : And who says the internet is a cold,impersonal place?

SeraphimKiss : But... ARNOLD KISSES HELGA, I CAN DIE HAPPY NOW

ioxmo : damn, that chat was 44 pages on ms word

DarthRoden : I saw that too Stephen

▸ Kagomesashi has left the conversation.

iluvrnld : 4chan does. !

kikasama : I don't know but I think we didn't get too much answers, except for the Arnold-and-Helga-kiss-being-interrupted-by-Gerald. Stephen, is there a way to ask him more questions by email or something?

Deep-Voice06 : Me too!!

Cool : TOO FAST

Deep-Voice06 : and the shortman, that was cool

SeraphimKiss : I mean, I guess I could've assumed that, but the confirmation is great

elphie_7 : I love Gerald more and more because of that detail

iluvrnld : He gave hints, but I think we're on our own.

elphie_7 : it would be hilarious

unluckystunt : yeah i defintaly wasn't expecting arnold to kiss helga back, that's pretty cool to know

Deep-Voice06 : I'm SO glad he kisses her back

kikasama : i'm dying here!!!

MegawackyMax : Well, people, I'm outta here. As I always say, "There's more to do in the Net of Nets".

Deep-Voice06 : and I hope it 's a deep kiss

elphie_7 : later

Manolo : Bye Max!

Deep-Voice06 : Bye

MegawackyMax : Bye, everyone!

unluckystunt : bye!

iluvArnld : Bye Max!

SeraphimKiss : Bye!

Sketchpad73 : Take care ,Max

DarthRoden : bye Max

GräfinZahl : bye max

‣ MegawackyMax has left the conversation.

Cool : They way Craig typed "okay" before saying they kiss in the TJM, makes me think he said it just so poeple would get off his back

DarthRoden : great to see you again

iluvArnld : I think so too

SeraphimKiss : yes... We were kinda hounding him....

kikasama : yeah, me too

Cool : Kim, you met him, if he said that is he telling the truth?

unluckystunt : yeah, i don't know if he's supposed to reveal anythign about TJM

DarthRoden : I think he meant it, though I think he wasnt keen to share, just in case a maracle can be done with the show

SeraphimKiss : I tried to be pretty quiet, though

unluckystunt : i do'nt think he'd lie about it

iluvArnld : I don't think he's supposed to, but what can it hurt?

Deep-Voice06 : yeah!

Cool : Perhaps we hounded too much?

Deep-Voice06 : That's a good sign

iluvArnld : A bit.

Deep-Voice06 : probably a little

elphie_7 : there was a lot of last name hounding, haha

DarthRoden : I think Craig was enthused by our energy

Deep-Voice06 : But TALKING to him, I mean, that's BIG

iluvArnld : People spazzed over him being here, so it makes sense why. @_@

Deep-Voice06 : Yeah

Cool : Now I feel I may have ticked him off. If only he had a webcam!

DarthRoden : the force is very strong among all of us...we are Arnold's last hope for life

Deep-Voice06 : I don't think you did

iluvArnld : We could mail him letters still, can't we?

SeraphimKiss : I'm still dying to know who Randy from Party Wagon was supposed end up with! But I'm happy I got to participate in this chat, period.

unluckystunt : yeah, if by some miracle TJM got made, even just as a book, we'd have a big fat spoiler

DarthRoden : I dont think he was mad

Deep-Voice06 : He probably thought it would be like that

Deep-Voice06 : I mean, so many fans

unluckystunt : i doubt he's mad

Deep-Voice06 : I'm still surprized so many people showed up tho

iluvArnld : Me too, seemed like he felt special.

Manolo : Oh yes SeraphimKiss, you're so lucky!

iluvArnld : like mr. simmons puts it.

elphie_7 : ditto

Greenorbs2 : he's got things to do , places to be

unluckystunt : yeah, past chats were very similar and he's very flattered and enthused by it all

GräfinZahl : it wan't his first chat, so he probably expected it

Manolo : I have never had the chance to see party wagon!

Deep-Voice06 : Sadly..

Cool : So, in the past two hours, we got over 10 new members, like 10 new posts on the message boards, ALOT of hits in a short period of time, and at the highest 33 chaters at once

DarthRoden : **and Stephen, you did a great job given all the chaos**

iluvrnld : Qfe.

Deep-Voice06 : Yeah, that was good

ioxmo : he isn't mad. have you read the other chats?

ioxmo : exact same stuff

Sketchpad73 : An miles to go befor he sleeps,and miles to go before he sleeps

Deep-Voice06 : yeah

Cool : Before everyone leaves, check out the message baord and Kim's comic

SeraphimKiss : Manolo-- Oh man! If you happened to live near me, I'd let you borrow my tape, but what are the odds?

Sketchpad73 : I shall!

iluvrnld : I'm checking it out now.

Cool : You really captured it alright! Brillance!

DarthRoden : **Im a big fan of your drawings, you are an awesome artist**

Cool : So many people used the "Arnold turns 10 birthday" set up

Sketchpad73 : I'd love to see your work!

Deep-Voice06 : Yeah, your a great artist

unluckystunt : it was originally going to be sadder, arnold thinking of his parents and feeling like he's growing old without them

unluckystunt : but i wanted there to be more humor in it

Cool : Kim, remember you said you had some WIP artworks - we wanna see them!

SeraphimKiss : Could we assign different pages to different people to edit, maybe?

Jennerz8 : Currently 77 in mine, Stephen

iluvArnld : Yeah , we need more people.

unluckystunt : i think green and purple? or orange... i can't remember the school flag's colors

Cool : The Roast of William Shatner is on at 10pm!

Deep-Voice06 : Usually
unluckystunt : seraphimkiss i like your fan art! it's really cute
SeraphimKiss : *We could collaborate on another fan project like "The Patakis" (those episodes were great!)*
iluvArnld : Yeah they were. :0
DarthRoden : **yeah we could**
iluvArnld : is the site still up?
Manolo : We only need to set a day and maybe some topics, and then we could use more the
"Cocoa Hut"
Deep-Voice06 : That's a good idea
Sketchpad73 : here, here
GräfinZahl : yes, sounds good
SeraphimKiss : *Oh, thanks! ^_^ I might do the final draft tonight*
ioxmo : Someone want to draw my patakis episodes?
Cool : Yes, Kitchener-Waterloo celebrates it for about a week. People come from
EVERYWHERE, even from the US, to celebrate it. One great thing about my town - a HUGE
local celebration.
Cool : And I'm German in background, so win-win
Deep-Voice06 : I wish I could help with drawing, but my drawings terrible!
GräfinZahl : i've never been to the oktoberfest...
iluvArnld : Mine too. :XD
Sketchpad73 : I could do a few drawings, if given time
‣ rustyrickert has left the conversation.
Cool : Beer, sausage, sourkarut, hats, hat pins, leaferhozen
iluvArnld : I'd give a few sketches
Cool : Of course, to everyone here in the US, you may think I'm all off my rocker
Greenorbs2 : **if I still lived in MI, I'd come join you**

Deep-Voice06 : I drew Helga in Arnold's arms once tho, turned out great
Cool : "Roll out the barrel roll out the barrel of fun..."
unluckystunt : pulaski day seems to be bigger around here right now
Deep-Voice06 : But I'm mostly only good with copying drawing, sucks.
Cool : wtf is pulaski day?
Deep-Voice06 : Yeah, what is that?
iluvArnld : Yeah,
ioxmo : there's a pulaski bank...
Sketchpad73 : What is that movie that takes place during oktoberfest?
GräfinZahl : something Polish?
unluckystunt : it's a polish heritage day
unluckystunt : i'm not too familiar with it
iluvArnld : Ah. o_o
elphie_7 : haha, I can imagine people in GR being into that

GräfinZahl : since 1997
heliza_pataki
Cool : Just playing around. Ask me more...
GräfinZahl : who's your favorite character?
Deep-Voice06 : (thinks)

Cool : Arnold in seasons 1-3
ioxmo : <http://www.fanfiction.net/s/3013840/1/> my shameless plug

iluvArnld : With some lost members. :XD
SeraphimKiss : *Yes, we're like a family*
Manolo : My favorite character is Brainy, because he sees Helga as she really is!
Sketchpad73 : Why is Gerald so into Jewish traditions? Is he Jewish himself?
unluckystunt : who's your favorite extremely minor character... mine is pet shop girl
iluvArnld : I feel sorta isolated or something from being out of the loop for so long. [/offnote]
SeraphimKiss : *The Danny Phantom fans make me realize how close the HA! fandom is--they actually have fan wars*
Cool : Go reply to the "getting to know you" thread
iluvArnld : Fan Wars?
ioxmo : I'm 21
Deep-Voice06 : I'm 19
SeraphimKiss : *"Anti-fans" vs. "True-fans" or some such nonsense*
Sketchpad73 : 37 here
Cool : Ummmmmmmm...damn, can't remember any

unluckystunt : 24
DarthRoden : **wow sketchpad, God Bless you**

unluckystunt : and maybe eugene, lol
Deep-Voice06 : I was 9, probably watching cartoon at this time
iluvArnld : Aww<3

iluvArnld : How long ago did you open this site?
Jennerz8 : Oh and I was Helga 10 years ago too.

Cool : Right now, with ALL my HA! files - I'm sitting at 9, 486 files, 157 folders, taking up 1.09GB

Sketchpad73 : That's quite a lot

Cool : HAHA

iluvArnld : 0.0

elphie_7 : well, technically we also know that Mr. & Mrs. Berman are Jewish too

GräfinZahl : not bad

SeraphimKiss : me neither!!!

DarthRoden : lol same here

iluvArnld : Me either. @_@

elphie_7 : and Gerald interrupting

elphie_7 : I love Gerald

SeraphimKiss : Not that it's the first time that image has been burned into my mind, but this is different

iluvArnld : "xcuse me wtf r u doin"

Deep-Voice06 : Me either! I'm happy he told us, but kind of sad

Cool : Too this day, I still have no seen a perfect kissing portait of Arnold and Helga.

Manolo : Why are you sad, Deep Voice?

ioxmo : I shall make one cool

ioxmo : some day

Sketchpad73 : Ten I'll have to remedy tht

Sketchpad73 : thatr

iluvArnld : Make your own Steph?

Cool : I know a kissing fanart is hard to do, but when done right, it can really capture a mood

ioxmo : Or maybe I can get an online buddy of mine, a professional animator, to draw one for me

Deep-Voice06 : I mean, since Craig told us and the movies not out... well, I guess it's good in away. Makes us more dedicated to save the series

unluckystunt : yeah, i imagine it'd be difficult to pull off

iluvArnld : I could ask my friend Emmy too, but I don't think she's even around anymore.

Sketchpad73 : Sure i could do that
unluckystunt : lol, new fan art contest
Deep-Voice06 : Hey Hurricos
unluckystunt : best kiss!
Hurricos : damn brother wouldn't get off the comp.
SeraphimKiss : *We should write our own versions and compare to see how different/similar they are*
Cool : Something with...passion, yet sweet - like a first kiss.
Deep-Voice06 : That would be so cool
iluvrnld : Yeah.
iluvrnld : Contest or something. @w@
iluvrnld : When would be the deadline?
Deep-Voice06 : I'd like to do that
Sketchpad73 : Yes!
SeraphimKiss : *But not an awkward, kiddy first kiss*
Cool : You can really make pictures sing Charles, you have a great talent. Lighting, coloring, everything.
Sketchpad73 : It's all about body language
Sketchpad73 : Why thank you
Deep-Voice06 : Definately not, especially with the way Helga kisses (lol)
SeraphimKiss : *Seriously!*
iluvrnld : Frisky.
unluckystunt : yeah, i love the cards you drew
DarthRoden : **no kidding**
Hurricos : Lol
ioxmo : Well, I always imagined helga forcing him to feel her up while they kiss
Cool : Yes, that as well. From someone who can draw out or a paper bag, you amaze me.
You can draw anything
Hurricos : O_o
Deep-Voice06 : lol
DarthRoden : **lol**

Deep-Voice06 : Saturday, at night, around this time

Sketchpad73 : Nicole, the one who did The Pataakis web site?
DarthRoden : hey Stephen, when you get this chat ready let us know where you post it

ioxmo : hopefully most will stay at the forum
iluvArnld : Yeah,
Hurricos : Darn I really hoped to see a flash or something..
Deep-Voice06 : I'm making a Hey Arnold site, for those who are interested

Sketchpad73 : We're always interested
ioxmo : which sucks :/
Deep-Voice06 : a new one, I know it's kind of late
iluvArnld : I want to bring my old forum back since it's long dead, but meh
Deep-Voice06 : I'll be called 'The Future of Arnold and Helga'
Cool : Out of 500 members, maybe only 50 are regualrs, maybe even 10 check here ALL the time?

SeraphimKiss : *Anymore Helga/Gerald? ^_~*
Cool : There's so much fanfic I could quit my job and take the next 10-15 years of my life to go through and read them all, weed out the bad ones, etc
Hurricos : speaking of fics Darth when are you uploading more Broken Locket chaps.?
DarthRoden : **well its cool, just do your best with replies**
Sketchpad73 : Here's a question to pick overid you ever think that the mini-series Fooly Cooly was so similar to HA! in the dynamic of Haruko and Naota that you could put Arnold and Helga in their places and it would work just as well?
Deep-Voice06 : I will, thanks
GräfinZahl : yes, more broken locket chapters please
DarthRoden : **soon, I have seven chapters to go on it and the next chapter is halfway there**

elphie_7 : then 99 more A/H drabbles for another challege

ioxmo : do you see "chat room options" right below where you type text?
elphie_7 : still, I like 'em
ioxmo : click on that
Hurricos : 99 0_0?!! I thinl I love you... lol
ioxmo : then uncheck the box that says "dont display any messages with URL" and click done

DarthRoden : **lol in what way?**
Deep-Voice06 : Oh I see, thanks. I fixed it
ioxmo : for a while
ioxmo :
Deep-Voice06 : Hmm, I hope she does

DarthRoden : **Helga has a short fuse, and the class will be after blood**

Deep-Voice06 : Helga's definitely the best to me, close to Arnold tho

iluvArnld : "hey why is there ketchup on the ground? eating in class? oh food fight look, its all over the students"

Hurricos : You mean she'll be after their blood right?

iluvArnld : Nah, that's stinky.

Deep-Voice06 : lol!

SeraphimKiss : Hah!

Deep-Voice06 : That was good

Hurricos : ...wow

Sketchpad73 : Hmm,how does one make vampirism a hobby,I wonder?

iluvArnld : Fascination with blood

SeraphimKiss : He's psychic AND a vampire. That kid's weird.

DarthRoden : **I mean that she will try and be nice for Arnold's sake, but Rhonda, Harold, Sid and the others all take advantage of her change of attitude and even start picking on Arnold too**

iluvArnld : He's a bold kid.

Deep-Voice06 : He is most definitely

Hurricos : So Stinky gets off on blood... why does that sound so familiar?

Deep-Voice06 : Poor Arnold...(sigh) Poor Helga.

Cool : i dunno what we are ever talking about

Sketchpad73 : Just Blue-skying,here

iluvArnld : Yeah.

Manolo : I think Helga will not be able to change her attitude, even for Arnold...

iluvArnld : If she likes him as much as she does I think she will.

iluvArnld : It's gonna be rly hard though. 0o;;

Hurricos : If I was in Helga's shoes I'd probably jump one of them mf-ers after school when Arnold isn't around

DarthRoden : **For Broken Locket, I am attempting to follow one of the advices from one of Fran's interviews**

Deep-Voice06 : I don't think she will

iluvArnld : Me too.

Hurricos : but that's just me xD

Manolo : What advice, Darth Roden?

DarthRoden : **lol me too**

Deep-Voice06 : What did the interview advise consist of?

Cool : I think I've asked Craig about three times now about TJM and if, IF - we the fans would ever get answers. It seems in every chat, interview or e-mail, he has kept us fans in a circle.

Sketchpad73 : She shouldn't. There's an old saying that goes, "We like who we like for their virtues and we love who we love for their faults"

SeraphimKiss : I want her to remain the same Helga, but with a void filled (by Arnold) ^_^

Cool : Only he - one man, can unlock all our questions. I mean, what happens if Craig were to suddenly have an accident for something? Or get in ill health? We'd never know.

Hurricos : I'd probably for them at their house with a baseball bat too...

DarthRoden : **well Manolo, in one interview with Fran, she was asked if Arnold and Helga would get together. She responded that they would make a cute couple and she would like it, but only if Arnold can accept Helga for everything that she is....**

Sketchpad73 : That's only fair

‣ unLuckystunt has joined the conversation.

Cool : There has to be a reason Craig is holding back and tip-toeing. Maybe he loves hanging us on? Its sorta not fair

Deep-Voice06 : Good point, I think I know what might happen

DarthRoden : **it means that its easy for him to love the person who writes poems and shows her tender side, but he also needs to love the girl who is tough and ready to bring out Old Betsy**

SeraphimKiss : You could tell he was getting bored with Lila in "Love and Cheese," so he'd like Helga's... crazy... side

Deep-Voice06 : I think he does

Deep-Voice06 : lol

iluvArnold : Probably.

DarthRoden : **me too**

Manolo : The problem is that Helga is the tender side, and the rough side

DarthRoden : **exactly!**

Sketchpad73 : Who doesn't love a bit fire in someone

iluvArnold : He does, but he doesn't know it yet.

Manolo : and one side supports the other side

SeraphimKiss : **Exactly**

Cool : Honeslty Craig, when will the day come you give up the asnwers? 3-5, 10 years? Until HA! is completey forgotten? Then its too late!

GräfinZahl : @stephen: i guess it's definitely copyright reasons

Deep-Voice06 : I wonder what would happen when they get older

DarthRoden : **Anrold needs to love both because they are the two parts of the same person**

Deep-Voice06 : It's never too late, I think.

DarthRoden : **if he only loves one half and is afraid of the other...then its not really love is it?**

Cool : If he were to just give out some info here and there it would'nt hust. Nick doesn't give a shit about HA! anymore anyway. Its a lost cause to them

Sketchpad73 : nope

Deep-Voice06 : A BIG lose, that's for sure

iluvArnold : Yup.

SeraphimKiss : **If only we could have another HA! book, or SOMETHing...**

Deep-Voice06 : HA was popular!, still is

iluvArnold : What if they air it somewhere else though?

Deep-Voice06 : That would be nice

GräfinZahl : but they still own it and could sue him for that. and he definitely wouldn't like that.

Manolo : Well DarthRoden, I think the real problem is that Helga still refuses to let Arnold know her

Deep-Voice06 : Espacially one of the jungle movie

Hurricos : Arnold likes em fiesty! 0_0 where did that come from?

Cool : WHat will to take for Craig to tell us? A near death experaicne or seomthing? I know i sound exteme, but I'm a diehard fan of this show and I want to know.

DarthRoden : **well in the story they got closer when they had their date and Arnold got glimpses, and he wants to, but she has to let him inside**

Deep-Voice06 : Hmmm, (thinks about Helga and Arnold as a couple at 15 lol) Fiety, lol

‣ Blonde_Cecile has left the conversation.

Sketchpad73 : Why can it be like Family Guy.Fox abandoned it and when CN picked it up,the show went like gangbusters

GräfinZahl : well, raise some money and buy the rights from nick

Manolo : And Cool, harsh as it sounds, Nick is an enterprise, and they do whatever they see right to make money

Cool : And Futurama as well

SeraphimKiss : I'm terrified of dying not knowing what happens in TJM.
I've actually been afraid of that for years.

Sketchpad73 : true

iluvArnld : Yeah.

Deep-Voice06 : Which really sucks

unluckystunt : buy nickelodeon and turn it into the hey arnold channell

DarthRoden : same

unluckystunt : it's SO EASY

unluckystunt : ... except not

Deep-Voice06 : yeah

Cool : HA! is labelled as a kids cartoon, and thats sorta going against it.

Hurricos : I'd might just do that (raise money to buy from nick). This is gonna take a lot of scheming though...

unluckystunt : yes

Manolo : As a matter of fact DarthRoden, I think that you're right

SeraphimKiss : It's so much more than that in actuality, though

DarthRoden : you do?

iluvArnld : Why not air it on Cartoon Network? Or get -

Manolo : In the movie, Arnold let's Helga out of her confession

Cool : People will automatically think its crap just cause the shows target range is 9-13 year olds. Its a diamond in the roguh man, a diamond we all here have dug up and discovered, and we a re pround to display it

Deep-Voice06 : "Helga, I know you love me, don't play these games"

GräfinZahl : cause cn probably isn't willing to buy the licenses

Manolo : because he knows that she needs a little time to search for courage to tell him the truth

Sketchpad73 : What if we showed NICK how much we love the show by showing them our fan-based works a little at a time.show them that we still think of the show and would appreciate it if Nick could work on bringing it back?

iluvArnld : hm @_@;

Hurricos : LOL

Deep-Voice06 : We could try it

iluvArnld : We could get like, another Boomerang or something.

iluvArnld : or ^

Hurricos : Deep Voice you funneh xD

Deep-Voice06 : Huh? Why?

Deep-Voice06 : oh that : "Helga, I know you love me, don't play these games"

DarthRoden : and she will ahve that courage someday

Manolo : Well, here at Mexico, Nick Latin America still shows Hey Arnold 5 days per week

Cool : For the earliest people here, this has become an 8-10 hour plus chat

Hurricos : yup

SeraphimKiss : The Danny Phantom fans rallied to un-cancel DP outside Nick headquarters in NYC. If I lived up there, I'd rally for HA!

Sketchpad73 : We all would

Deep-Voice06 : lol, I try to be. You'll see that in my future Fanfics... lol, thanx

Hurricos : true that

Manolo : Of course she will have... I hope that is the part Brainy helps her in "The Jungle movie"

Hurricos : u welcome

DarthRoden : **remember what Craig said, write to nick and be good in what you put in there, you catch more flies with honey than vinegar**

Sketchpad73 : Amen

Deep-Voice06 : Most definately

Hurricos : preachin to the choir Darth

iluvrnld : I thought they ignored it anyway?

Manolo : And after all, Nick at least give us more than 100 episodes of HA!

Sketchpad73 : Diplomacy is never a waste of time

Deep-Voice06 : They ought to look at all the websites and videos out here that have to do with HA

DarthRoden : **even if they show isnt brought back, at least we can get the DVDs and possibly the Jungle Book in novel form or even a nickflick**

Hurricos : they did?

Manolo : They were awesome!

unluckystunt : i dont' think they ignore it, but a lot of it prob. depends on volume

unluckystunt : if enough fans write, it gets noticed

SeraphimKiss : They gave HA! a good run, but what ticks me off is that they made Craig make "The Journal," then refused to make TJM

Deep-Voice06 : YEAH!

Deep-Voice06 : I HATE that, that's so wrong

unluckystunt : they may notice the youtube eps being watched a lot as well

Manolo : I would love to see a Nick Flick... I hope that HA! still can resurface for the fan base

Hurricos : Those bastards!

SeraphimKiss : I mean, you can't make someone make a prequel that they didn't want to in the first place, then say, "No movie for you!"

Manolo : Kind of what happened with "He Man"

Deep-Voice06 : The Youtubes are soo cute!

Sketchpad73 : really?

‣ Kagomesashi has joined the conversation.

unluckystunt : or that website where you vote for a series to go on dvd

DarthRoden : **hey if the fans of Firefly can get "Serenity" made, anything is possible**

Kagomesashi : I am here again!

Deep-Voice06 : Yeah, that's really unfair

Kagomesashi : yey!

iluvrnld : Welcome back.

iluvrnld : as eyah it is. D:

Deep-Voice06 : wb

Sketchpad73 : Good point Darth

unluckystunt : if we can get it on dvd, and it sells really well, that says a lot about the show's future potential

Kagomesashi : what do I miss?

Manolo : Hi Kagome! I'm Alberto (Brainyfan)

Deep-Voice06 : and I heard something happen with Kim Possible having another season too

Kagomesashi : hi alberto!

Sketchpad73 : it's true

Deep-Voice06 : Don't know exactly what tho

SeraphimKiss : Yeah! KP's back

DarthRoden : **I hope so also, I want to see a season after the movie**

Cool : http://www.youtube.com/watch?v=a79_lguXAD8 So, finally after four years of waiting I get to see this add

Deep-Voice06 : Yeah, even if they have all new actors to play the voices

SeraphimKiss : Victory over Disney's 60-ep-limit rule! w00t!

Hurricos : I love that commercial lol

unluckystunt : yeah i finally got to see phoebe's little problem and grandpa's packard
unluckystunt : and the first half of harold vs. patty
Cool : Love it! I see Alex is voicing Arind in it. Notice, the kids look like teenagers man! This ad really makes the movie sound good, but of course, we all know what happened there.
Kagomesashi : ppl. What are we talking about?
Kagomesashi : hehehe I just arrived to the chat
Deep-Voice06 : Did Arnold wink, that is soo cool, thank you!
Deep-Voice06 : "Hey! Who said you could touch me!" lol!
DarthRoden : **lo9l**
Deep-Voice06 : Thats a good commercial
Hurricos : yeah it's a bit dissapionting isn't it? (refers to cool's post)
elphie_7 : me too
elphie_7 : youtube is love
Cool : Honeslty folks, that movie wad flawed and the plot rushed. It wasn't the best movie, it really should have stayed a NickFlick - thats all it was meant to be in terams of animation, sound and overall story and quality
iluvArnld : Yeah it should've.
unluckystunt : yeah it belonged more on tv
Deep-Voice06 : Yeah, I believe so too
elphie_7 : I still can't find Eugene, Eugene
iluvArnld : That was Nick's mistake.
SeraphimKiss : **Yep**
Cool : Being in Canada, i never got to see that ad. Its got some good animtion in it, but the Youtube quality sucks
iluvArnld : It should be on other websites somewhere.
iluvArnld : Or Google Videos, possible.
Deep-Voice06 : I miss that commercial
iluvArnld : y*
elphie_7 : I remember watching the KCA because I heard there would be a bid commercial-deal
unluckystunt : is it on arnold's eyes?
Hurricos : <-- (to deep voices's post) "I did, Helga!" Lol
unluckystunt : i thought that was where the youtubers were getting their stuff
elphie_7 : no, it's one of the few not there
iluvArnld : idk oo
Cool : Who is candyapple 28? I wanna conact here, but Youtube sucks cause they don't offer a place where I user and post an e-mail address. Could someone with an account get her to mail me>
‣ sugarxandxspice99 has joined the conversation.
Deep-Voice06 : me too! I was waiting for that think, so excited!
Deep-Voice06 : Hey
iluvArnld : I'll go on youtube, I'm there right now.
DarthRoden : **where is everyone here from anyhow?**
unluckystunt : michigan
elphie_7 : boring ol' MI
elphie_7 : haha
iluvArnld : California, as you remember. xp
DarthRoden : **lol yeah**
SeraphimKiss : **South Carolina (BOO!), though I've moved several times**
‣ sugarxandxspice99 has left the conversation.
GräfinZahl : germany
Kagomesashi : Ecuador
DarthRoden : **Im from South Carolina also**

Deep-Voice06 : (Laughs at Hurricos post)
Hurricos : Brooklyn yeah!
unluckystunt : moved here from florida, will eventually move to cali
SeraphimKiss : I know--I found out recently and thought, "I could've seen
Darth Roden at Wal*Mart before!" haha
elphie_7 : plan to move after school
Deep-Voice06 : My best friend lives in SC, it's really nice there, beautiful, lots of land
elphie_7 : maybe abroad
DarthRoden : **where in SC?**
Kagomesashi : south carolina?
Deep-Voice06 : Blythwood
SeraphimKiss : **Spartanburg**
iluvArnld : yeah
DarthRoden : **I live in Chester, about 30 miles south of Charlotte**
Hurricos : *laughs at seraphim's post*
 > sugarxandxspice99 has joined the conversation.
SeraphimKiss : **Small world ^_^**
Deep-Voice06 : I wish I lived in SC, or even NC, it's too loud hear in Maryland
DarthRoden : **not quite out in the country, but then again not in the city either**
unluckystunt : i grew up in NC, it's pretty nice
Deep-Voice06 : Don't get me wrong, MD's ok
elphie_7 : I'm in the freaking BFE up here
unluckystunt : bfe?
Kagomesashi : I'm in Ecuador where everything is hot
elphie_7 : butt-"effing" Egypt
Cool : I just noticed how Helga has a real femian (spelling?) in the movie ad. When i first saw
pictures of that ad, i thought they were teens
Deep-Voice06 : What part of NC, I was thinking of moving to Ashville when I'm finished with
College
unluckystunt : ohh haha
Cool : I mean femiane body
SeraphimKiss : **Wow, that's awesome**
Sketchpad73 : you live in Egypt,wow!
Deep-Voice06 : I never thought of that, lol!
Lord_Malachite : I'll be entertaining for awhile everyone, but I'm staying logged in. I'd love to
talk with anyone who is still here in an hour or two.
unluckystunt : fayetteville
Lord_Malachite : Also, feel free to contact me by AIM or e-mail anytime.
DarthRoden : **Asheville is a lovely town, though a bit too big for my liking. I like open
places**
elphie_7 : haha, not quite
Hurricos : Yeah but nowadays in nyc you get jumpy if a stranger starts a conversation with
you unexpectedly..
unluckystunt : fort bragg actually
 > sugarxandxspice99 has left the conversation.
unluckystunt : my dad was in the military
 > sugarxandxspice99 has joined the conversation.
Sketchpad73 : What will your KND story be about LM?
Kagomesashi : someone can tell me what happened?
Deep-Voice06 : Big, wow, I thought ashville was a small town
Deep-Voice06 : Well, I heard it had alot of land but I guess I was wrong
DarthRoden : **compared to where i live, it is lol**
Hurricos : Egypt?! Damn!

Deep-Voice06 : lol
Hurricos : She does look like she has boobs lol
heliza_pataki : **HELGA**
Deep-Voice06 : Hmm, wonder what arnold was thinking
Sketchpad73 : Black is very slimming and sexy
Kagomesashi Yeah helga looks
elphie_7 : I don't live in Egypt, it's an expression
Kagomesashi : ...oops
Deep-Voice06 : j/k guys
elphie_7 : meaning the middle of nowhere
SeraphimKiss : **feels dumb**

Lord_Malachite : I've got to drift out again, my best friend is here. But to answer your question Sketchpad--

Manolo : Hi Nftnat!
unluckystunt : hey nftnat
Cool : Nftnat, you missed it!
Lord_Malachite : The story is about a malevolent entity which invades Kuki Sanban, and 1, 2, 4, 5, 86, and 362 go through hell to stop her from ripping apart the KND and adults alike.
GräfinZahl : hi
Nftnat : Hello, y'all.
Sketchpad73 : wow,that
DarthRoden : **I really dont want to leave for a while, I am having more fun here than I have had in a while...being around so many fans and shareing insights is too great an honor**
Hurricos : <---(to deep voice's post) Arnold:'Don't look at her boobs, don't look at her boobs...!'
Nftnat : This is the first time I've been here that anyone else was.
Sketchpad73 : wow that's pretty deep,LM
unluckystunt : yeah it's always been empty before
Deep-Voice06 : lol!
SeraphimKiss : *Nftnat, have you/are you going to finish The Brainy Saga?*
Nftnat : Yes I am.
DarthRoden : **good**
SeraphimKiss : *w00t!*
Cool : That's why we should make a monhty chat
Deep-Voice06 : Yes!
Nftnat : I'm hoping to get the new installments up a little more often than one a year.
Deep-Voice06 : Love the slow relationship developing between the two in that FF
SeraphimKiss : *I'm neglectful of writing, too >_<*
Nftnat : A chat about Monty? Monty Hall? Monty Python?
Nftnat : Appreciate it.
Cool : I wish Willy D would finish "what is and what will never be" I mailed him back in May after a long absnese, and now hes gone away and hasnt replied yet
DarthRoden : **oh and good news for everyone here who has been following my story "House on Wylie's Wharf" only three more chapters to go and I intend to finish it before Halloween no matter what**
Deep-Voice06 : Yeah
Deep-Voice06 : That's great!

Hurricos : No. I really mean I'll sic Helga on him lol
iluvArnld : No pressure ? >__>
DarthRoden : **lol**
Deep-Voice06 : lol, uh oh
Manolo : Nftnat, I asked for your address in the forum, but I don't know if you get my mail
Cool : I just checked my e-mail, got a mail from Jim Lang - who didn't make it tonight
Hurricos : Like I said: "It better, Bucko!"
DarthRoden : **dont worry, all of you have my solemn vow...I DarthRoden, vow never to leave a fanfic unfinished no matter what**
Cool : This is what he had to say, copied from the mail"
elphie_7 : cool, er, Cool
Cool : So sorry, I didn't know the msn chat thing is PC only. Can that be? That's what it looks like from the msn page.
DarthRoden : **unless my death, God forbid**
Cool : Got lotsa computers here. All Macs...So I guess I missed it. Hope I'm not just a dope and this is really an aim style chat or something.Anyhow, Happy Birthday Arnold! ..

Hurricos : Yeah, 'god forbid' I show up waiting outside your house with a baseball bat if you don't finish! lol

unluckystunt : aw, that's cool of him

DarthRoden : **I mean it too, I just hate home some writers made great fanfics but stopped just short of finishing them and disappear**

Cool : So, that;s the e-mail. Damn Macs

unluckystunt : msn is discriminatory toward macs

GräfinZahl : msn is just too restricted

Cool : I wonder of they knew they have to have chat software installed

Hurricos : maybe mac has been making too many faces at msn

Cool : Oh - okay, tell me before I go to the fridge

unluckystunt : 9:30

Deep-Voice06 : I lost track, I think around 9:30

hannah_kraft1 : what time is it now?

Manolo : What about if you can invite Jim Lang to another chat in the near future?

hannah_kraft1 : Did fran and the others come?

unluckystunt : nope

unluckystunt : it's 11:05 now

hannah_kraft1 : thats too bad

Cool : Good idea, I'll ask him. Perhaps if he can get on a PC he could participate

Hurricos : I wonder what it'll be like hanging around with Helga? Hmmm....*imagination goes haywire*

unluckystunt : yeah, ask if he'd like to try another chat

Cool : OKAY, I need FOOD.

Deep-Voice06 : she's really nice

SeraphimKiss : *I love her swooning sigh*

Deep-Voice06 : Hmm (Thinks about food) That sounds good

hannah_kraft1 : lol yeah the onlything i had to eat today was a grilled cheese sandwich at 11:00 am this morning

Deep-Voice06 : But I don't feel like getting up

elphie_7 : yeah, I gotta go to work in an hour

Manolo : Dear Hurricos, just ask Phoebe, it would be like "get me something" and "come with me now" all the time!

Hurricos : Then go get it Cool!

iluvrnld : What happened?

SeraphimKiss : I had Chinese a few hours ago, so I'm starving again...

iluvrnld : Yeah, its not as filling as you'd think it'd be.

hannah_kraft1 : yeah i just had ravioli

Deep-Voice06 : That sound good too, I think, I've never had chinese

iluvrnld : I haven't had anything since breakfast. :XD

hannah_kraft1 : lol!!

Manolo : Ravioli... hmmmmmm (as Homer Simpson would say)

SeraphimKiss : WHOAH.... NEVER had Chinese?

iluvrnld : I thought it was be- oh.

SeraphimKiss : You need to

iluvrnld : None around thar?

Deep-Voice06 : I ate a cheese steak today that was grilled with grilled onion rings and it was SOOO good

hannah_kraft1 : Its the kind that comes in a can and has the chef on it

Deep-Voice06 : Not that I can remember

unluckystunt : today i had, um... hot dogs. not a very nutritious day

hannah_kraft1 : lol

unluckystunt : and beer

hannah_kraft1 : hotdogs are always good

ioxmo : i return

hannah_kraft1 : beer....eh

Hurricos : Actually Manolo I was thinking that if I ever got into a fight she'd be the first to back me up. "Cause she's my homey! My main home-gurl!

ioxmo : with with peppercorn chips and jack daniels

DarthRoden : **you know, tell me if Im wrong, but didn't Craigs idea for that story we was working on sound alot like what happened in "Spirited Away?"**

Nftnat : *catching up*

hannah_kraft1 : We should all do this more often

Nftnat : Well, now I'm wondering if you got my e-mail, Arturo.

unluckystunt : i agree

hannah_kraft1 : its nice to chat with you guys

SeraphimKiss : The Lower Pixieland one? What are we talking about now?

Nftnat : I'm sorry, I think I got the name wrong.

DarthRoden : **yeah that one**

iluvrnld : I'm confused too.

Hurricos : Pixieland?

ioxmo : my aim is hikinikicu if anyone would like to add me

DarthRoden : **and yes we should all get together often, maybe make it a weakly thing or so**

iluvrnld : What's Pixieland?

Nftnat : I wonder if they have a jazz band.

SeraphimKiss : Sounds awesome--I'm a fantasy/faery freak, so I can't wait for it

unluckystunt : possibly.. it sounds like he's lampooning a lot of fantasy works though

Nftnat : The place where powdered sugar comes from.

iluvrnld : Oic,

Manolo : Well Hurricos, I have no doubt about that... but Helga is very abusive of her only friend, Phoebe, and she knows it...

Hurricos : Why do I all of a sudden have a craving for cotton candy? 0_0

iluvrnld : It doesn't seem like she minds it often.

hannah_kraft1 : Darth ive been trying to get a hold of you. Maybe a while ago i was. I cant remeber what i was gonna say though

hannah_kraft1 : ^_^

iluvrnld : As no idea, I've been wanting it too for a few minutes. o0;

DarthRoden : **lol its okay Hannah, and its good to see you too**

Nftnat : Well, of course he is. About what?

SeraphimKiss : **Haha**

Manolo : if I was going to another dimension or something like that... I would be very surprised

Hurricos : not really Manolo, I mean if something were to happen to Pheeb, Helga probably go ballistic.

Manolo : I would not act like the kids of "Narnia..." and get to be the hero of the tale...

Nftnat : If I went to another dimension, I think it'd mean I'd have passed on.

hannah_kraft1 : Hey I hope you guys have fun chatting with each other, but I have to call my bf, talk to ya later!

ioxmo : remember when the 6th graders took advantage of phoebe?

SeraphimKiss : **Aaaw, yeah**

Manolo : I would be scared of a talking lion!

DarthRoden : **ohbyeah**

ioxmo : and how it ended with helga listing several things she needed to get revenge for her

Nftnat : Connie and Maria. That was covered in Chapter 8, I think.

Deep-Voice06 : I would have loved to see what Helga and Phoebe did to them afterwards

Deep-Voice06 : lol

SeraphimKiss : **I loooooove it when Helga's love for Phoebe shows**

DarthRoden : **lol me too**

Nftnat : They were scared of Aslan.

iluvrnld : yeah

iluvrnld : it's cute. c:

Manolo : Chapter 8? Do you mean "Arnold's e-files", Ntfnat?

SeraphimKiss : **It it's adorable when Gerald pulls through for Arnold, too**

DarthRoden : **I used the events of Phoebe Skips and the ending for the bases of my fanfic "Falsely Accused"**

Nftnat : As Mr. Beaver said, "Safe? Who said anything about safe? Of course he's not safe, but he's good."

Hurricos : If I saw Aslan I'd probably be all like "Jesus Christ! It's alion! Get in teh car!!!" lol

Nftnat : No, in TBS.

Cool : That reminds me - Nancy, did you evr PDF the rest of those chapter books?

iluvrnld : XDDD

iluvrnld : I probably would too, Hurricos.

unluckystunt : discount lion safari!

iluvrnld : Or, "Jesus Christ! It's a car! Get in the lion!"

DarthRoden : **honestly a talking lion...C.S. Lewis must have been a Gryffindor**

Nftnat : And Aslan would say, "I know I'm a lion and yo're not really in any danger from me."

Manolo : Excuse me Ntfnat, What is "TBS"?

Nftnat : Well, the Gryphon is one of the emblems of England.

Nftnat : The Brainy Saga.

elphie_7 : ooh, I love that one

Nftnat : I don't mean Ted Turner's superstation.

Manolo : Ahhhh yes, of course!
GräfinZahl : not yet, haven't had the time. the arnold for president book arrived, though. so, this is gonna be the next one i'll type.
Cool : Cool
unluckystunt : i can't find my arnold chapter books, it's driving me nuts
 ▸ sugarxandxspice99 has left the conversation.
Kagomesashi : well people I am going
Nftnat : Nftnat
Manolo : good bye Kagome!
DarthRoden : **ttyl Kagonesashi**
elphie_7 : bye!
iluvrnld : I never found them at Barns N Noble.
Nftnat : Aren't we all.
unluckystunt : goodnight
Nftnat : Kagome!
Nftnat : InuYasha!
GräfinZahl : bye
Kagomesashi : bye !!!!!

iluvrnld : Night. XD
Kagomesashi : yep
Nftnat : It's right there.
DarthRoden : **"Inuyasha...SIT"**
Kagomesashi : hahahaha only kgs
Hurricos : *To Nftnat's post* " Oh really? Don't try to trick me Lion, I watch the Discovery channel!"
iluvrnld : Mind if I just call you Kago?
Kagomesashi : yes no prob
Kagomesashi : hehehe
iluvrnld : kcool<3 xD
Nftnat : Since when do you see a lion talking with a human voice?
Manolo : Well, I found all the Arnold's books series (except "Valentine..." at Amazon 2 years ago!
iluvrnld : Kids movies.
Deep-Voice06 : Hey, any one want to see my 10th anniversary dedication to HA!
Kagomesashi : only that in my country "kago" means go to bathroom heheheh
Nftnat : I mean on the Discovery Channel!
Kagomesashi : But I dont care
iluvrnld : Oh idk. o_o
unluckystunt : sure
Nftnat : Hmm, makes me wonder what Rumiko-san was thinking.
Kagomesashi : hahahhahaha
Kagomesashi : me too
Kagomesashi : well g2g
DarthRoden : **nite then**
Deep-Voice06 : good night
 ▸ sugarxandxspice99 has joined the conversation.
Kagomesashi : I had to leave the computer and use mine (a mac)
Kagomesashi :
Hurricos : ttfn Kago!
Kagomesashi : bye!
unluckystunt : so macs work here/

iluvArnld : G'night!

Manolo : bye!

DarthRoden : **bye**

▸ Kagomesashi has left the conversation.

unluckystunt : goodnight

unluckystunt : darn, missed it

iluvArnld : But so close.

Hurricos : lol xD

DarthRoden : **man this has been one long ride**

Nftnat : In Tiny Toons fan fiction, there's a collection of song parodies, including I Use a Mac by Elmyra, based on the Lumberjack song from Monty Python.

SeraphimKiss : *Fun, though*

Deep-Voice06 : I posted my first Youtube video. Please review and tell me how it is

SeraphimKiss : *I'm in such a good mood right now*

DarthRoden : **absolutely fun**

Deep-Voice06 : It's sooo funny!! (lol!)

GräfinZahl : hey, flank! still awake?

Deep-Voice06 : <http://www.youtube.com/watch?v=pxrNImTSC8c>

Nftnat : "I use a Mac and i'm okay. I surf all night and I sleep all day."

Hurricos : what's it called deep?

Hurricos : oh

Deep-Voice06 : It's called The Future of Arnold and Helga

GräfinZahl : @Nftnat: lol

Nftnat : ooooooooooooo-eeeeeeeeeee-ooooooooooooo!!!!!!!!!!!!!!

Cool : Nancy, isn't it like 5am on your end now? You must be so tired, you've been here all day and night

iluvArnld : Yeah really. o.o

Hurricos : *Looks at Nftnat weirdly* Are you pretending to be Yoko or something?

▸ unluckystunt has left the conversation.

Nftnat : No, I just thought some weird sound effects were called for, like in some cheesy 3-D sci-fi movie er sum junk.

Cool : Did Kim leave and not saying goodbye?

GräfinZahl : @Cool: ah, it's okay, I'm kinda used to it

iluvArnld : Probably had something happen

Nftnat : I dunno. This is my first time here when it wasn't empty, and I dunno who's who yet.

iluvArnld : And be back guys, food<3

Cool : I'll have to start type a reply to you Nancy. I got another huge list of people to get back to e-mail wise.

GräfinZahl : yeah, she's been logging on and off quite often tonight

Manolo : maybe a problem with her computer...

iluvArnld : probably.

GräfinZahl : i'm looking forward to it

Nftnat : Manolo is Alfredo, I know that (I think, it does start with an 'A', I know that).

Hurricos : We need a topic: What band/singer do you guys think the gang likes?

Nftnat : And the guy with the sketch pad is our host.

iluvArnld : I like listening to anything, pretty broad.

iluvArnld : k now leaving. >>;

Nftnat : Dino Spumoni, of course.

iluvArnld : OOPS

▸ unluckystunt has joined the conversation.

iluvArnld : Yeah, with what's his face

iluvArnld : Ronnie Mathews.

Nftnat : Well, Gerald's a Pop Rocks fan, or whoever that guy with his own show is.

Cool : Kim, your computer having problems?
Nftnat : Not any more!
Nftnat : !
SeraphimKiss : Frank Sinatra (at least Arnold would)
unluckystunt : yeah
Manolo : As a matter of fact Nftnat, I'm Alberto
DarthRoden : **Well everyone, as much as I hate to do so, I am afraid I have to go before I completely fall asleep at the desk**
Hurricos : Alfredo? Lol, no it's Alfonso. You just called him an Italian dish. *snickers*
unluckystunt : goodnight darth!
Nftnat : Alberto, right, I'm feeling like Bob Pataki here.
iluvArnld : gnight again<3
Manolo : The name of the guy is "Pop Daddy"
Nftnat : Well, at least I didn't call him Al Dente.
SeraphimKiss : TTFN, Darth!
Nftnat : Yeah, that's him.
GräfinZahl : good night, darth
Deep-Voice06 : bye DarthRoden
elphie_7 : cute video, Deep Voice
DarthRoden : **goodnight all**
elphie_7 : so many Sheena ass-slaps
Cool : Bye Darth
Hurricos : Besides that fossil Nft.
Deep-Voice06 : Thank you
Nftnat : Say what?!?
SeraphimKiss : Heh.....
elphie_7 : bye
Manolo : bye Darth
DarthRoden : **bye all, and thanks again Stephen.**
Nftnat : I'm a fossil? I'm 33, is that the oldest here?
Cool : Thanks for coming out
Hurricos : See ya Darthy! *snickers*
Manolo : Well, I'm 32
SeraphimKiss : That's not old
ioxmo : someone is 37, I think
Deep-Voice06 : Yeah, that's still young
DarthRoden : **my pleasure and it does my heart good to see that our beloved footballhead still has many loyal fans**
ioxmo : You're not old until you're 80
DarthRoden : **amen ioxmo**
SeraphimKiss : HA! fans are kids at heart, am I right? ^_^
Hurricos : Sorry Nft I wasn't talking about you, I meant Dino.
Nftnat : I'd better go, I should've been off at 10.
ioxmo : Yeah, I was kind of worried we were almost dead
ioxmo : yes
Nftnat : I know I am.
DarthRoden : **never lose faith**
Manolo : Arnold never did!
DarthRoden : **we are still strong though small in numbers**
DarthRoden : **for now**
Deep-Voice06 : You got that right!
ioxmo : Parappa the Rapper never gave up either
Nftnat : Good night everybody.

ioxmo : night
Cool : bye nft
GräfinZahl : nite
Deep-Voice06 : Good night Nftnat
DarthRoden : **nite nftnat**
unluckystunt : goodnight
SeraphimKiss : 'Night!
ioxmo : I think i'll start making another flash dressup game tonight
Manolo : night!
ioxmo : since that's all i know how to do in flash...
Hurricos : Oh I love PaRappa! "Kick punch! It's all in the mind.."
DarthRoden : **Well goodnight to all of you, hope to see all of you again someday soon...and May the Force Always Be With You All!**
ioxmo : I love parappa, too
Hurricos : Night Nft!
Deep-Voice06 : You too, G'night
 ▸ Nftnat has left the conversation.
ioxmo : I think I'll make one for Olga...
SeraphimKiss : 'Nightie
 ▸ DarthRoden has left the conversation.
Manolo : I would see the Olga flash dress up!
Deep-Voice06 : That sounds cool
Hurricos : May the force be with you Anakin- I mean Darth!
ioxmo : I plan on making one for Nadine and Arnold, too.
ioxmo : Not sure about anyone else
Deep-Voice06 : I should really try to make a Hey Arnold game.
Manolo : Why not one about Curly?
Hurricos : Yes Please Ixi! Do one for the boys too,
Deep-Voice06 : I'm a Multimedia Tech Major
Manolo : With his bull fighter dress?
GräfinZahl : hey stephen, did you check out the 6 new sprites I uploaded?
Cool : Whoops - I'll do that now
SeraphimKiss : Just curious--has HA! inspired anyone else to get a career in animation, write comics, etc.?
Hurricos : I think Megawacky Max was making one but quit after awhile because of comp. problems with the newer Windows versions
Deep-Voice06 : Definitely me!
unluckystunt : i was in an artistic slump for the past few years and getting into HA! again inspired me to get back into drawing
GräfinZahl : because of computer problems?
Hurricos : Me too!
Deep-Voice06 : I'm a Multimedia Technology major and I'm an Audetory learner. Talk about Difficult.
ioxmo : I've always wanted to write novels for a living
Deep-Voice06 : I'm having such a hard time with 3D Max. It really sucks
ioxmo : HA inspired me to do some fanfic and get in the practice of writing
Cool : Cool - Helga and Gerald sprites! Right on! Nice work.
Manolo : Krossfire has said that he wants to be an animator because of HA in his fics!
Deep-Voice06 : I'm interested in writing too... but I don't know
Hurricos : The newer windows wasn't DOS freindly which was how Max worked on his games.
elphie_7 : yeah, I've started writing more
unluckystunt : i'm not so sure about my career anymore but i think craig and HA! remind me of a time when i knew i could do a career in art

ioxmo : I want to make a flash HA beat-em-up game
SeraphimKiss : I started wanting to be a cartoonist around the time I started obsessing over Arnold, and now I'm dead set on at least publishing some comics sometime before I die
ioxmo : like Final Fight, Streets of Rage, etc
ioxmo : but make it corny like the simpsons's beat-em-up arcade game
Deep-Voice06 : lol, can't wait to see it
unluckystunt : even if i can't work in animation i'd like to do some comics or something
Hurricos : Oooh! Spot on Grafín!
SeraphimKiss : You should
Deep-Voice06 : That sounds nice, publishing comics.
Deep-Voice06 : for both of you
Cool : Anyone check out the latest 100x100 icons at the LJ community? Those are pretty sweet.
unluckystunt : right now i'm an office monkey, but they want me to design a website for them
unluckystunt : so at least that's design work
unluckystunt : the ones by gemkazoni? those are great
Deep-Voice06 : Thats cool
Hurricos : I Tronkan-Trok made pics. of a HA fight game called 'Fight 118!'.
unluckystunt : i like the pwned one, lol
SeraphimKiss : They rock so hard
SeraphimKiss : The "sexual tension" one KILLS me
unluckystunt : yes!
SeraphimKiss : That dance scene IS like sex
ioxmo : what icons are these of?
elphie_7 : gemkazoni makes awesome icons
ioxmo : I'm going to be a Chemist, btw... not quite anything with art
Hurricos : I like the sexual tension one. Mrowr!
unluckystunt : cool
Cool : Oh yes, those AFD/sex icons are great - glad some else saw that :)
Deep-Voice06 : That's nice
elphie_7 : AFD is teh sex
unluckystunt : yeah i have a difficult time with animated icons, there must be a program out there that makes it easier
SeraphimKiss : How could you miss it?~_^
ioxmo : afd?
elphie_7 : April Fool's Day
Deep-Voice06 : Yeah! Look at my video!
ioxmo : oh
ioxmo : duh
ioxmo : link to these icons/
Deep-Voice06 : <http://www.youtube.com/watch?v=pxrNImTSC8c>
Deep-Voice06 : lol!
Hurricos : They were obviously flirting with each other kinda like how Mr & Mrs. Smith was when they were dancing.
unluckystunt : yeha
elphie_7 : "Don't worry my poor ::blind:: friend ... you're in good hands."
SeraphimKiss : Arnold has a Helga side to him, after all
unluckystunt : http://community.livejournal.com/hey_arnold/34123.html
Deep-Voice06 : I can't believe he said that
SeraphimKiss : He looks HOT when he says that, BTW
Deep-Voice06 : Hmm (again thinks about Arnold and Helga at 15)
Deep-Voice06 : What will Helga's influence do to him?

Deep-Voice06 : lol!

SeraphimKiss : He always looks hot with his hair hanging down like that--
like when he's hanging from a rope in the movie

Deep-Voice06 : Don't remind me

Hurricos : I would've tried to put the moves on Arnold if he ever said that to me (Sorry
Helga!)

Deep-Voice06 : Heh, me too (I'm a girl btw)

SeraphimKiss : I don't know why I find a taco shaped head so appealing,
but man... Arnold...

Deep-Voice06 : He's hot, let's just admit it.

ioxmo : I don't think he is.

SeraphimKiss : Yep.

Deep-Voice06 : Too bad he's 9

Deep-Voice06 : and not real (sigh)

Hurricos : (thinking to self) Probably would've kissed him too...*licks lips hungrily* LOL!

SeraphimKiss : Then you're the only sane one here, ioxmo

ioxmo : but Im a guy

ioxmo : lol

Manolo : Same me!

SeraphimKiss : Oh, hah

Deep-Voice06 : lol!

elphie_7 : how many guys are here anyway?

unluckystunt : he's a cutie, i dunno about hot... i think helga's cute too, so i always feel a
disconnect when someone says helga is ugly

Hurricos : So what if your a guy? There are guys out there that probably thinks so too!

SeraphimKiss : She is NOT ugly

unluckystunt : even though she's supposed to be, i guess

elphie_7 : I think she's more awkward than ugly, persay

unluckystunt : but she is awesome and i love her

unluckystunt : yeah

SeraphimKiss : She'll grow out of it

Deep-Voice06 : Helga's pretty too

ioxmo : well, her hair makes a big difference

unluckystunt : yeah it does

ioxmo : like in valentines day

unluckystunt : she was very cute as cecile

Hurricos : Would it be wrong to fantazie making out with a 9 year old football headed boy?

Deep-Voice06 : Espeacially her hidden self

SeraphimKiss : Any Helga fanboys in here?

Cool : Heh - i had no idea this chat would still be going on now - Craig has probaly gone back
and forth to his dinner. Too bad we doesnt come back for a encore performace. A more
intimate and interactive chat, since there are half the before here.

ioxmo : what's a fanboy, exactly?

Manolo : I love Helga, she is the coolest and deepest character in any cartoon!

Hurricos :

Deep-Voice06 : Hmmm (thinks a sec about that) lol!

Cool : Like a rock star singing autographs after the show, after diehard fans spend hours
outside their tour bus waiting for them to come out and sign something

Deep-Voice06 : Well, I'm 19 so I don't know

unluckystunt : i liked helga's look in dinner for four too

Hurricos : They'd probably label me as a pedophile for thinking it, lol!

SeraphimKiss : Her hair looked nice

SeraphimKiss : But I love it down most

elphie_7 : I liked the Hilda look
ioxmo : I thought about that when i made those dressup games
ioxmo : lol
elphie_7 : the ponytail was good
SeraphimKiss : I liked Hilda
ioxmo : But not explicit is good
Deep-Voice06 : I'm sure lots of people think that way (Not me tho, oh not me!) lol
Deep-Voice06 : j/k
Manolo : I think is very hard to tell if anyone is "cute" or not, because of Craig particular style
Cool : wft - whats with the 9 year old thing flirt stuff?
ioxmo : helga has a ponytail in my patakis saga
Hurricos : Not if imagine hard enough Manolo !
ioxmo : heh, I just remembered when helga stuffed her dress in her makeover
unluckystunt : yeah, a lot of craig's chatacters would look prety freaky as real people
elphie_7 : I think Gerald would be a cutie, if were older and less cartoon-y, of course
Hurricos : Girl talk Cool, girl talk!
SeraphimKiss : Gerald's go-T!
SeraphimKiss : Love it!
Hurricos : Seconded!
Manolo : We know that Ruth is very cute, but when you saw her, she doesn't seem to cute!
elphie_7 : she looked like Stella
ioxmo : ruth had a very....odd shaped chest
Deep-Voice06 : I don't even like the way ruth looks, in my oponion
Hurricos : 'Cause she's a bi-atch. *put on innocent look*
Hurricos : meaning ruth
SeraphimKiss : Droopy boobs! My friend and I have an inside joke about
Ruth's chest
Deep-Voice06 : Especially that attitude of hers, she really reminds me of Lila (No offense!)
unluckystunt : haha
unluckystunt : yeah, not very pretty when you catch her personality
Hurricos : DRoopy Boobies! Lol, that's rich!
SeraphimKiss : They're like, U's
unluckystunt : she likes gum though... maybe she could get with arnie
SeraphimKiss : hahahaha
Hurricos : True that Kim!
Deep-Voice06 : That'd be great. Some one more her taste (lol)
unluckystunt : "do you like my hair?" "sure *snort*"
unluckystunt : lol
elphie_7 : haha
Deep-Voice06 : Honestly, that's stupid of her
Deep-Voice06 : She is so plain
Hurricos : Yeah - Someone with an IQ of a rock!
Deep-Voice06 : "I love bread sticks" "Oh Me too!"
ioxmo : That reminds me...I once watched HA for 5 hours with a friend (yes, we were drunk)
and I noticed that in "married" helga seemed to have a huge chest in her dreams and just
a normal one in arnold's dreams
SeraphimKiss : Love that!
Hurricos : LOL Deep voice!
SeraphimKiss : Haaah
Manolo : Well, after all, It's Helga's dream!
Deep-Voice06 : (innocent look) What?
SeraphimKiss : Youd'd think it'd be the other way around, with Arnold
fantasizing about big-chested Helga

unluckystunt : perhaps once arnold hits puberty the bust sizes in his dreams will grow some more

ioxmo : lol, probably

Cool : LOL

SeraphimKiss : Haha

Deep-Voice06 : We can only hope

Cool : Arnold hitting puberty - what would it do to him??

Manolo : Well not, Arnold was having a nightmare, with an abusive Helga

Manolo : but I love Married because of the two children, Arnold is more romantic

Deep-Voice06 : Bring out that naughty side, we fans hope

Hurricos : Yeah, if Helga wants to have a big chest then let her! Just as long as she doesn't be dancing in the strip clubs, otherwise I'll have to kick her ass.

Deep-Voice06 : j/k

elphie_7 : well, I'm going to work

Deep-Voice06 : lol!

Manolo : Helga's dream was a fantasy, but Arnold's dream was a realistic portrayal of love

Deep-Voice06 : That was good!

elphie_7 : I'll be back in a while, I can get on from there since I don't actually WORK

elphie_7 : later!

Deep-Voice06 : Ttyl elphie

Cool : Good observation

unluckystunt : bye elphi

GräfinZahl : bye

ioxmo : I liked how helga described to her mom what she was going to do "just hang around the house, watch tv, read comics, whatever", pretty much describing what miriam does

unluckystunt : that's true manolo

Manolo : bye

ioxmo : then miriam passed out

SeraphimKiss : TTFN!

ioxmo : to me, that meant helga would be an alcoholic, too

Hurricos : Damn already Elphie?

Cool : I don't think Helga would like to turn out like her parents. She independent

Manolo : Well ioxmo, I don't think so... of all the Pataki family, Helga is the only one you can count for something...

unluckystunt : i could see helga trying to stay the hell away from drinking

elphie_7 : I'll be back in a few, and I'll be around all night since I work 'till 4

Hurricos : That's for sure

Deep-Voice06 : Most definitely

ioxmo : i've got her drinking in my story

Deep-Voice06 : Anything not to be like her biological parents

Cool : Maybe she'd get drunk at a party and try and sleep with Arnold, or go one about the confession.

ioxmo : manly because her drunken sister offers her some and she's kind of depressed

Deep-Voice06 : That sounds interesting

▸ jarelkortan85 has joined the conversation.

Cool : JK - you're WAY late dude!

Manolo : But after all, I can see Olga being alcoholic

jarelkortan85 : hello out there

Deep-Voice06 : Hey Jarel

▸ elphie_7 has left the conversation.

Hurricos : You know cool that sounds like a story I read on FF one time...

Manolo : because Olga doesn't want to live in the real world

jarelkortan85 : I had to work nightshift today

Manolo : Hi Jarel! I love your fics!

jarelkortan85 : thanks

Cool : That sucks - its been a long chat.

Deep-Voice06 : Yeah, I remember it but I forgot what it was called. Arnold brought Helga home with him because she was drunk

Hurricos : Or Olga being a pole dancer. *smiles evilly*

jarelkortan85 : so how's everyone been

Deep-Voice06 : Doing good

unluckystunt : good

SeraphimKiss : *Obsessive* ^ _ ^

ioxmo : when i decided to write that, i went out and bought a bottle of whisky for the first time

Hurricos : Pretty good

Deep-Voice06 : Talkative

GräfinZahl : good^^

ioxmo : and learned that you dont drink 1/2 a bottle of whisky in less than an hour

unluckystunt : damn

Hurricos : Ouch >_<

Cool : I'm wiped after getting up at 6:30am to clean both my car and my mothers car. In total 8 hours a full shift minus an hour, just cleaning two cars. But hey - they are all ready to go for winter

unluckystunt : yeah getting really drunk is no fun

jarelkortan85 : it also depends on if your used to it

ioxmo : that was the first time I drank

ioxmo : lol

Manolo : Oh, the things you do for the art of writing fanfics

unluckystunt : those must be some clean cars

Deep-Voice06 : I've never drank

Deep-Voice06 : oh yeah, I am 19..

Deep-Voice06 : lol

jarelkortan85 : I would just do reserch

ioxmo : I also turned 21 like the day before

Deep-Voice06 : I'm turning 20 on October 21st

ioxmo : My hangover lasted like 3 days

unluckystunt : ouch

jarelkortan85 : dang

Hurricos : Lol, I'll pay you 50 bucks to clean my car lol

Deep-Voice06 : man

Cool : Most I've drunk was on my 21st birthday (but of course in Canada the gae is 19). I had two shots and seven/eight beers. I was pretty buzzed, but not totally gone. I rarely drink. My birthday, Chritmas and special occians are the only times i really drink

Deep-Voice06 : Wow..

Deep-Voice06 : that's alot

ioxmo : the first day i literally didnt get out of bed, because i'd throw up if i moved... the second and third i just felt like i had a bad stomach ache

Hurricos : Daymn!

ioxmo : so i drink in moderation now

Cool : I'm OCD when it comes to car cleaning, I;m a VERY anal perosnal when it comes to car care. My car is always extemeely clean

unluckystunt : yeah i had one horrible drunk night/hangover and don't drink too much since then

jarelkortan85 : hey has anyone seen my music videos

unluckystunt : i usually just have one-two beers

Deep-Voice06 : It's official, I ain't NEVER drinking
SeraphimKiss : I'm 17, so no drinking for me... But I hate beer. I loooooove red wine, though.
Manolo : I love beer, is the only drink I have
Deep-Voice06 : I tasted beer, It taste funny and I don't like it much either
Cool : I only usually have one/two beers when i go somewhere with people cause i know i have to drive, and i only feel safe when I'm behind the wheel
ioxmo : alcohol is pretty gross
unluckystunt : i didn't like beer at first but i got used to the taste, now it's usually what i prefer
Hurricos : Gotta go now ttfn guys! And remember: "Cotton Candy! It looks like joy but tastes like wonderfulness! xD"
ioxmo : but salt, chocolate, gum, etc after a shot helps
jarelkortan85 : cya later then
unluckystunt : bye hurricos
Deep-Voice06 : lol, ttyl Hurricos
SeraphimKiss : Ta ta for now!
Manolo : bye hurricos!
GräfinZahl : bye
ioxmo : I calculated it noce.. I drank about 13.5 shots of Jack Daniels that hour.
Cool : Just like coffee, i hated it. But started to drink it in about grade 10, cause i needed more engergy. Then I quickly learned the differance between good and bad coffee.
Cool : By Hurricos
jarelkortan85 : so when did craig sign off
unluckystunt : around 9:30
Cool : got here around 7:45. Shit, i should tell him its still on!
jarelkortan85 : what time zone are you in
Cool : EST
unluckystunt : i love coffee... the stuff at work isn't very good though
Cool : Tim Hortons baby!
jarelkortan85 : its 9:00 here
unluckystunt : man i wish i had tim hortons around here
unluckystunt : i always stop at one when i'm in detroit
Deep-Voice06 : never drank coffee either
Deep-Voice06 : or smoked
Cool : Not that many in the US. Here, in a 1km radius from my house, like friggin 5 or six. ITS NUTS! Its like they are across the street from one another
jarelkortan85 : might as well, say it, I'm working on a new HA music video
jarelkortan85 : number 4
unluckystunt : yeah i noticed that stephen, none in michigan until i hit the detroit area, then i see one or two, then cross into canada and they're friggin' everywhere
Deep-Voice06 : Cool! Btw, I like your other two. They're cute, especially the end
SeraphimKiss : I'll be on the lookout for it
Manolo : I love those videos! all the fan Art of HA! i love
jarelkortan85 : I have a 3rd out
Cool : Need a good HA! music video song? Bran Van 3000 - Everywhere (1997) and Big Star (Thirhteen) (1972)
Deep-Voice06 : Oh, sorry about that. What's the thrid one?
jarelkortan85 : "Memories"
jarelkortan85 : posted a couple days ago
Deep-Voice06 : I have to watch that
jarelkortan85 : so now I'm on my 4th video
Cool : Where are they posted, what song is that?

jarelkortan85 : youtube.com
jarelkortan85 : I can make them available for download to if anyone wants
Deep-Voice06 : That would be great
Deep-Voice06 : I'll have to start reviewing the HA videos
Cool : I'm watching it right now
Deep-Voice06 : There all so good!
jarelkortan85 : I need to re-uplod Tribute to Helga
jarelkortan85 : then thats it
Cool : How old is this Madonna song? Never heard of it
SeraphimKiss : Deep Voice, your video is almost through loading (I have dial-up connection, so it's taken forever), so I'll be able to watch it in a minute
ioxmo : have you all seen my HA music video?
jarelkortan85 : it was on the soundtrack for A League of Their Own
ioxmo : called "complicated?"
Deep-Voice06 : I'm watching it too
Deep-Voice06 : That's a cool video. Kind-a funny too
jarelkortan85 : my newest one is to the song "Addicted to Love"
Cool : Robert Plamer!
jarelkortan85 : yep
ioxmo : <http://files.filefront.com/hacompliatedwmv/;5376821;;/fileinfo.html> incase you havent
Cool : I like the older choice of songs. I really can't stand HA AMV with current overly poppy music. I'd like to make one to "Never, Nevrrer, Never" from Sherily Bassey (1973). But i sux at Windows Movie maker.
jarelkortan85 : maybe I'll check it out
jarelkortan85 : "Never, Never, Never" is the title
unluckystunt : i don't really listen to newer poppy stuff either, but i liked the "everywhere" vid
Cool : I always have mp3's on hand - give a shout if you need anything, i have a HUGE music library going back 45 years.
unluckystunt : most of the music i listen to wouldn't fit an amv very well though
‣ elphie_7 has joined the conversation.
unluckystunt : welcome back elphi
unluckystunt : e. man i keep missing the e
jarelkortan85 : hey cool what messenger do you have
Deep-Voice06 : Aw man, the end of that video is so sad Jarel
jarelkortan85 : my newest one right?
SeraphimKiss : Deep Voice--I liked the vid ^^
SeraphimKiss : Good song for the AFD dance scene
Cool : I also liked Belinda Carsile's "I Get Weak" (1987) and The Pretenders "Don't Get Me Wrong" (1986) for HA! AMV's
Cool : But of coruse, I million and one songs I could choose from
ioxmo : i'm thinking about making a goofy HA music vid with the song "romatic love"
ioxmo : download that song here: <http://gh.ffshrine.org/soundtracks/544/16>
ioxmo : to see how goofy it is
Cool : Who is the arlist of that song?
ioxmo : it's from parappa the rapper 2
ioxmo : lol
Deep-Voice06 : Yeah, the Memories video is so sad at the end, when Arnold and Helga are looking at that egg
Deep-Voice06 : Thanx SeraphimKiss =)
jarelkortan85 : well the song it self is to
SeraphimKiss : Welcome

GräfinZahl : posting mp3 download links in an msn chat? that's bold!

Cool : Now I'm depressed about my long lost child/teens years. I miss the 90's, and am trapped in the 80's

unluckystunt : lol

jarelkortan85 : sorry

Deep-Voice06 : Romantic Love, that sounds like an interesting Video

Manolo : Everyone is trapped in the past!

unluckystunt : i miss the 90s, but what's done is done

jarelkortan85 : why do you think were here, lol

unluckystunt : i just wish the tv programming were better now

SeraphimKiss : I want to relive my 9-year-old existence

ioxmo : i love the 90s

jarelkortan85 : yeah, the 90's were good

ioxmo : i wish i watched HA since the beginning

ioxmo : or at least before it got canceled

ioxmo : lol

jarelkortan85 : I mostly watched it from the begining

Manolo : Hey ioxmo, I understand you...

unluckystunt : i didn't really like my teenage years but i loved being a hey arnold fan while it was on

SeraphimKiss : I always watched it, but started obsessing when the movie came out and I saw all the episodes

ioxmo : i was 9 in 1994

Manolo : I have watched HA! since 2003, and by that date, the show was already cancelled

unluckystunt : my favorite age i think was 10 and 11

jarelkortan85 : same here

ioxmo : i started last january

jarelkortan85 : I can't remember exactly

Manolo : And have you already seen all the chapters?

Cool : I miss high school, ages 15-18, maybe 19 - prime years of life

GräfinZahl : i started watching it in 1997 but became completely obsessed when i saw school play

SeraphimKiss : I hate high school, but part of me still doesn't want to graduate in May

ioxmo : I miss highschool, too

Cool : When did you see School Play?

ioxmo : I'm still considering being a teacher

GräfinZahl : 2000 i think

jarelkortan85 : I miss high school

unluckystunt : man, i remember entering the contest to be the guest voice in the school play ep

ioxmo : there was a contest?

unluckystunt : yeah

jarelkortan85 : I guess by your name

ioxmo : oh wait, i think i remember

jarelkortan85 : lol

Manolo : A teacher like Mr. Simmons!

ioxmo : hearing baout it

unluckystunt : whoever said the opening part of the play, the story of romeo and juliet

▸ Taylor has left the conversation.

unluckystunt : that was the contest winner

Cool : There was a contest? i never heard of this

Manolo : I remember! there was a contest and the girl who won voiced the girl who presented the play at "School play"

elphie_7 : I'm back

jarelkortan85 : I thoght I remember hearing about that

unluckystunt : i think it's mentioned in don del grande's notes but i'm not sure

SeraphimKiss : It is

ioxmo : Hmm, LM sent me a song that would make a good ha music video for arnold and helga

ioxmo : it's called "The Masochism Tango"

GräfinZahl : didn't it have something to do with kraft noodles?

unluckystunt : yeah, kraft mac n cheese i think

Cool : I need another snack, brb

Manolo : Hey guys, I have a question for all of you!

jarelkortan85 : shoot

ioxmo : hmm

GräfinZahl : k

Manolo : I remember had seen at Internet something about a "game" of HA!

GräfinZahl : what platform

GräfinZahl : ?

Manolo : I don't remember, maybe was a "Card" game

jarelkortan85 : I saw something on the Arnold's Eyes forun

Manolo : and it featured a girl who was Arnold's cousin (not Arnie, a girl)

jarelkortan85 : hmm

Manolo : who was a cheater and very conniving, the complete opposite of Arnold's honesty

ioxmo : never heard that

unluckystunt : i dunno, doesn't ring a bell

Manolo : and that Curly falled in love with her!

jarelkortan85 : interesting

Manolo : no one remembers something like that?

Manolo : It could have been a dream?

Deep-Voice06 : There's the Game boy Game but I don't think your talking about that

ioxmo : I think this is a really cute picture:
<http://img301.imageshack.us/img301/2299/hacqomazppxs6.jpg>

Deep-Voice06 : lol awww

unluckystunt : hehe, cute

Deep-Voice06 : Arnold looks stund

Manolo : Ioxmo, could you post again that link?

Deep-Voice06 : Why should he be, Helga's kissed him, what, three times!

ioxmo : <http://img301.imageshack.us/img301/2299/hacqomazppxs6.jpg>

jarelkortan85 : lol, thtats good

Manolo : Thank you!

ioxmo : Yeah, when a girl keeps kissing you after the director yells "cut" five or six times, I think that's a big clue that she likes you.

Deep-Voice06 : I love that scene

SeraphimKiss : I faved that picture at DA once ^^

unluckystunt : lol, maybe

jarelkortan85 : makes you wonder what he's thinkg

jarelkortan85 : thinking

Deep-Voice06 : he's so dense

jarelkortan85 : lol

SeraphimKiss : Haha

ioxmo : they're at that age where boys dont want girls

ioxmo : but girls want boys

SeraphimKiss : He's 9, give 'im a break
ioxmo : since they're like 5
unluckystunt : and making "mmm" noises when you're trying to resuscitate someone
ioxmo : ya, lol
Deep-Voice06 : Yeah, that was nasty
Manolo : I think Arnold is not dense, it's only that Helga is very good hiding her feelings!
jarelkortan85 : yeah
SeraphimKiss :Sometimes ^^
jarelkortan85 : I like the moments were Arnold starts to like here
jarelkortan85 : her
unluckystunt : yeah, and/or not knowing how to deal with it and choosing to ignore it, or be in a little denial
ioxmo : well, craig said in a previous chat that he'd have them get together for good when they're in their 20s
SeraphimKiss : I love it when he gives her his half-lidded smiles
Cool : the mmmmm noises...
Deep-Voice06 : Yeah, loved where he hugged her in 'Arnold Visits Arnie'
unluckystunt : that was cute
Deep-Voice06 : I think he was more than a little confused when he woke up that morning
SeraphimKiss : Haha, in his teddy PJ's
Deep-Voice06 : He touched his head, like "Huh? What?"
unluckystunt : that's what i liekd about arnold when phillip was voicing him, when he'd say things like "whatever you say helga" and you could tell he knew more was up
Deep-Voice06 : Oh, wait, that was married
Cool : it is technaiically possible to have an all day chat. Like, if i had gotten here like some of the eraly birds 6 hours before, that would be 2pm my time. Now its a staggering 12:30am. Is this the longest HA! chat ever?
elphie_7 : I know, I loved Phillip's voice
Deep-Voice06 : He's like "Whatever you Helga, you're not BSing me"
Deep-Voice06 : j/k
jarelkortan85 : yep
Deep-Voice06 : lol
unluckystunt : yes
jarelkortan85 : that one line though
unluckystunt : probably not the longest one, we were some chat addicts back in the day
unluckystunt : pretty darn long though!
Cool : It's now up to 96 unedited pages of fun
ioxmo : damn
Deep-Voice06 : Yeah, longest I ever stayed for a HA chat
unluckystunt : i wasn't expecting it to last like this, it's a good thing
ioxmo : this is my first
unluckystunt : says there's an interest for future chats
Deep-Voice06 : Course, I've only been to two, different name tho
ioxmo : but im indulging in all the HA goodness
jarelkortan85 : mine too
elphie_7 : it's my first HA chat
jarelkortan85 : lol
Cool : I wish Craig knew to come back - it would be the midnight sessions, and hes three hours behind, so it would only bee 9:30pm for him now
Deep-Voice06 : I really REALLY wish he would come back
jarelkortan85 : oh yeah, he's in california right?
Cool : Yep
Deep-Voice06 : "Wishing, and hoping, and thinking, and praying"...

unluckystunt : too bad franny or joe or the others didn't pop in
elphie_7 : haha, I wondered why he left for dinner at 9:30 ... duh, time difference!
unluckystunt : that'd be a really cool surprise
jarelkortan85 : anyone know roughly where at
unluckystunt : l.a.
Cool : I've been up since 6:30 - I'm dead
jarelkortan85 : ah
elphie_7 : or JAMIL!
jarelkortan85 : I'm 40 miles awhile from LA
Manolo : Well, if Jim and Jamil or Frannie cannot come now, that means that we can invite them another day!
ioxmo : he probably thinks we're not her anymore
Deep-Voice06 : You bet me, I've been up since 9:00
Cool : That was 9:30EST, he left for dinner at 6:30 Pasific
jarelkortan85 : half hour drive with good traffic
SeraphimKiss : *If he came back, it'd be so much more organized*
unluckystunt : he's a busy guy these days, maybe he needs more rest
Deep-Voice06 : Definately
ioxmo : yeah, that sucks
ioxmo : hopefully he retires soon
Deep-Voice06 : I can't believe 15 people are still here, not that I mind
Cool : Yeah. Whats with all the people still logged in?
jarelkortan85 : any idea if he'll do another session
unluckystunt : 6:30am on a saturday? ow
Manolo : I am very glad that Craig has all those projects, he's a talented guy who deserves all the chances
ioxmo : he's a nice guy. im sure he will at some point
ioxmo : yeah, i'm glad he's doing well
Cool : 6:30pm. What are we talking about?
jarelkortan85 : lol
Cool : Is the sun rising over the in Germany yet, Nancy?
Manolo : Hey Cool, do you remember something about an Hey Arnold game...
elphie_7 : he's one of the most involved-with-the-fans tv guy I've ever heard of, that's awesome
ioxmo : he seems like one of us
Manolo : that featured a female cousin of Arnold, who was a cheater and very wild?
ioxmo : except he happened to create it
ioxmo : lol
GräfinZahl : not yet, 30 more minutes i'd say
SeraphimKiss : *Yes, definitely*
Deep-Voice06 : yeah, that true
Manolo : I think I have seen something like that in Internet.
Cool : No, never heard of it
ioxmo : if there was a HA game... what would make it good?
ioxmo : what kind of game
ioxmo : another game, i mean
Lord_Malachite : *And I'm finally back everyone.*
ioxmo : wb!
Manolo : Hi Lord Malachite!
jarelkortan85 : I think an animation studio kinda of game would be cool
Cool : This chat is never ending
Manolo : The never ending chat
elphie_7 : that's awesome

Manolo : Well, I think I must go by now...

jarelkortan85 : they made one for The Simpsons

ioxmo : cya

ioxmo : animation studio game?

jarelkortan85 : cya

unluckystunt : bye manolo!

GräfinZahl : bye

SeraphimKiss : Byyye

Manolo : but I want to ask you something first Cool...

elphie_7 : nice talking to you!

jarelkortan85 : The Simpsons, yeah there was a game like that

Cool : If i go to bed, you guys gotta tell me who was the last to leave and how long this chat really went on for

jarelkortan85 : simpsons sry

Cool : Shoot

Manolo : Do you plan to do another chat soon?

GräfinZahl : there were a lot of simpsons nes games too

elphie_7 : ok

ioxmo : what was the simpsons studio game?

jarelkortan85 : in that game you could take pre-made character animations with some sounds a backgrounds

jarelkortan85 : and make a sort of mini episode

SeraphimKiss : Cooooo1

Cool : I need time to get my files together and start updating the site on a regualr basis again. Maybe in November/December I'll update the site and we will start have regualr monthly chats. Weekly seems too much

jarelkortan85 : I try to look it up , its a bit old

Deep-Voice06 : Cool, cool

Manolo : Yes, I think that monthly chats it's a very good idea

jarelkortan85 : <http://www.bartfan.com/software.htm>

SeraphimKiss : They'll be the highlight of the month for me

elphie_7 : yeah, monthly would be perfect

jarelkortan85 : that should have some info

Manolo : You can invite Frannie or Jamil or Jim Lang for those chats!

unluckystunt : monthly is good

Deep-Voice06 : That would be perfect

GräfinZahl : sounds good

ioxmo : we could maybe play games some time

ioxmo : like quizzes

ioxmo : or sometihng

Lord_Malachite : Monthly chat? I like the idea.

jarelkortan85 : how often is this chat righth now

ioxmo : you

ioxmo : re not on aim lm

Cool : it was never often, this is the first official chat i suppose

unluckystunt : this is the first chat we've had here... well second if you count that test chat in august

jarelkortan85 : ah

GräfinZahl : right, the test chat!

Cool : Ah yes, the secret chat...sorta

Manolo : yes, the test chat

jarelkortan85 : not a secret anymore

jarelkortan85 : lol

unluckystunt : oops

Deep-Voice06 : lol

Manolo : I think a lot of people will come if we have a special guest like Jim Lang or Frannie

Deep-Voice06 : that could happen

jarelkortan85 : that would be cool

Lord_Malachite : If they're interested.

Cool : Where on earth do you find current e-mails for the voice actors?

SeraphimKiss : *That would be wicked awesome*

ioxmo : what would we ask frannie, though

unluckystunt : you'd probably have to ask craig

unluckystunt : i know anndi mcafee's but that's it

Deep-Voice06 : Is she still in touch with Spencer Klein

ioxmo btw, unluckystunt, i was going to say the other d

jarelkortan85 : hey Cool, curious do you have the email for criag

Cool : Yeah, and hes already so busy - I've been waitng since June for a reply to a mail. I know he'll get back to him, I just hope he doesn't forget

ioxmo : btw, unluckystunt i was going to say the other day that i like you picture

Lord_Malachite : *We should be careful about swamping the VAs and such, though.*

unluckystunt : the comic?

jarelkortan85 : I have an email address but it must be out of date or something

ioxmo : that, too

ioxmo : but i mean the real pic

unluckystunt : oh the photo, thanks

Manolo : Well, I only want to thank you Cool, because you're a true Hey Arnold fan, and for all the work that you have always done to help us remember this great cartoon!

jarelkortan85 : cheers

Deep-Voice06 : Yeah, thanks so much!

unluckystunt : yes, hooray for stephen

GräfinZahl : hooray

Lord_Malachite : *No problem Manolo.*

elphie_7 : HUZZAH!

Lord_Malachite : *Get Craig to throw us a party at some swank hotel?*

unluckystunt : pizza party at craig's house

Manolo : I'm sure you will do Cool, your love for HA! will show you the way!

Cool : Arnold Swank!

jarelkortan85 : other fan groups managed to get their show back on there air

Deep-Voice06 : lol

unluckystunt : lol, swank was an old in-joke on the forums
Deep-Voice06 : That could work too
jarelkortan85 : we must try
Deep-Voice06 : maybe
ioxmo : if im ever rich, i'll throw a HA party somewhere and fly everyone in, including craig
and every one that worked on the show for free
Deep-Voice06 : That would be so cool
unluckystunt : sweet
Cool : Time is the enemy here. As with every year that passes, HA! drifts farther and frather
into the past.
jarelkortan85 : It certainly would
Manolo : Well goodbay everyone! Thank you!
ioxmo : oh, and also buy the rights to HA and produce more HA
elphie_7 : bye!
unluckystunt : i'd love to do some sort of meet up thing
Deep-Voice06 : Good bye
GräfinZahl : bye manolo
elphie_7 : that would be fun
unluckystunt : goodnight
Cool : Bye-bai
jarelkortan85 : other shows went longer before beign broght back
ioxmo : as long as we keep it fresh, though, it helps
elphie_7 : like what?
Deep-Voice06 : Hopefully Hey Arnold won't have to wait too much longer
Cool : That chat is now 100 pages. how the f do I edit this?!?
SeraphimKiss : Maaaaaan
jarelkortan85 : lol
Deep-Voice06 : lololol..
Deep-Voice06 : sorry about that
SeraphimKiss : And I wanted to print the whole thing out....
unluckystunt : just edit the parts with craig
elphie_7 : you can probably take out most after Craig left, that'll cut out quite a bit
‣ Manolo has left the conversation.
elphie_7 : oops, I'm an echo
unluckystunt : or just post an unedited chat with craig and let the readers figure it out
ioxmo : with craig it's still like 44 pages
ioxmo : lol
Deep-Voice06 : Wooo... You're gonna need to buy some ink
Deep-Voice06 : lol
elphie_7 : take out all the random stuff fans say
Cool : And i said in the chat "rules" to keep it organzied. Heh, I hsould have known better -
its a chat with Craig friggin Bartlett!
GräfinZahl : change the font size
elphie_7 : like me, I know I babbled
elphie_7 : haha
unluckystunt : haha yeah stephen, you'd have to be a pretty hard dictator to keep this chat in
line
Deep-Voice06 : I didn't blab till after the chat
Lord_Malachite : Too many people in one place, that's all.
elphie_7 : I blabbed, oops
ioxmo : a caht on irc would work much better
Cool : Font size is Tahoma 10.
ioxmo : *chat

SeraphimKiss : I tried to keep pretty quiet to make it less chaotic
elphie_7 : there was quite a few people here
ioxmo : because you can control who can speak
Lord_Malachite : This was a chat session with Craig Bartlett, not a private conversation with him.
Deep-Voice06 : That can do it to us
Deep-Voice06 : lol
Cool : Okay, i need to set my VCR, brush mah tee. I'm not gone ey though, BRB

SeraphimKiss : Sentacnes? ^^
Lord_Malachite : The night is young!
unluckystunt : i'm gettign tired as well, but not 'time for bed' tired
Deep-Voice06 : Same here
GräfinZahl : right, it's early in the morning!
Deep-Voice06 : I'm a night owl
jarelkortan85 : not tired tired, just tired
jarelkortan85 : lol
SeraphimKiss : Not tired, but my dad will make me get out of his room any time now so he can go to bed
Lord_Malachite : Same here. The night was made for the internet.
unluckystunt : haha yes
GräfinZahl : lol
ioxmo : i thought you were djust drunk cool
ioxmo : lol
Deep-Voice06 : Hopefully the person I'm living with will fall asleep and forget I'm in here chatting
Deep-Voice06 : lol
Deep-Voice06 : This is the longest I'd ever talked
jarelkortan85 : how long is that
SeraphimKiss : My phone record is almost 24 hours
Deep-Voice06 : Um.. (Checks time) almost 5 hours straight
unluckystunt : that's... prety long!
jarelkortan85 : ah
elphie_7 : I'm a night owl too
Deep-Voice06 : I'm naturally very VERY shy
unluckystunt : mine is probalby just two ro three hours, but i'm not a big talker
Deep-Voice06 : Trying to get out of it
unluckystunt : same here deep voice
SeraphimKiss : Well, my friend moved a few years ago, so to compensate we talk aaalll the time
jarelkortan85 : I've chatted for maybe 3 close to 4 hours
elphie_7 : I talk too much, I do believe
jarelkortan85 : but that was with 1 person
elphie_7 : I'm not completely shy, unless it's a guy I take a shinin' too

unluckystunt : heh
Lord_Malachite : If it weren't for IMing people all night, I'd probably go to bed a lot earlier.
SeraphimKiss : Aaaaaw
elphie_7 : *to, ugh, I hate grammatical errors
jarelkortan85 : yeah
Lord_Malachite : And probably spend more time writing fanfiction too. *sigh*
jarelkortan85 : I try to avoid grammar errors when I can, rofl
elphie_7 : I spend too much time staring blankly at my computer screen trying to write fanfic
SeraphimKiss : Me too!
elphie_7 : inspiration is a sneaky little devil
Deep-Voice06 : lol, writers block, don't you hate it?
jarelkortan85 : fme too
jarelkortan85 : dang it
SeraphimKiss : I haven't updated a fic since February because of it
jarelkortan85 : I hate writers block
unluckystunt : i stay up too long reading online discussions or watching the daily show or something
elphie_7 : that's why I'm doing the drabble challenge right now, simple, short, and prompt-induced
unluckystunt : then wake up at 6:30 and drink a lot of coffee
Lord_Malachite : Sometimes you have to force yourself to write.
SeraphimKiss : I should try that
elphie_7 : yeah, I watch movies late at night too
jarelkortan85 : I really need to update the "The Photograph"
Lord_Malachite : Even if it isn't good. You don't have to release it.
elphie_7 : and do homework, since God knows I don't start it before 10 pm any given night
Lord_Malachite : But it helps you to break past the block and get back in the zone.
jarelkortan85 : anyone here read "The Photograph"
SeraphimKiss : Hah, same here, and then I go to bed like, 2 hours before school
elphie_7 : I made the mistake of releasing one once, it was awful, but I got good criticism & fixed it
elphie_7 : still wasn't completely satisfied, but oh well, I got past some blockage
Deep-Voice06 : It's good. Funny how all that story developed from a photograph of Arnold and Helga
jarelkortan85 : yeah
unluckystunt : i've read very few fanfics unfortunately. i did read all of 'instant gratification' so far though. good stuff
jarelkortan85 : how far have you gto Deep Voice
jarelkortan85 : got*
unluckystunt : i'd like to read more but it's hard to find the time
elphie_7 : ditto
SeraphimKiss : Did anyone else read Chudney's fics at FF.net?
SeraphimKiss : My fave HA! fics
elphie_7 : did she do the PB parody?
elphie_7 : he/she, I dunno
SeraphimKiss : yes!
elphie_7 : I LOVED it, PB is my fav. movie, but it's unfinished and makes me sad
SeraphimKiss : Well, there were 2 parodies---she did the one where Harold was Haroldink
jarelkortan85 : whats PB?
Deep-Voice06 : Man, do I need to start reviewing more. I've read all the way up to where Blake took Helga and Arnold's hurt in bed.

SeraphimKiss : Princess Bride

jarelkortan85 : oh way to go give some of the story away, lol

Lord_Malachite : There are some great fanfics out there, IMO. The fandom is well represented by a great many quality authors.

Deep-Voice06 : And let me tell you, that chapter was one of the most intense I've read in Fanfic history. The way Arnold was listening in on the phone to Blake

Deep-Voice06 : Oop... I'm sorry! lol

jarelkortan85 : rofl

elphie_7 : I've only read Chudney's

ioxmo : im going to update mine soon

jarelkortan85 : well I'm not giving any details, but another story out there will be much more intense than mine

▸ heliza_pataki has joined the conversation.

Deep-Voice06 : Hey

Lord_Malachite : Another story?

SeraphimKiss : Did you read "Green Eyes" or "Ain't That a Kick in the Head"?

unluckystunt : they're such great characters to write about, i can see why HA attracts great fic writers

elphie_7 : yeah, they're good too

jarelkortan85 : I do like workign with HA characters

Lord_Malachite : Sometimes you can mix them well with characters from other series as well.

jarelkortan85 : They have a lot of depth and potential

Cool : so - if i ever hold another chat I know #1 - hold it earlier, m cause its now past 1am here! and two, I should asked Craig to stop ny later on to see if he wanted to 'hang out' with the people still chattin

Lord_Malachite : I know that Jarel's done it.

Lord_Malachite : As have I.

elphie_7 : Poison Ivory, Heidi Pataki, & Pyrus Japonica are my absolute favorites

Deep-Voice06 : lol, true Cool

elphie_7 : yeah Cool

jarelkortan85 : oh yeah

GräfinZahl : good idea

SeraphimKiss : I like staying up late ^^

elphie_7 : me too

ioxmo : I plan on doing a crossover with a teenage helga and her family moving into daria's world some day

SeraphimKiss : Cool!

GräfinZahl : sun is rising here... *yawns*

elphie_7 : oh, love Daria

Cool : I really, really thought I could outlast the lot of you, but I really have to get it bed. I'd lave the computer on to capture the rest of the chat, but i don't wanna run it any longer than i have to.

jarelkortan85 : hey deep voice, did you notice the character James Kortan in my story

SeraphimKiss : Helga and Daria--cool pair

unluckystunt : helga, daria and jane in the same room = a tidal wave of biting sarcasm

jarelkortan85 : lol

jarelkortan85 : gotta love sarcasm

Lord_Malachite : The sarcasm might reach fatal levels.

SeraphimKiss : And tortured artists' souls

ioxmo : night cool

Deep-Voice06 : To tell you the truth I don't remember. What Chapters?

elphie_7 : I miss Daria, I've been watching them on youtube lately

unluckystunt : goodnight stephen

GräfinZahl : good night stephen

SeraphimKiss : 'Nightie night

Deep-Voice06 : good night

ioxmo : helga would be kind of a deviant teen i think, though

elphie_7 : night!

Lord_Malachite : You're really leaving, Stephen?

Cool : Perhaps someone can save this part of the chat for me, from the time I quit to the time this thing finally ends? Whoever is that last person to leave, tell me when you did so i can post it on the homepage when it ended

jarelkortan85 : well James Kortan is a character from another story of mine

Lord_Malachite : We'll miss ya.

ioxmo : like spraypainting 'school sucks' on a school bus

Cool : Anyone wanna save the rest of it for me?

Lord_Malachite : Story of my life, when I can start spending time, everyone else has to go.

Lord_Malachite : How do you log a chat in MSN?

Deep-Voice06 : oh, then no. I try to keep up with things on FF.net but I might have missed it. What story?

Lord_Malachite : I've never used MSN before for chatting.

ioxmo : i know some guy in Austraila that loves daria, too

jarelkortan85 : I know how you fdeel malachite

ioxmo : sent me all the uncut episodes on dvd for free once

Deep-Voice06 : This is my first time using MSN too

Cool : When I wake up at 10am, I'm checking this chatroom asap to see what crazy poeple are still here, lol!

elphie_7 : haha

Deep-Voice06 : Lol.. That's a good idea.

unluckystunt : lol

Deep-Voice06 : I think I will too

Deep-Voice06 : lol

Cool : The 24 Hour 10TH ANNIVERSAY HA! CHAT

unluckystunt : everyone will come in to check, then we'll end up having a sunday morning chat

elphie_7 : 10 years ... wow

SeraphimKiss : Haha

Deep-Voice06 : That's good I don't work tomorrow

ioxmo : it's worth it

ioxmo : go all out with 10th anni

Lord_Malachite : I might be able to log on in the afternoon...

jarelkortan85 : hey, I'd like to make an anouncement

Lord_Malachite : What's that?

Deep-Voice06 : yes?

unluckystunt : get out of your house

unluckystunt : ?

Deep-Voice06 : lol!!

jarelkortan85 : I'm workign on a big project, some may know about

elphie_7 : I'll be around tomarrow too

Deep-Voice06 : (waits impatiently)

jarelkortan85 : its called "Hey Arnold, High School Days"

Cool : I just don't wanna eun the computer anymore than i have to. After all my HD truobles, I don't want anymore. But hey, my one buddys computer have been running straight on for the past 7 years as its his network computer

Lord_Malachite : I don't think a night will hurt it Stephen.

jarelkortan85 : its a 4 season, 20 episode series going from their 1st year to 4th year in high school

unluckystunt : i turn mine off every night, but then it heats up pretty badly

Deep-Voice06 : Is that gonna be like a series when the gangs in High school?

Lord_Malachite : Some would argue that turning it off too frequently is bad for the drive.

Cool : I need to sleep, e-mails won't write themselves. But I don't wanna leave, still 15 poeple online!

Deep-Voice06 : oh

elphie_7 : I turn mine off too

Lord_Malachite : Stephen, why don't you stay for 20 minutes?

Lord_Malachite : Leave at a nice, round time. The half hour.

jarelkortan85 : if anyone has an idea for an episode, please send me an email with it

Lord_Malachite : I will try to think up some ideas Jarel.

▸ hannah_kraft1 has joined the conversation.

jarelkortan85 : My mind is being stretch thin tryign to come up with episode ideas

Deep-Voice06 : Me too

hannah_kraft1 : HOLY CRAP!!!

Lord_Malachite : But I have 3 fanfics going now for 3 different fandoms.

unluckystunt : lol hannah's back

unluckystunt : the chat will not die

hannah_kraft1 : you people need to sleep sometime

Lord_Malachite : I'm afraid to take on more!

Deep-Voice06 : Hey Hannah

Lord_Malachite : Fah.

Lord_Malachite : Sleep is for sissy types.

hannah_kraft1 : lol

Deep-Voice06 : Yeah we're still here

unluckystunt : i'll sleep when i'm dead

jarelkortan85 : hey hannah

Deep-Voice06 : lol

jarelkortan85 : hannah

jarelkortan85 : sry

hannah_kraft1 : hey

SeraphimKiss : HA! is better than sleep

Cool : I've been up since 6:30am man! If I end up waking up at 12pm the next day, I feel like the day is already over and i wasted the morning by just sleeping.

Lord_Malachite : When else are we all going to be in the same place again at the same time?

elphie_7 : I'll be on until at least 4, I work until then

Deep-Voice06 : WAY better

hannah_kraft1 : Woh 16 people

Lord_Malachite : Yeah, but this is a special occasion Stephen.

unluckystunt : half of them aren't talking tho

jarelkortan85 : well send ideas to jayd2k3@yahoo.com

Deep-Voice06 : good point, Lord Malachite

Lord_Malachite : It's not like you're just staying up for no reason whatsoever.

Cool : I have computer shit to work on. The sooner i get more crap out of the way, the sooner i can work on this site again full time

Lord_Malachite : Or just to watch a movie or something.

Cool : f's up my sleep

unluckystunt : we're protesting sleep for the anniversary

Deep-Voice06 : Yeah

hannah_kraft1 : lol

hannah_kraft1 : okies

Lord_Malachite : You can go to sleep if you like.
elphie_7 : NO SLEEP!
Lord_Malachite : You'll just hate yourself in the morning.
hannah_kraft1 : hey i didnt say anything
jarelkortan85 : I think I'll try to start full work on High School Days when "The Photograph" is finished
Lord_Malachite : *plays "Insomnia" by Faithless*
hannah_kraft1 : i already hate myself heh
SeraphimKiss : This is the 3rd time I've deprived myself of sleep for HA!, I think
Cool : I can't, my sister and mom are telling me to go to bed - they can't sleep with my constant hitting on the leybaord keys and TV and light on.
Deep-Voice06 : BTW, thank you for putting those HA episodes up for all of us Hannah
hannah_kraft1 : ill probably watch episodes tonight
elphie_7 : ok, good night then
hannah_kraft1 : Yeah no problem
unluckystunt : yeah thanks for the eps
hannah_kraft1 : It was my dream ^_^
elphie_7 : yeah, thanks hannah!
Cool : Okay, I'll leave the computer on. Until then, this is Stephen Pace officially saying...
jarelkortan85 : yeah, thanks a million
Cool : GOODNIGHT!
elphie_7 : night!
unluckystunt : night!
elphie_7 : haha
SeraphimKiss : "Niight!
Deep-Voice06 : goodnight
hannah_kraft1 : by by
Lord_Malachite : Later days.
jarelkortan85 : night
GräfinZahl : night
Cool : 1:15am - later days indeed.
‣ You have been marked as being away.
hannah_kraft1 : lol in this room it smells like dog piss
SeraphimKiss : Aaaw, he's gone...
jarelkortan85 : lol
Deep-Voice06 : huh? lol
hannah_kraft1 : My mom shampoos it like very day its weird
GräfinZahl : ??
unluckystunt : the hammer is gone
hannah_kraft1 : my moms office
ioxmo : for anyone who knows daria, how do you think helga would deal with the fashion club?
Lord_Malachite : He's gone. Now we can all talk about him.
elphie_7 : omg, Dominos brownie bits are Heaven!
hannah_kraft1 : lol!!!
jarelkortan85 : lol
‣ You are no longer marked as being away.
Lord_Malachite : Talk about how awesome he was to get the chat together, I mean.
Cool : LM - i read that :)
elphie_7 : back so soon?
‣ You have been marked as being away.
SeraphimKiss : She'd give them one minute before she put Ol' Betsy to use

jarelkortan85 : rofl
hannah_kraft1 : lol
ioxmo : lol
unluckystunt : haha
Deep-Voice06 : She wouldn't get in it, and then she would for the money and flatter the judges
GräfinZahl : loool
Lord_Malachite : Ha! I knew you couldn't tear yourself away, Stephen.
hannah_kraft1 : who's gonna be the last one in here?
SeraphimKiss : Well, she was the "It "Girl," so they might admire her...
Deep-Voice06 : ME!
Deep-Voice06 : j/k
Lord_Malachite : Probably not me. I can stay a few more hours, but I do have to get up for church tomorrow.
hannah_kraft1 : lol
Lord_Malachite : But hey, if I get tired, Sundays are for napping.
Lord_Malachite : It just means I won't get any writing done--again.
jarelkortan85 : yep
Deep-Voice06 : Most definitely
Lord_Malachite : Or even any progress made on Fatal Frame III.
hannah_kraft1 : I already took a napper today
Deep-Voice06 : oh well
Deep-Voice06 : need your sleep

This is where I finally turned off my computer monitor and went to bed at 1:17amEST, October 8. The following is what happened during my time away as I slept for the next nine hours.

‣ sugarxandxspice99 has left the conversation.
jarelkortan85 : I have a sort of mental block right now on Photograph
hannah_kraft1 : whats up in the story?
jarelkortan85 : I managed to get a few paragraphs but thats it so far
‣ GräfinZahl has left the conversation.

hannah_kraft1 : lol that was weird
ioxmo : but a little too much booze
ioxmo : plush i like being here
ioxmo : lol
elphie_7 : nice
jarelkortan85 : what were you askign before hannah
Lord_Malachite : I haven't spent any quality time with any of my stories lately except for Operation: M.O.T.H.E.R.
hannah_kraft1 : um like why are you blocked in the story?
GräfinZahl : since the sun is rising already i guess i'll go and take a nap. see ya
jarelkortan85 : oh, I'm stuck mainly cause I like tohave Arnold do something in tht story but he can't
SeraphimKiss : Bye
elphie_7 : bye!

jarelkortan85 : and those of you who read it , know why
jarelkortan85 : cya
hannah_kraft1 : whats wit harnold?
unluckystunt : bye graf
hannah_kraft1 : lol arnold
hannah_kraft1 : bye bye
jarelkortan85 : you'd have to read the story
 ▸ GräfinZahl is away.
jarelkortan85 : I don't want to give any of the story away
hannah_kraft1 : if i read one chapter will i understand it?
jarelkortan85 : this is in int 40's
jarelkortan85 : like chapter 40 something, I'd have to check
hannah_kraft1 : hmm ok
SeraphimKiss : Wow... That's an epic fic
jarelkortan85 : your should see dathroden's fics
elphie_7 : yeah, I haven't read that one yet
hannah_kraft1 : yeah they are well written
SeraphimKiss : I've read some
elphie_7 : I gotta get a day where I can just start reading and really get into it
jarelkortan85 : he has a few epic scall stories
jarelkortan85 : scale
hannah_kraft1 : just pick a weekend to read only fanfics
Lord_Malachite : Even then, you couldn't read all the "epic" fics out there.
Lord_Malachite : There are tons.
elphie_7 : exactly, it's finding the right weekend that's the problem
Lord_Malachite : And most all of them are good.
hannah_kraft1 : all the epic fics or just the HA ones?
Deep-Voice06 : You know, I reread the end and you're right Jarel, that's hard
elphie_7 : yeah, usually if I'm drawn in in the first couple chapters, I quit
jarelkortan85 : has anyone read his story "Hey Arnold! Episode I: Big Bob Strikes Back!"
Deep-Voice06 : What WILL Arnold do is the question
hannah_kraft1 : no
jarelkortan85 : thats a good one
SeraphimKiss : No, but heard of it
hannah_kraft1 : lol some one tell me whats wrong with arnold!!!!
jarelkortan85 : he got the idea from "Whats Opera Arnold"
jarelkortan85 : what
elphie_7 : what's everyone's favorite long fic?
jarelkortan85 : thats a tough one
Deep-Voice06 : I don't know
Deep-Voice06 : I like em all
hannah_kraft1 : Like finished or not finished?
ioxmo : 15 year-old helga turns to alcohol in my story...
jarelkortan85 : I'll get back to you tomorrow, lol
SeraphimKiss : I haven't read many *really* long ones
elphie_7 : or at least long ones you like, instead of just one
Lord_Malachite : I'm still a bit partial to "A Sure Thing."
hannah_kraft1 : I love the fic "where to begin" it usually takes me 3 good days to finish it
jarelkortan85 : I can't come up with an answer right off the back
SeraphimKiss : "Ruthless" is pretty good
hannah_kraft1 : yeah but a sure thing isnt finished
hannah_kraft1 : DARNIT!!
elphie_7 : I love Hot Air, but I like the whole Gerald/Helga angle

jarelkortan85 : I have to ask
elphie_7 : it's a weakness
Deep-Voice06 : Well, I like The Sweet Hereafter alot. If Craig Bartlett ever had to pick an episode to make from the FF list I would pick that one
jarelkortan85 : has anyone heard of my story "Hey Arnold A New Frontier"
hannah_kraft1 : WTF? gerald and helga?
Deep-Voice06 : No offense to anyone else, all are wonderful!
elphie_7 : it's really really good
Lord_Malachite : Wow. Thanks a lot, Deep Voice.
hannah_kraft1 : lol whats the link
elphie_7 : seriously, I swear
Deep-Voice06 : Your welcome =)
jarelkortan85 : are you askign me hannah
elphie_7 : I was never a G/H fan until Hot Air, now I'm hooked, although A/H is OTP of course
hannah_kraft1 : no, nevermind
jarelkortan85 : ok
elphie_7 : wait, me?
SeraphimKiss : I started reading "Hot Air" ages ago, then found out it was G/H and was all, "Eeeeew!" But I must read it now that I'm more open to other pairings
elphie_7 : it's on FF.net
hannah_kraft1 : is it long?
elphie_7 : you should, PJ is awesome
Deep-Voice06 : I'm gonna try something in a future fanfic of mine that will be risky too
Lord_Malachite : I'm so much more known for "Instant Gratification," I'm impressed that anyone still remembers "The Sweet Hereafter." And that was a brutal fic for me, because it was not uncommon for me to be up until 6AM working on an update.
jarelkortan85 : well "Hey Arnold A New Frontier" is a the characters of Hey Arnold, put into the world of Star Trek
unluckystunt : lol yeah, i used to think that anything other than A/H was blasphemy
elphie_7 : 23 chapters - <http://www.fanfiction.net/s/828017/1/>
unluckystunt : but different pairings are fun to play around with
elphie_7 : although I still can't stand the idea of Arnold/Phoebe
SeraphimKiss : Same here--though A/H is my OTP
hannah_kraft1 : lol!! they are both way too nice, no action there
jarelkortan85 : yeah I can't imagine any thing other Arnold and Helga
SeraphimKiss : Yeah!
unluckystunt : yeah, they'd be a boring couple
Lord_Malachite : Arnold and Phoebe would be a boring couple?
unluckystunt : phoebe's so cute though
hannah_kraft1 : there all naked ".....what do we do now?"
SeraphimKiss : Hahaha
elphie_7 : yeah, but not w/ Arnold, it's weird for some reason
SeraphimKiss : Whereas Helga would know EXACTLY what to do
hannah_kraft1 : lol theyd watch the history channel
elphie_7 : I have double standards, I guess
hannah_kraft1 : lol helga would be like "Fuck yeah!!!"
Deep-Voice06 : To Lord Malachite: I saw your AN's at the end, and with the story structure and you a major in English that must have been alot of work. I'm one of your biggest fans (Ok, you probably get that alot) But seriously, it's very realistic and I can actually
Deep-Voice06 : see the characters doing and saying those things to one another
Deep-Voice06 : Um, Arnold and Phoebe (Not saying nothing...)
Deep-Voice06 : Hmmm....

hannah_kraft1 : there is 2 hot airs which one is it?
elphie_7 : Two?
elphie_7 : One is by Pyrus Japonica
hannah_kraft1 : yeah which author is it by?
hannah_kraft1 : is that the one?
jarelkortan85 : Pyrus Japonica
elphie_7 : There's an in-progress sequel, it's supposed to be a series, she just hasn't finished the second one yet
ioxmo : arnold would be scared for life if helga got a hold of him for a few hours alone
elphie_7 : haha
Deep-Voice06 : lol
jarelkortan85 : lol
Deep-Voice06 : that would be interesting
SeraphimKiss : Scared, yet aroused
SeraphimKiss : ^_~
hannah_kraft1 : lol it would probably turn him on
hannah_kraft1 : what's a good chapter/
Deep-Voice06 : Hmm, now I got a FF idea.. (grins)
Lord_Malachite : I don't know...would Helga really know what to do with him if she did catch him?
hannah_kraft1 : she thinks about it enough
elphie_7 : good chapter?
hannah_kraft1 : yeah'
SeraphimKiss : She watches him undress in one ep
ioxmo : I'm writing a story about rhonda when she's in her early 20s... her family squandered the fortune and her parents are dead... yet she can't bring herself to life like a "normal" person and takes the only job she can find that makes a lot of money...
jarelkortan85 : hey darthoden once told me, if Arnold made Helga's "girl hood tremble" in forth grade, what would it be like when there grown up
elphie_7 : in what?
ioxmo : with as little work as possible... a stripper.
hannah_kraft1 : lol arnold probably has like no penis
Lord_Malachite : Thanks for your praise, Deep Voice. I sent you a whisper.
Lord_Malachite : Arnold has one, but Lila keeps it in a jar under her bed.
hannah_kraft1 : lol
SeraphimKiss : HAAAAH
SeraphimKiss : True, true
jarelkortan85 : elphie what are you asking
hannah_kraft1 : What's a good chapter in hot air?
elphie_7 : oh, ok
‣ Hurricos has left the conversation.
elphie_7 : I dunno, they all kinda build upon each other, it's hard to pick one
jarelkortan85 : i
jarelkortan85 : oops
‣ Hurricos has joined the conversation.
elphie_7 : it's not all G/H lovey-dovey, it's a lot of action, spying, etc.
Deep-Voice06 : lol!
elphie_7 : more action-y than romance, although it's there
hannah_kraft1 : hmm weird
elphie_7 : trust me, it's good
‣ Hurricos has left the conversation.
jarelkortan85 : hey in "Helga's Parrot" episode did anyone notice Helga say "Girl hood tremble"

‣ Hurricos has joined the conversation.

hannah_kraft1 : ill read it sometime, like when im dead, lol j/k

SeraphimKiss : The more you talk about it, the more I want to read it/regret not reading it before

hannah_kraft1 : yeah she says sultry too right?

SeraphimKiss : yeah, and she watches him undress!

hannah_kraft1 : lol!!!

jarelkortan85 : but I think that one is a bit more though

Lord_Malachite : Helga is voluptuous! Listen to her in some of the later seasons.

SeraphimKiss : And tries to kill the parrot with a frickin' chainsaw

Hurricos : Hey guyx!

jarelkortan85 : its funny what things slip in here and there, lol

jarelkortan85 : hello hurricos

elphie_7 : hannah, did you upload Eugene, Eugene?

hannah_kraft1 : lol that would be funny if arnold was all hot and buff and had a nice body, she would faint she'd just die

Hurricos : What's this about Helga undressing someone 0_0??

hannah_kraft1 : yeah

elphie_7 : I love you.

hannah_kraft1 : lol!

ioxmo : It'd be hard to kill a bird with a chainsaw...

ioxmo : hard enough to cut a log with it

jarelkortan85 : lol

SeraphimKiss : Haha

elphie_7 : I've been waiting for that one forever and a day, thanks!!!

Deep-Voice06 : She did faint in 'Helga's Parrot'

SeraphimKiss : Hurricos--we were talking about Helga watching Arnold undress in "Helga's Parrot"

Deep-Voice06 : This sounds bad but I wonder what she saw

Deep-Voice06 : lol

hannah_kraft1 : lol its funny when the bird is on lilas head, i would try to kill the bird, id try to kill lila

hannah_kraft1 : wouldnt

ioxmo : i will eventually write a murder mystery based on HA

elphie_7 : haha, nice

ioxmo : which is set-up like a law and order episode maybe

elphie_7 : I wanna do a parody, just not sure of what yet

jarelkortan85 : sounds interesting

ioxmo : where someone is jogging in the park and finds lila swinging from a tree

elphie_7 : haha!

SeraphimKiss : LOL!

hannah_kraft1 : creeeeeeeeeeepy

Hurricos : I'm wondering whats she saw too! Did she see a weenie or something to make her faint?? 0_o

hannah_kraft1 : lol!!

hannah_kraft1 : his like nothingness of a dick

elphie_7 : weenie is a funny word

ioxmo : probably

jarelkortan85 : lol

SeraphimKiss : I'm laughing immaturely right now

elphie_7 : I'm two decades old and I still giggle

hannah_kraft1 : lol he's 9 years old

Hurricos : A little weiner and some tiny nuts!" to quote from the Master of Disguise Lol

hannah_kraft1 : lol
ioxmo : knowing how over-the-top she is, she probably fainted when she saw the elastic of his underwear
hannah_kraft1 : haha
hannah_kraft1 : true
SeraphimKiss : Hahaha
Deep-Voice06 : Lol!
hannah_kraft1 : or like his zipper
unluckystunt : haha
elphie_7 : why would he have slept naked though? he's only 9!
hannah_kraft1 : lol shes like "Holy shit! thats hot!!!"
Deep-Voice06 : Yeah, that's what I was thinking too, but seriously, I think she saw something
jarelkortan85 : well you hear a zipper sound
elphie_7 : maybe she say his butt
hannah_kraft1 : yeah and then hes like goodnight little parrot
elphie_7 : *saw
jarelkortan85 : more likely
Hurricos : *imitates porno music*
SeraphimKiss : Haha
jarelkortan85 : rofl
Deep-Voice06 : That was some sort of sign when Arnold said that I thing that's for sure
Deep-Voice06 : 'Good night LITTLE Parrot'
hannah_kraft1 : lol she sees his dick "Holy crap!! WTF is that!?!?"
jarelkortan85 : I feel sorry for the person to come in on this chat, lol
elphie_7 : haha
hannah_kraft1 : lol
jarelkortan85 : in mid topic
unluckystunt : i want craig to come back in now
jarelkortan85 : rofl
hannah_kraft1 : yeah at first i was like, does he sleep naked? cuz he does it so fast
SeraphimKiss : Don't we all....
Hurricos : "Goodnite little weiner boy. Rawk!"
hannah_kraft1 : i miss craig
hannah_kraft1 : lol!
hannah_kraft1 : haha
Lord_Malachite : What if he was just changing into his pajamas?
ioxmo : helga spent the night at arnold's house like 3 times
SeraphimKiss : (I mean, don't we all wish Craig would come back, not "don't we all sleep naked")
ioxmo : and he never knew about it
unluckystunt : he probably put on pjs
unluckystunt : or slept in his underwear
jarelkortan85 : partialy
jarelkortan85 : lol
unluckystunt : he did that in Heat
Deep-Voice06 : Maybe he had to change his underwear
Deep-Voice06 : lol
ioxmo : didnt he sleep under a cover in heat?
ioxmo : what a nut
Deep-Voice06 : lol
SeraphimKiss : Nut--pun
hannah_kraft1 : yeah he just like throws his clothes off, its like you never know whos watching...

▸ heliza_pataki has left the conversation.

Hurricos : lol

Hurricos : I'm cracking up right now LOL!!

hannah_kraft1 : lol she probably fainted at the sight of his nipple or sumthing

jarelkortan85 : with a sky light though, I'd be a bit nervous

unluckystunt : yeah with that huge skylight i would feel a little exposed

SeraphimKiss : hahaha

hannah_kraft1 : lol

unluckystunt : omg black helicopters watching me undress!!

jarelkortan85 : lol

elphie_7 : not me, my dorm faces the student center and I change all the time w/o the curtains drawn

hannah_kraft1 : hehe people are filming it and he doesnt know

jarelkortan85 : they'll know I wear fruit of the loom, omg

jarelkortan85 : lol

jarelkortan85 : rofl

elphie_7 : if the dean of admissions wants an eyeful, well, he'll get it

Hurricos : I'd be worried about pedophiles watching me undress then posting a video of it on the internet. "DAMN YOU internet!"

SeraphimKiss : Haha

hannah_kraft1 : lol "Heres our story today.....Weird football headed kid, has no penis..."

jarelkortan85 : yeah

jarelkortan85 : lol

ioxmo : I think it's funny that helga always wears pink despite being a huge tom boy

jarelkortan85 : yeah

SeraphimKiss : Maybe it has an abnormal shape, like his head

hannah_kraft1 : well arnold likes it

hannah_kraft1 : haha!

hannah_kraft1 : its all a cube shape form

jarelkortan85 : hey some of us have over active imaginations

SeraphimKiss : Me, definitely

Hurricos : Oh my god LOL!

jarelkortan85 : rofl

hannah_kraft1 : lol!

ioxmo : I considered a story where helga steals a gun or takes a knife to school (teen years) and holds lila and a few others hostage because she's suicidal over arnold and lila hooking up...

Hurricos : I can hardly breath while I'm laughing!

hannah_kraft1 : lol arnolds like " i dont know how t ojack off."

jarelkortan85 : ok, when did this conversation twist into talking about Arnold's "wienie"

SeraphimKiss : I can't stop laughing once I start

hannah_kraft1 : lol!!!

jarelkortan85 : rofl

SeraphimKiss : *snorts*

Deep-Voice06 : lol!

ioxmo : ...and helga would die at the end

Deep-Voice06 : Oop, I might have been a factor in that

Deep-Voice06 : lol

unluckystunt : you can't have a chat on the internet without it eventually turning into weinie talk

jarelkortan85 : rofl

Lord_Malachite : So who is Arnold going to hook up with in high school?

hannah_kraft1 : Has anyone seen the HA video "Hey arnold the lost episode" on you tube?

jarelkortan85 : I guess thats a techinal term

Hurricos : *RoTFL* Hahahahaha! *Does a laugh like that girl in the Scooby-Doo cerael comercial*

unluckystunt : yeah, the lost episode is pretty funny

jarelkortan85 : t

jarelkortan85 : oops

hannah_kraft1 : lol grandpas like "hey there short dick."

jarelkortan85 : oh man

SeraphimKiss : Hopefully, Grandpa doesn't KNOW about Arnold's "size"....

jarelkortan85 : lol

Hurricos : LOL! No more, please or I'll die of laughter, hahaha!!!

SeraphimKiss : If anyone, it would be Oskar, he seems like a perv

hannah_kraft1 : hehe the parrot told him

Deep-Voice06 : I have! And I LOVE it!

jarelkortan85 : a little birdie told him

Hurricos : Ah, who am I kidding? Continue the weinie talk!

hannah_kraft1 : or helga told him opr sumthing

Deep-Voice06 : "Hey class, I wanna tell you something, I'M GAY!" - Mr. Simmons'

Deep-Voice06 : lol!

hannah_kraft1 : lol!!!

jarelkortan85 : lol

unluckystunt : "who wants to rub peanut butter all over my body, i have plenty"

hannah_kraft1 : " no not you harold i already did you"

Deep-Voice06 : eww

Deep-Voice06 : lol

SeraphimKiss : Any Simmons/Wartz shippers in here? ~_^

jarelkortan85 : brb

▸ jarelkortan85 is away.

hannah_kraft1 : lol

ioxmo : Heh, helga could have said a lot of dirty stuff about what she wanted to do in front of the parrot

unluckystunt : i love simmons

ioxmo : that would have been funnier

ioxmo : if the show was on HBO

Deep-Voice06 : Too bad she didn't

unluckystunt : not really that warm on simmons/wartz but it's pretty funny

hannah_kraft1 : lol yeah shes like "I wanna fuck him up the ass!!!"

SeraphimKiss : Yeah, I just think it's funny--not a slasher

ioxmo : dunno about that

Deep-Voice06 : There's this video on You Tube called Helga's Parrot unedited or something like that.

hannah_kraft1 : woh really?

▸ jarelkortan85 has returned.

Deep-Voice06 : Some parts of it are funny but some get a little crazy

hannah_kraft1 : hmmm weird

Deep-Voice06 : and it has something similar to what you said Hannah

elphie_7 : wartz/simmons :hudder:: mental image ...

jarelkortan85 : shudder's

SeraphimKiss : Haha

ioxmo : speaking of mental

ioxmo : that guy was nuts

Deep-Voice06 : It starts off, with Lila talking to arnold saying, "Arnold, wanna come F!@# me sometime"

elphie_7 : though the end of Principal Simmons is hilarious

Deep-Voice06 : lol, bad, very bad!

unluckystunt : lol i loved when wartz was playing with his little toy animals in front of dr. bliss

hannah_kraft1 : hold on guys brb

‣ hannah_kraft1 is away.

elphie_7 : oh, I know, that was funny

jarelkortan85 : lol

SeraphimKiss : I will prevaaaaaaaaai---.....aaaaaaaaaaaaail!

elphie_7 : haha

elphie_7 : I have to get that one, solely for that song/their outfits

ioxmo : I have an interesting question... when they become teens, who will take up smoking?

You know some of them will

SeraphimKiss : Also, I love it when Wartz is lecturing the doll

Lord_Malachite : Wartz always comes across as a little skeevy.

SeraphimKiss : And then he answers the door holding it

Lord_Malachite : Remember when he was dancing in "The Flood."

Deep-Voice06 : I think Arnold will

unluckystunt : haha yes

jarelkortan85 : ok I have to pick up my sister from work, brb in a few minutes

unluckystunt : harold maybe

‣ jarelkortan85 is away.

SeraphimKiss : Harold gives in to peer pressure, so yeah, him

Deep-Voice06 : Like Helga said in Curly Snaps the quiet ones are usually the first to snap,

Arnold, I think he'll get into some bad things

SeraphimKiss : And Sid and Stinky, probably

SeraphimKiss : Curly might "experiment"

hannah_kraft1 : dude thats a girl doing the dubbing

elphie_7 : Rhonda & Curly will smoke

elphie_7 : Sid will

elphie_7 : hot Smoking!Gerald

unluckystunt : haha

SeraphimKiss : And then he'll freak out over the possibility of cancer and lock himself in his room for a month

unluckystunt : yes

Deep-Voice06 : lol

hannah_kraft1 : Woh its like a little child, saying Fuck over and over again

Deep-Voice06 : I think Rhonda and Curly will be a couple

SeraphimKiss : That'd be cute

SeraphimKiss : But I still like Rhonda/Harold, and, at the same time, Harold/Patty

unluckystunt : i like harold/patty

Deep-Voice06 : (to Hannah) Yeah, some parts are kind-of funny, but it gets a little ridiculous.

I like the lost episode alot better

Deep-Voice06 : (no offense)

SeraphimKiss : "That is so unbelievably GROSS!" "Is it? Or does it THRILL you!?"

hannah_kraft1 : lol yeah shes like " I have a boner!!" its like WTF?

unluckystunt : a lot of fan dubs on youtube are just a bunch of random swearing

ioxmo : now how about marijuana? - it's gotta be sheena for one

unluckystunt : i think arnold would try it at some point

hannah_kraft1 : yeah most of them are just gay

SeraphimKiss : Yeah, Sheena's a hippie
unluckystunt : lol yeah sheena
Deep-Voice06 : lol, I actually thought that one line was kind of funny
hannah_kraft1 : lol the boner one?
elphie_7 : I love Sheena
SeraphimKiss : I love Eugene/Sheena
SeraphimKiss : So cute
Deep-Voice06 : (To Hannah) I like where Helga says to Arnold F!@# You and then he just says, ok whatever. I actually found that rather funny
Deep-Voice06 : But it is ridiculous, all the cussing
hannah_kraft1 : lol which part?
hannah_kraft1 : dude the kid is like 10 years old
‣ jarelkortan85 has returned.
jarelkortan85 : Im back
Deep-Voice06 : all of it
ioxmo : I dont remember the name, but there's this song with lyrics of "fuck you like an animal" I thought that would be funny to have on when they're in the backseat of helga's dad's car for the first time
Deep-Voice06 : The part where Helga's on Arnold's door step talking to him is when they say that
Deep-Voice06 : wb
jarelkortan85 : man what did I miss
Deep-Voice06 : lol
hannah_kraft1 : lol im at that part
Deep-Voice06 : Thats funny Ioxmo
hannah_kraft1 : lol "FUCK YOU!!" *shrugs* "okay whatever"
Deep-Voice06 : Lol!
unluckystunt : that does sound pretty funny
hannah_kraft1 : lol heres the link if anyone wants to see it, but its like a 10 year old swearing
<http://youtube.com/watch?v=nz9hDzV2O5E>
unluckystunt : i'd watch it but every time i;ve tried to watch youtube tonight my computer freezes
Deep-Voice06 : and the part where Helga falls threw Arnold's roof and Arnold's talking to the bird he says, "First you love Helga and now you love me, JC make up your mind
Deep-Voice06 : Could have been without that cussing tho
hannah_kraft1 : heh hold on
elphie_7 : whoa, what is this, I'm confused
hannah_kraft1 : lol! some one shoul dwatch rugrats dubs hehehehe
hannah_kraft1 : lol the second on eis pretty funny
Deep-Voice06 : "Hey little bird, how you doing, how you doing' lol
hannah_kraft1 : lol JC make up your ming
hannah_kraft1 : mind
Deep-Voice06 : 'Stupid F!#@ bird, I'm a stupid F!@# bird' lol
hannah_kraft1 : lol "Dont talk her out of it bitch"
hannah_kraft1 : bye guys i gtg
‣ hannah_kraft1 has left the conversation.
jarelkortan85 : I think I'm gonna head off too, want to do a couple more things before I go to bed
unluckystunt : goodnight then
Deep-Voice06 : goodnight Jarel
SeraphimKiss : Bye
jarelkortan85 : night guys
‣ jarelkortan85 has left the conversation.

SeraphimKiss : I'm determined to be among the last few to leave, if my dad doesn't want his room back by then

Deep-Voice06 : Me too, If the person I live with doesn't catch me still up

Deep-Voice06 : I should be in bed right now

Deep-Voice06 : But, oh well...

SeraphimKiss : I have to get up early tomorrow >_<

ioxmo : hmm, if i did write a story where lila was found hung from a tree... who would you think the killer would be and why?

SeraphimKiss : Oh well, this is worth it

SeraphimKiss : Helga would be too obvious

Deep-Voice06 : Helga, definitely

ioxmo : well, let's say it wasn't helga

ioxmo : forgot to mention that

ioxmo : lol

Deep-Voice06 : Arnold

Deep-Voice06 : Cause Lila broke his heart too many times

Deep-Voice06 : lol

SeraphimKiss : Robert--that kid's suspiciously quiet

SeraphimKiss : And no one would suspect him

unluckystunt : yeah or nate

elphie_7 : Nate!

SeraphimKiss : Who's Nate?

unluckystunt : hehe

elphie_7 : haha

elphie_7 : that makes two times

SeraphimKiss : I'm confused!

unluckystunt : from Helga's Show

elphie_7 : watch Helga's Show

ioxmo : how about curly

unluckystunt : she says a poem about all the kids

ioxmo : he's crazy

elphie_7 : great minds think alike, Kim

unluckystunt : and mentions nate, and sid says "who's nate?"

elphie_7 : one of the best Sid lines ever

Deep-Voice06 : Who is Nates?

SeraphimKiss : Oh yeeeeeeah, I remember now!

elphie_7 : no one, really

elphie_7 : it was a joke

unluckystunt : some kid

elphie_7 : and then there were 10

Deep-Voice06 : Oh, wow, I learned something new

Deep-Voice06 : (Yawns)

Deep-Voice06 : Anybody else tired?

unluckystunt : yeah

SeraphimKiss : Nope....

elphie_7 : a little

unluckystunt : staying up until 3am on saturday is pretty common for me tho

SeraphimKiss : Like I'm gonna sleep when I can't stop picturing Arnold kissing Helga

unluckystunt : lol

elphie_7 : haha

Deep-Voice06 : Used to be for me, till I started college, now I'm a 12-1 o clock person, Well try to be

Deep-Voice06 : lol!

SeraphimKiss : Every night before I go to sleep, I have to daydream about some couple I ship first

elphie_7 : I used to go to bed fairly early, but college has transformed me into a night owl

Deep-Voice06 : I HAVE to write a second movie kissing scene one day

elphie_7 : even though I have class at 9, ugh

Deep-Voice06 : I wonder how close it would be to what Craig was telling us

unluckystunt : yeah college made me a night owl

unluckystunt : i made sure not to sign up for classes earlier than 10am

Deep-Voice06 : College can do that to you too, what with all the studying.

ioxmo : i go to class from 8am - 4pm

unluckystunt : and then i took a night shift job

Deep-Voice06 : Yeah, me too, but I made a mistake this semester and signed up for a class at 9:35, and Honors even

unluckystunt : so i have to force myself to go to bed early on weekdays

ioxmo : and then 6:30-9:00pm on a few days

Deep-Voice06 : I'm late almost every class.. Uh, I need to work on that

Lord_Malachite : Morning classes suck

Deep-Voice06 : Yeah

unluckystunt : yeah they do

unluckystunt : now i work 8-5 and between 8 and 11 i'm pretty much a zombie

Deep-Voice06 : Yeah, If I could sleep it, I probably would wake up at 3-5PM everyday

Deep-Voice06 : I'm serious

Lord_Malachite : I like to get up around 1PM.

SeraphimKiss : How many people are left that are still talking? Like, 5?

Deep-Voice06 : I think so

Deep-Voice06 : We are the last few

unluckystunt : yeah

Deep-Voice06 : Think everyone else fell asleep at the comp

SeraphimKiss : Well, if I have to get off soon, I'll be satisfied, then

ioxmo : im still here

ioxmo : any suggestions for fan art?

ioxmo : im going to try and make some

Deep-Voice06 : What kind of Fanart?

SeraphimKiss : Arnold kissing Helga!

Deep-Voice06 : a Jungle movie Arnold kissing Helga, and Gerald SEEING him!

SeraphimKiss : I'm gonna make a comic of that, if I can find the time between AP art assignments

SeraphimKiss : Yes!

Deep-Voice06 : Cool!

elphie_7 : I'm still here

SeraphimKiss : What characters on HA! can you imagine staying up this late?

Deep-Voice06 : Helga and Arnold

elphie_7 : oh, Gerald, you tell urban legends around my heart

SeraphimKiss : Curly

Deep-Voice06 : Lol

Deep-Voice06 : I can imagine that

Deep-Voice06 : Anybody have any sixth season ideas for fanfics I could try to make?

ioxmo : there's a mideavil dance/party and helga goes completetly in mask and hits on arnold

Deep-Voice06 : lol, that's good

‣ iluvarnld has left the conversation.

SeraphimKiss : Nonno--Gerald hits on her

SeraphimKiss : No no*

ioxmo : <http://img96.imageshack.us/img96/4919/myriamil3.gif>

ioxmo : helga's mom 'falls asleep' and helga drinks the rest of her smoothie, even though it tastes 'funny'

Deep-Voice06 : lol, funny pic

ioxmo : then heads over to arnold's to confess

SeraphimKiss : And Arnold takes advantage of her drunkenness

Deep-Voice06 : lol, uh oh!

Deep-Voice06 : Maybe Arnold gets drunk as well

SeraphimKiss : That whole weenie conversation has me thinking dirty things

Deep-Voice06 : Don't feel bad

Deep-Voice06 : lol

SeraphimKiss : You're lucky I'm not making "that's what she said jokes"

Deep-Voice06 : I had an idea for a new HA fanfic, taking place after the confession. Wanna hear the summary?

SeraphimKiss : Shoot

ioxmo : sure

elphie_7 : think of what Cool is gonna read in the morning ... oh my

elphie_7 : weenies and such

SeraphimKiss : Hahaha

Deep-Voice06 : Arnold's football game strategies suck! , but when Arnold heads over to Gerald's house to get some guidance, he finds that Gerald is sick. Helga is assigned as 'Arnold's Official Football Game Tutor', and Arnold gladly accepts, but what happens when

Deep-Voice06 : Arnold and Helga practice together, postconfession. They may not just be playing a football game no more

ioxmo : let me guess... helga is the center?

ioxmo : and arnold is the quarterback

Deep-Voice06 : Yeah, lol and they use alot of Euphanisms in it

ioxmo : the center is the guy who is bent over and who's ass is sticking right in the quarterbacks face before a play begins for thsoe who dont know

SeraphimKiss : hahahaha

Deep-Voice06 : Hints: The title of the Fanfic will be called 'Playing The Game' LOL

SeraphimKiss : Images, agh!

Deep-Voice06 : And trust me, it's gonna be funny, and romantic!

Deep-Voice06 : "You seem to send me in all different directions confusing me" - Arnold

ioxmo : http://www.showtimesportsacademy.com/images/pic_football_center.jpg <--- guys in the red helmets = center/qb

ioxmo :

elphie_7 : I know football

elphie_7 : I was a line, er, WOMAN during powderpuff in high school

kikasama : Hey guys, that was a really good chat but I have to go now. I'm glad I was able to meet you, please take care of yourselves. Maybe we'll be chatting soon. Good Night

Deep-Voice06 : Good night Kikasama

elphie_7 : good night!

SeraphimKiss : Sleep tight

ioxmo : night.

Deep-Voice06 : don't let bed bugs bit

Deep-Voice06 : they suck

ioxmo : I thought they bite.

ioxmo :

Deep-Voice06 : Yeah, they bit too
kikasama : Thank you everyone, see ya!
unluckystunt : goodnight
‣ kikasama has left the conversation.
unluckystunt : k, i think 3am is my limit. i'm going to bed
unluckystunt : night guys, it was fun
ioxmo : yes
ioxmo : goodnight!
Deep-Voice06 : good night
‣ unluckystunt has left the conversation.
SeraphimKiss : G'night!!
SeraphimKiss : So there are like, 4 of us left now
Deep-Voice06 : Cool!
SeraphimKiss : It's like "Survivor"
Deep-Voice06 : I'm one of the last ones!
SeraphimKiss : Who's gonna be the last?
Deep-Voice06 : I don't know
Deep-Voice06 : She hasn't yelled for me to get out yet, but it could be any minute
Deep-Voice06 : (sigh)
SeraphimKiss : Same with my dad
SeraphimKiss : He must've fallen asleep watching TV or something
Deep-Voice06 : She did too
Deep-Voice06 : I count it lucky
Deep-Voice06 : Have you posted any fanfics on FF.net?
Lord_Malachite : I'll be going soon.
Lord_Malachite : I'm falling asleep, didn't sleep well last night
ioxmo : aw
ioxmo : goodnight then
Deep-Voice06 : Aw, ok
SeraphimKiss :
Deep-Voice06 : ttyl, night
Lord_Malachite : I said soon.
Lord_Malachite : WWithin the next 30 minutes.
Deep-Voice06 : oh, ok
ioxmo : you know, rhonda could be a very complicated character, just like helga
ioxmo : which is why im writing a fic about her
Deep-Voice06 : She's definitely complicated
ioxmo : she seems to want to fit in with everyone, but cant helping being a snobby bitch
Deep-Voice06 : yeah, most of the time she's like that
Lord_Malachite : Rhonda is complicated.
Lord_Malachite : Also sophisticated and sexy.
SeraphimKiss : A lot of them are
SeraphimKiss : Haha
Deep-Voice06 : lol
Deep-Voice06 : that is true
ioxmo : her life fell apart in my story, though
Lord_Malachite : She just needs someone to show her the way.
ioxmo : in her 20s, being a stripper pretty much against her will and being an alcoholic
because of it
Deep-Voice06 : Goodness that's terrible. I agree someone needs to show her the way
ioxmo : and porr
ioxmo : *poor
Deep-Voice06 : It would either be Arnold, or Curly.

ioxmo : she turns her life around eventually, though
ioxmo : or nadine
Deep-Voice06 : Curly will losen her up a bit
Deep-Voice06 : Hmm, that's true too. I didn't even think about her best friend
ioxmo : that's who is probably going to do it in this story
Deep-Voice06 : What's it called, have you thought of a title?
ioxmo : Right now it's Rhonda's Collapse
ioxmo : but it might change
Deep-Voice06 : Wow, that sounds like a dramatic piece of work
Deep-Voice06 : That's gonna be interesting to read
ioxmo : I gave LM a sneak peek
ioxmo : he liked it
elphie_7 : so ... sleepy ...
ioxmo : It's going to get real interesting when someone she knows comes into the club while she's working
Deep-Voice06 : woo
ioxmo : I have another story about the ghost bride
Deep-Voice06 : What kind of story?
ioxmo : but it's different
ioxmo : this picture I made should explain it...
<http://img100.imageshack.us/img100/7442/ghostiy0.jpg>
Deep-Voice06 : Uh, oh.. Ouch.
Deep-Voice06 : I'm a little afriad now, knowing Helga...
SeraphimKiss : Creepy
SeraphimKiss : I mean... "crispy"
ioxmo : she was murdered on her sister's wedding day and now seeks revenge
Deep-Voice06 : That's a good idea. From the story they told in that episode, I can tell the story plot lines somewhat similar
ioxmo : yeah
SeraphimKiss : I'm crying right now, watching the "Lost Episode" for the first time
SeraphimKiss : Can't stop laughing
Lord_Malachite : Ok, now I'm going to bed.
Lord_Malachite : Loved being here. I'll definitely do this again.
Deep-Voice06 : G'night Lord Malachite Connected! Note: MSN has detected that you are connected to this chat session from the IP address 192.168.1.47. CarlinJ83 : i cant believe im talkin to u Manolo : hi Deep Voice! LisaBartlett : so, did Jim Lang make

SeraphimKiss : Is elphie still awake?
Deep-Voice06 : Are you still there Elphie?
Deep-Voice06 : (shouting very very loudly) Any of ya'll out there?!!!!
Deep-Voice06 : (lol)
SeraphimKiss : It's gonna be hard to determine who the "last" person is
Deep-Voice06 : yeah
SeraphimKiss : When so many people haven't been talking
SeraphimKiss : Who do we count/not count?
Deep-Voice06 : that's a good point
Deep-Voice06 : I guess who ever has talked in the last 20 minutes we should count, because they're still out there (I think)
SeraphimKiss : So it'll be you, me, or Elphie
SeraphimKiss : This is gettin' intense...
SeraphimKiss : WHO WILL IT BE???
Deep-Voice06 : Who will WIN!
Deep-Voice06 : lol, yeah
Deep-Voice06 : "Time goes by, so slowly"
SeraphimKiss : Whoever "wins" should get a prize, LOL
Deep-Voice06 : What kind of prize, lol?
SeraphimKiss : I dunno....
SeraphimKiss : An Arnold plushie!
Deep-Voice06 : That would be so cool! But wait, who would get it for the winner.
SeraphimKiss : Good point
Deep-Voice06 : Craig Bartlett! Naw, he wouldn't do that, I don't think.
Deep-Voice06 : It
SeraphimKiss : I'd like to have an Arnold plushie with fuzzy hair like a treasure troll
Deep-Voice06 : It's starting to look like were t
Deep-Voice06 : the only too left
SeraphimKiss : Yeah....
Deep-Voice06 : Sorry, I kept hitting the enter button, I don't usually look when I'm typing
Deep-Voice06 : That would be nice to have a HA plushie (sighs)
SeraphimKiss : It's weird how looking when you're typing can actually mess you up
Deep-Voice06 : You got that right
Deep-Voice06 : Cause you're concentrating so much on what your typing
elphie_7 : ok, you two, I'm off
elphie_7 : nice chatting to y'all
Deep-Voice06 : you too
Deep-Voice06 : g'night
elphie_7 : nightie night

GräfinZahl : and i slept till noon ^ _ ^

DarthRoden : **lol**

GräfinZahl : for which fic? the broken locket?

DarthRoden : **well thats one of the ones I am going to work on, actually I want to get the

GräfinZahl : that one i still have to read...

DarthRoden : **Broken Locket has 8 more chapters to go and I intend to work on all of
them at the same time and post them within a day or two of each other...sort of bulid
up the excitment. The ending has this big finale that I dont want to spoil...**

DarthRoden : **except to say that it will move some people to happy tears**

GräfinZahl : cool! i can't wait for those chapters! ^ _ ^

DarthRoden : **me either**

DarthRoden : **by the end of the year, Broken Locket will finally be done. In some ways
though that makes me sad**

DarthRoden : **on one hand I will be thrilled and be like OMG its finally done! And on the
other hand, I will be sitting there seeing "The End" and think like Man, it over**

GräfinZahl : well, i've never written a fanfic but I know that if you've worked on something for a long time when you're finally done it feels weird

DarthRoden : **exactly**

GräfinZahl : i loved arnolds couch confessions, btw ^^

DarthRoden : **so many great stories behind the chapters written, I could go on all day, and when its all finally written and you know nothing more is coming, the sense of accomplishment is mixed with sorrow**

DarthRoden : **oh thank you very much, thats one of my first stories and the one I try to live up to**

DarthRoden : **lots of people tell my how much they loved it and it never fails to make me smile everytime**

GräfinZahl : i remember reading it about two years ago. the first fanfics i ever read. i also liked the on a stormy summernight series a lot.

DarthRoden : **Oh yeah, another good one**

DarthRoden : **those are as close to R-rated stories as I plan to write. I couldnt write an R-rated Arnold fic**

DarthRoden : **Im glad you liked them, I got plenty of critics of those**

GräfinZahl : i think someone wrote a review to one of the three parts, that you were being to descriptive, but i didn't think so. i felt it was ... realistic (can't think of a better word to describe it)

DarthRoden : **glad you think so, I tried to imagine what the first time would be like for a pair of young teens who know they love one another and want a future together**

GräfinZahl : well, on one the hand i'd say arnold and helga were a bit young when they "got intimate" for the first time, but on the other hand, the way you described them they seemed very mature for their age, so i didn't see a problem there

DarthRoden : **as Craig said yesterday, they are very mature for their ages, even a nine**

GräfinZahl : yes, i think arnold matured very much throughout the series

GräfinZahl : especially in the last season, he has to solve very complex problems for a boy his age

DarthRoden : **exactly, in many ways he's more an adult than the other people in the boarding house**

GräfinZahl : like giving ernie romantic advice

DarthRoden : **lol ironic how closely Ernie's romantic obsessions came close to another friend of Arnold's?**

GräfinZahl : true ^^

DarthRoden : **or how he helped Monkey Man and Pigeon Man**

GräfinZahl : yeah, but everytime arnold tries to help people like them somehow things get worse, don't they?

DarthRoden : **well it depends. Maybe it does in a way, but it all comes out right in the end**

DarthRoden : **the same happens in Broken Locket**

GräfinZahl : yay, spoilers! ^^

DarthRoden : **only a few**

DarthRoden : **up to now he talked Helga into showing her good side, the same side he saw on their little date**

GräfinZahl : reminds me: craig gave us more information about the movie than i would have expected

DarthRoden : **yeah he did**

DarthRoden : **them kissing was a good little piece of info**

GräfinZahl : exactly

DarthRoden : **Arnold will kiss Helga in "Falsely Accused" as well later on in the story...my own little spiler, he he**

GräfinZahl : interesting...

DarthRoden : **not any little one either, I mean a kiss-kiss (lol just like likes her likes her)**

GräfinZahl : ^^
DarthRoden : **lol one more thing before I go. Have you seen The Movie**
GräfinZahl : of course!
DarthRoden : **lol silly question here...anyhow if you pause it just as Arnold ducks under her arms when she tries to kiss him again, it looks like Helga was trying to slip him the tongue**
GräfinZahl : really? well, i guess i'll check that out right away. lol
DarthRoden : **lol**
DarthRoden : **well I gtg, have many places to go today...but I will be back sometime later**
GräfinZahl : okay, bye! it's been nice talking to you. ^^
DarthRoden : **very nice to talk to you too, glad to see you again**
DarthRoden : **later**
GräfinZahl :
DarthRoden : ^_^
‣ DarthRoden has left the conversation.

This is where I came back to the chat, at 10:30amEST the next morning. Guess you could call this the Sunday morning portion of the chat.

‣ You are no longer marked as being away.
‣ ioxmo has joined the conversation.
GräfinZahl : morning stephen
GräfinZahl : hi ioxmo
ioxmo : Still a few here
ioxmo : Hi.
Cool : you have got to me kidding me. I just got out of bed, computr ran all night - its now 10:30am, and after 9 hours of sleep, people are still here?!?
Cool : I see I just missed Darth
‣ GräfinZahl has left the conversation.
Cool : Did you guys even go to bed?
ioxmo : They might be now
ioxmo : lol
‣ GräfinZahl has joined the conversation.
GräfinZahl : ah, just got kicked out! x_x
ioxmo : Well, welcome back then.
GräfinZahl : ^^
GräfinZahl : one question: when you join the chat it says you joining this chat session with the ip address: xxx what are the first three digits of yours?
GräfinZahl : cause it always says mine starts with 169, which is not true
ioxmo : ditto
ioxmo : maybe it's talking about the chat's ip
Cool : 192 - brb, I need breakfast
‣ You have been marked as being away.
ioxmo : That's strange.
ioxmo : You're from Germany, right Grafinzahl?
GräfinZahl : maybe. ip2location.com gives me PRIVATE IP ADDRESS LAN as a result.
GräfinZahl : yeah. as far as i know you can't get an ip address starting with 169 here...
GräfinZahl : strange
ioxmo : I live in the middle of the US and I have 169, too.
ioxmo : So yeah, I don't think it's right
GräfinZahl : looks like it
GräfinZahl : did you notice that when right-click on one of the members in the chat you got a menu called "local time" (or something like that) that shows you the user's local time?

ioxmo : oh cool
ioxmo : i wonder where flank is from...
ioxmo : hawaii?
GräfinZahl : estonia i think
ioxmo : oh
ioxmo : heh
ioxmo : well, yesterday was pretty cool
GräfinZahl : yes, it was great!
GräfinZahl : craig is cool!^^

unluckystunt : whoa people
unluckystunt : hey
ioxmo : I said the same thing
unluckystunt : haha
 ▸ You are no longer marked as being away.
Cool : Okay, I'm back from breakfast
GräfinZahl : what did you have?
Cool : I was still so out of it, I almost put a plate in the fride instead of the milk, and THEN
 almost pour the milk onto the plate, not the cup!
GräfinZahl : lol
Cool : I had eggos with maple syrurp on one, and pb&j on the other'
GräfinZahl : i had some soup with tortellini for lunch. yum!
Cool : Oh - still out of it enough the eggo fumbled its way out of my hands and onto the
 countertop, face down of course :)

Cool : It must already be 5pm in Germany, pretty sure you guys are 6 hours head of me
 ▸ GräfinZahl has joined the conversation.
Cool : HI KIM - you stayed till three am? What a trooper!
GräfinZahl : got kick out again! *argh*
Cool : I quickly scanned the thread after I went to bed. Something about black helicopters,
 weiners, and the HA! youtube dubs.
Cool : Nancy, when you get kicked out, do you lose all the past thread?
ioxmo : pretty much
ioxmo : and sheena, the pot-smoking hippy
Cool : I dont know why this happens, Ive have all the text from 6:45m yesterday till now
GräfinZahl : i didn't this time. that's something new!
Cool : I asked, you are six hours ahead right, so its already supper time for you! I just got
 up.
GräfinZahl : yeah, it's 5 pm here ^^
Cool : Would have been Nice if Craig came back - its 8am his time now
GräfinZahl : i don't know yet what i'll have for dinner tonight
Cool : Next time I host a big chat, I'll say "come back and any time" to Craig, and to the
 members - you can NEVER be too late
GräfinZahl : yeah, that would have been great
Cool : I'll also tell Jim when the next chat is, but he to also has an imac and could not get to
 the chat somehow
GräfinZahl : and tell him to bring some friends and relatives too, like dan castellaneta or matt
 groening!
ioxmo : maybe next time use irc
unluckystunt : hey stephen
GräfinZahl : msn chat software does online support ie and firefox

GräfinZahl : so if he downloaded firefox on his mac it'll probably work

unluckystunt : when did the chat die?

unluckystunt : brb, 'm trying to chat and cook breakfast at the same time

Cool : I was pretty surprised Lisa was there - as when Craig had problems with his MAC, I guess he asked his wife to register with the site, and this was about an hour before. When I joined "LisaBartlett" in, Craig had made a note about his computer not working.

GräfinZahl : irc would be cool but i think some people would have a hard time figuring out how it works.

Cool : As you know, when you join this site you have the option of writing something down in a text box or not

Cool : So when it was actually Lisa who was talking, I was pretty surprised

Cool : Heh - now we have her e-mail here to, we can hound her about TJM in secret! :)

GräfinZahl : it was a nice surprise though

Cool : the chat is now 126 pages long, over 1MB in size

GräfinZahl : i saved it in notepad and got 354kB

Cool : I'm saving it to Word, so its most likely making a bigger file.

ioxmo : yeah, it keeps all the formatting

Hurricos : hey guys I'm back *yawns*

GräfinZahl : i'll start editing it tonight. i guess i'll take me at least an hour or two. i'll probably save it as PDF.

Hurricos : what'd I miss?

Cool : if you sent me an edited copy, could you give it to me in Word?

GräfinZahl : sure

Cool : well, its 11:15a, now. Its a beautiful fall day, great for biking, but with every Sunday, I'm always stuck inside on the computer. I'd really like to get out and bike - we had the first frost a while back and that kills the misquitos off, so I can in the

Cool : forest near my house no problem. I have to get getting back on those e-mails, and have to touch up some spots of my car - as i never fully completed my car cleaning yesterday, I was too tired.

GräfinZahl : frost? already? it's never been below 12°C here. man, did we have a hot summer...

Cool : WHY DO I FEEL CHAINED TO THIS STUPID MACHINE!

Hurricos : Because you love HA

Cool : I wish I could just break free and go for a bike, but I'm chained to the computer

ioxmo : it's too cold here

Cool : Not just HA! - I'm the biggest computer nerd ever, I'm never not on the computer - its been that way since grade nine

Cool : That one month of not having a computer was really refreshing in a way, i had some much free time to do stuff

GräfinZahl : hey, so am i ... and most of my friends.

Hurricos : Same for me except instead of 9th grade it's all my life

ioxmo : Computers rule

Hurricos : totally

GräfinZahl : but then again i'm different from my friends cause i don't play wow all day long

ioxmo : I'm about to draw some fanart, but I can't decide what. Any suggestions?

GräfinZahl : absolutely

Cool : Someone tell me to get the hell of my computer - i need a kick in the ass! Someone tell me to go biking!

GräfinZahl : GO BIKING! NOW!!

Hurricos : *puts on an innocent look* Arnold & Helga kissing perhaps, Ixi? *smiles hopefully*

GräfinZahl : want me to kick you too?

Hurricos : Leave the safety of your computer Cool! Leave!!!

Cool : Heh thanks - yes, kick me right off my comfy computer chair!

Hurricos : *Gives Cool a kick in the posterior*

Hurricos : Now go west young buck!

Cool : By gum, I'm gonna do it!.....maybe....I still have some many e-mails to type....and i blew most of the morning away sleeping...

GräfinZahl : *grabs stephen and drags him to his bike*

GräfinZahl : NOW GO!

Cool : Only so many hours in the day, when I'm on the computer from 9am-12am those hours FLY by

Cool : Yes, that's the attitude i need!

Hurricos : *pushes Steve on his bike down a really steep hill*

Hurricos : *giggles evilly*

ioxmo : Watch out for that board on the barrel

unluckystunt : okay

GräfinZahl : okay

Hurricos : Hey its Kimmie Cup!

unluckystunt : lol

unluckystunt : did anyone else have a HA/craig related dream last night

unluckystunt : i did but i'll be damned if i can remember it

Hurricos : I did

GräfinZahl : i did

Hurricos : I dreamed that I was watching the Jungle Movie in the theaters

GräfinZahl : i think i dreamt that helga, arnold and i were looking for craig or something

Hurricos : to beat him up for not spilling the beans about JM lol

unluckystunt : haha

GräfinZahl : lol

ioxmo : I did, but I dont remember what happened

Hurricos : But in my dream of the JM movie I remember a part where Helga saved Arnold from getting snpped up by crocs. Crikey!

Hurricos : But he was knocked unconcious in the process -_-;

ioxmo : I had an idea where Helga saves Arnold by distracting the rebels that are chasing him (TJM) but one of them hits her in the back of the head with the butt of his gun and knocks her out.

Hurricos : rebels?

ioxmo : And arnold is forced to watch silently from the bushes as one slings her over his shoulder and leaves for their camp to put her in a cell

Hurricos : like poachers you mean?

ioxmo : no, like militant rebels

ioxmo : or drug lords

ioxmo : whatever... the bad guys

Hurricos : That the goverment sent after the green-eyes?

ioxmo : No, they'd be against the govn

Hurricos : oh

ioxmo : the kids happen to stumble into their territory

Hurricos : Hey I just got a great idea! What if they worked for Scheck?

Hurricos : Or Scheck's second in command?
Hurricos : At this rate we'll the whole plot figured out for JM lol
ioxmo : you know, HA is the only cartoon designed for kids where i've seen guns and blood in
unluckystunt : i can't think of any other kids cartoons that had hitler getting a wedgie
GräfinZahl : in what ep did you see guns?
Hurricos : veterans day
GräfinZahl : ah, forgot about that
Hurricos : not so sure about the blood though
ioxmo : same episode
Hurricos : see ya later I got to eat my brekkers now
 ▸ Hurricos is away.

CarlinJ83 : and he didnt mind
Hurricos : I would've too if I had the chance
CarlinJ83 : and Franny is a graduate from Stanford? did he say?

Hurricos : Cartoon Network

GräfinZahl : *said
CarlinJ83 : oh ok

CarlinJ83 : so cartoon network is nick's rivalry
CarlinJ83 : ?
GräfinZahl : he also said that arnold and helga kiss in tjm and arnold actually kisses her back
CarlinJ83 : really?
GräfinZahl : yes but gerald interrupts them
CarlinJ83 : were all of u talking about a movie or just tellings the plot?
GräfinZahl : craig said that this was supposed to happen in tjm
CarlinJ83 : so he's still making the movie right?
CarlinJ83 : or he's planning on it
GräfinZahl : well, the script has been written 5 years ago
GräfinZahl : but nick still owns the rights to hey arnold! and they're not interested in making the movie

Cool : See how time flies - its already 1pm, I'm still sorting through my inbox! Poeple don't realize I get tons of e-mail that I have to save to file, and this path month a sent and receied ALOT of HA! e-mails
Hurricos : Opps gotta go! Mom wants me to go shopping with her. >_< Blech!
 > Hurricos is away.

Cool : Weather is PERFECT outside right now. I have Monday off as well - thanksgiving long weeked. Perhaps I bike then because all the stores will be closed anyway.
Cool : Still - it could rain tomoroow. And i still have to clean more of my car and type e-mails.One mre our and this will have been a 24 hour chat, as the earist people were here at 2pmEST
Cool : Random humor: <http://youtube.com/watch?v=pJsDfLndlKU>
GräfinZahl : clean more? i thought you already spent 8 hours cleaning your car yesterday?

 > unluckystunt has joined the conversation.
unluckystunt : i really gotta fix this computer
Cool : Well - being in Canada we salt our roads to hell. I'm a car care freak - so I put Vasoline everywhere on the car to protect from rust. The rims of the wheel fenders, bottom of the doors on the outside, and in inside lip of the trunk, and this takes
GräfinZahl : oh, yes, i've seen this one. better don't try that indoors
Cool : at least an hour to put it on, and its very messy. But it protects against everything. My mom did it 14 years with her old Pontaic Sunbird, and when we got rid of that car 14 years later the body was mint and rust free
Cool : In the spring, I spray degreaser everywhere and presure wash it off.
 > Hurricos has left the conversation.

unluckystunt : first snowfall for us is usually around thanksgiving

Cool : we all have no lives outside HA! :)

jarelkortan85 : lol

jarelkortan85 : man I wish I didn't have to work yesterday

GräfinZahl : i read in the wikipedia that every country celebrates thanksgiving in a different month. so when do you celebrate thanksgiving?

unluckystunt : fourth thursday in november

unluckystunt : this year it's the 23rd

jarelkortan85 : yeah what he said

Cool : October for us Canadians, 2nd Monday in.

GräfinZahl : i see

Cool : Hey - I just submitted one pending member, bringing the total member count to 500 people! Not to shabby for being online for four years

jarelkortan85 : dang

unluckystunt : ooh, 500. nice

unluckystunt : does the 1,000th member get a prize

jarelkortan85 : lol

Cool : Will we reach 1000? I'm wonder if I'll ever it 100,000 hits

jarelkortan85 : one of the great mysteries of the universe

Cool : Its crazy how time flies - Kim - you and dons sites are going to be 10 years old next year! That's crazy when you think about an internet website

unluckystunt : it could happen, just host a few more chats

unluckystunt : invite everyone who worked on the show, lol

unluckystunt : that'd add another 100 or so

‣ Hurricos has joined the conversation.

‣ Hurricos is away.

unluckystunt : yeah, 10 years is ancient on the interwebs

jarelkortan85 : yep

GräfinZahl : i got 389 hits on my site so far. but again 20% of the hits were caused by bots

unluckystunt : darn bots

unluckystunt : i'm not sure how many hits mine gets

unluckystunt : my admin panel doesn't say

unluckystunt : my guestbook is full of people advertising hotels

Cool : This site had always had a consistant amount of his over the past four years, and quicly overthrew the amounts of hits from even the most higest hit counters of the most popular HA! sites at the time in 2002/2003. I even beat old dead sites.

GräfinZahl : there are days when either the msn or the google bot cause around 20 hits in 10 hours x_x

jarelkortan85 : dang

Cool : This site will be five years old next year - UNREAL! X_X By then we should have over 50,000 hitsm which means with an average of 10,000/year (which is pretty damn good for a HA! site) I should reach 100,000 by 2017

jarelkortan85 : so this chat has been running since yesterday

unluckystunt : i left at 3am, came back around 11

Cool : Yes it has, almost for 24 hours now from people showing up at 2pm. Lets make a world record for the longest chat!!!

unluckystunt : i'm surprised i didn't sleep until 2pm

unluckystunt : lol

Cool : Maybe I should have a fanart contest for AR celebrating 100,000 hits?

unluckystunt : sure

unluckystunt : brb\

‣ unluckystunt is away.

GräfinZahl : or a fanfic contest

Cool : Could i really gather 1000 members? That would blow my mind

jarelkortan85 : yeah I was thinking about hosting another fan fic awards

Cool : What ever happened JK? I never even knew the others official ended, it sort fell through. Or at least, that's what I thought

jarelkortan85 : well fanfiction.net kept deleting my attempts

jarelkortan85 : I posted the results in the forum and on a site

jarelkortan85 : just a sec and I'll get the URL

jarelkortan85 : <http://www.geocities.com/jayd2k3/2005-fan-awards.html>

jarelkortan85 : there you go

jarelkortan85 : Forum - <http://www.fanfiction.net/fr/887012/5100/181337/1/>

Cool : Will there be a 2006? Perosnally, I have really read any fanfic this year, I'm out of the fanfic loop. Plus, the stories are starting to get boring and repetative

jarelkortan85 : I'll try to organize another one

jarelkortan85 : and I have noticed what your talking about Cool

‣ unluckystunt has returned.

unluckystunt : a fic contest would be good

Cool : Plus the amount of fics being posted this year I'm sure amounts to what used to be submitted monthly when HA! was in its online prime

Cool : Kim, youre so good at art, have you ever tried to type up a fic? You seem to know the characters very well

jarelkortan85 : I still have my old files from the last awards, so it shouldn't be to hard this time around

jarelkortan85 : what story is that

CarlinJ83 : they have a daughter Annie

CarlinJ83 : he works with trouble children

CarlinJ83 : i dont know it's my story

jarelkortan85 : whats it called

Cool : impossible - Mr. Simmions is...well, you know. Along with Wartz and Eugene, haha.

CarlinJ83 : Where Are They Now

jarelkortan85 : hmm, interesting

CarlinJ83 : and in my

CarlinJ83 : story Wartz is dead\

CarlinJ83 : but grandma and grandpa are still alive and kicking

jarelkortan85 : ah

CarlinJ83 : grandma and grandpa live in Sebring, Florida

CarlinJ83 : in a condo

jarelkortan85 : where is it posted

CarlinJ83 : and his aunt Mitzi lives with them

Cool : what happened to Arnold if they are down south?

CarlinJ83 : i know it drives grandpa crazy

CarlinJ83 : um well

CarlinJ83 : Arnold and Helga are married

CarlinJ83 : they live in the suburbs of New York city

CarlinJ83 : i made all of the character live in suburbs

CarlinJ83 : cause i live in a suburb

Cool : Phil and Pookie must be 100 years old by then

jarelkortan85 : write what you know

CarlinJ83 : well i have a 30 yr cousin and my grandparents are still movinh

unluckystunt : brb again

▸ unluckystunt is away.

jarelkortan85 : well phil is 81

CarlinJ83 : so anyway back to the story

CarlinJ83 : um i dont know

CarlinJ83 : um Oskar drives a cab in nyc

jarelkortan85 : it is one episode where phil thought he was dieing due to the family curse

Cool : If Arnold were to marry at 25, that would make them 97 years old

jarelkortan85 : well Bob Hope live to 100

CarlinJ83 : and he still calls everybody up for money

CarlinJ83 : remember Big Fish?

CarlinJ83 : the movie?

jarelkortan85 : and who knows, maybe medical technology got better

jarelkortan85 : oh yeah

jarelkortan85 : I know that movie

CarlinJ83 : well im kinda doing what the son did at the end of the movie

Cool : George Burns alot lived to 100, but by then your health is gone

jarelkortan85 : yeah

CarlinJ83 : so i hope u all dont think my pov is stupid

jarelkortan85 : no

CarlinJ83 : really?

jarelkortan85 : I don't think it is

CarlinJ83 : thank u

CarlinJ83 : it's called Where Are they now

jarelkortan85 : hey does anyone know of my story "Hey Arnold A New Frontier"

CarlinJ83 : no is it on ff.n?

jarelkortan85 : you have it on ff.n right?

CarlinJ83 : no

CarlinJ83 : and like said Oskar keeps calling everyone up for money

jarelkortan85 : I posted Hey Arnold A new Frontier on ff.n

jarelkortan85 : its just been awhile since I updated

CarlinJ83 : and in this one Suzie left him

CarlinJ83 : and he still calls her up for money

jarelkortan85 : not to shocked

CarlinJ83 : even though their not together anymore

CarlinJ83 : well he's call grandpa

CarlinJ83 : Arnold

CarlinJ83 : Ernie and Mr. Hyunh

jarelkortan85 : whats the site its posted at

CarlinJ83 : idont have a site

jarelkortan85 : oh

CarlinJ83 : and well grandpa hangs up on him

CarlinJ83 : Ernie calls him bum

Cool : the chat is so far 132 pages long - plus i just opened an e-mail from someone else who sent me a transcript. i came in about 6:54pm, but that chat (thank goodness Nancy mentioned supper) goes all the way back to 5:30pm.

jarelkortan85 : lol

CarlinJ83 : Mr. Hyunh just yells at him

Cool : So I'm sure its on it way to be a 150 page chat. Even the unedited version I'll post on the site will need to be tweaked to include my part and the part sent to me. Plus the part sent to me was from a computer using non-English text for people coming and

Cool : returning, so i may have to edit those

CarlinJ83 : and Arnold beeing the nice guy he is

CarlinJ83 : sends him money

jarelkortan85 : well I'm gonna go for now, getting hungary and I some things to do

jarelkortan85 : cya guys later, its been fun

CarlinJ83 : bye

CarlinJ83 : hey COOL

‣ jarelkortan85 has left the conversation.

‣ unluckystunt has returned.

Cool : wha?

Cool : Well, its now been a 24 hour long chat. But i think its finally burnt out. Too bad I don't have Craig phone number to call him and re-kickstart this thing. Yet oddly enough Jim's phone number was included in the e-mail he just sent me :)

Cool : Well, its already 2pmEST. I checked the weather network, it will be sunny and 17C. If i hadn't stayed up so late and slept away the morning, I'd bike - but have too much piddly little computer crap to do, plus i have to go to that thing with my car

Cool : If I don't hear from anyone else again, cause it seems the chat has finally ended, it was fun, and we sure have to start doing this more often. Until next time.

Cool : Peace out. :)

‣ You have been marked as being away.

GräfinZahl : see ya

‣ GräfinZahl is away.

The chat finally burnt itself out at around 2pmEST, after that there was no activity for at least an hour. But, I STILL left myself logged in, and a couple hours later people were chatting again! I guess you could call this the extended bonus portion of the chat, which by now was 24 hours long.

Hurricos : Really? Do tell.

CarlinJ83 : i dont know should it be the peoples court or judge judy?

Hurricos : Judge Judy is funnier I think

CarlinJ83 : oh ok

CarlinJ83 : who should be the plaintiff?

CarlinJ83 : and who should be the defendent?

Hurricos : Helga should be defendant and Arnold plaintiff for something stupid like: "She stole my heart!" - Arnold. Exactly

Hurricos : lol

CarlinJ83 : no i mean big bob and grandpa

CarlinJ83 : i meant

Hurricos : oh

CarlinJ83 : yeah

Hurricos : well that's a whole nother story the >:3

Hurricos : *then

CarlinJ83 : yeah

Hurricos : Bob plaintiff: acusses Grandpa for wrecking the circuitry on his car or something because he happened to see him near it

CarlinJ83 : i thought so
Hurricos : "The raccoons did it!" claims Grandpa
Hurricos : lol
CarlinJ83 : no
CarlinJ83 : judge goes
CarlinJ83 : Robert Pataki
CarlinJ83 : vs. Phil
CarlinJ83 : hmm the last name is smudge
Hurricos : Dun dun-dun. Dun dududundu dudundun
CarlinJ83 : witnesses Helga and Arnold
CarlinJ83 : who liked to go first?
Hurricos : "Grandpa didn't do it!" claims Arnold "Is that all?" asks the Judge "um, yeah that's about it?" He says nervously "Next witness!" bangs hammer. "Heheh, stupid Football Head!" Helga says
CarlinJ83 : hey there is no name calling of the other party
CarlinJ83 : Mrs. Pataki
Hurricos : "Sorry, Judge!" Shouts Helga , Arnold snickers
CarlinJ83 : so go ahead mrs. pataki
Hurricos : "Hey! Do I look like I'm married?! Crimeny! I saw Grandpa over there, by the car looking under it - nuff said." crosses arms over chest
CarlinJ83 : both parties sueing each other for damage property
CarlinJ83 : and dont take that attitude with me missy
Hurricos : *puts on a false smile* "Excuse me for using my first admenmant, Judge Lady."
CarlinJ83 : um can u help me with the judge thing?
Hurricos : Sure thing
CarlinJ83 : thanks
CarlinJ83 : so mr. pataki just tell me your side
CarlinJ83 : of the story
CarlinJ83 : i hope im not messing this up!
Hurricos : "I saw the old geezer hanging around my car suspiciously, and when I shouted out 'Hey what do you think you're doing?!' he jumped like he was caught with his hands in the cookie jar or something!"
CarlinJ83 : i see
CarlinJ83 : is that true Mr?
Hurricos : Crimeny, then the next thing I knew I was starting up my car and the brakes wouldn't work and I crashed into a streetpole!" Snarl's Bob
CarlinJ83 : is that true Mr. Last name smudged
CarlinJ83 : ?
Hurricos : "I tell ya it ain't true your honor! A raccoon grabbed my favorite button and dived under his car. I tried to get it back but the little vermin jumped under the mud flaps as soon as Bob came!" Grandpa states
CarlinJ83 : tell me what exactly why you were fixing your car in the street and you
CarlinJ83 : help me out her please
Hurricos : Um let see: "I was just walking down the street from the cleaners your honor, when it all happened!" "I see." said the judge. The jury was whispering to each other before replying "We like to request an hour recess your honor!"
CarlinJ83 : there's no jury on Judge Judy is there?
Hurricos : "Very well then, this meeting will start again exactly one hour later. Dismissed!" she bangs the gavel "Oh and may I remind you all that since I am the judge, I get cutsies at the snack line!" bangs hammer again as people sweatdrop.
Hurricos : I'm not sure if there is a jury there or not but lets pretend there is for now ^_^;

CarlinJ83 : *cause im watchin bridezilla*

Lord_Malachite : Time flies when you're having fun.

CarlinJ83 : *my cousin bridezilla cause to her we were all messing everything up*

Hurricos : I bet Cool is only coming back to make sure you don't talk aboy him Malachite, lol

Hurricos : *about

Cool : ha-ha-ha, that was funny

Lord_Malachite : I talk about Stephen all the time!

Lord_Malachite : It's just good stuff.

Lord_Malachite : Mostly I was praising him for organizing the chat.

Lord_Malachite : Although it was a bit chaotic, but that really couldn't be helped with like 36 people involved.

Hurricos : Got that right

Cool : did you guys know Jim was trying to get in but never could with his MAC? I just sent him a reply to a mail he sent, told him the chat is still going now!

Hurricos : It was funny when everyone was talking about why Helga fainted from seeing Arnold undress in "Helga's Parrot". As a matter of fact, I'm still gigling about it, lol!

Hurricos : I knew Cool!

Cool : What was said? I'm too lazy to scroll through 133 PAGES OF CHAT TEXT!

CarlinJ83 : *i have to say he must've had a nice but!!*

Cool : And that's not even from the beggining! Someone mailed me a transcript of the chat from 5:30pmEST and onward, and i joined in at 6:45pm

Hurricos : Or "A little weiner and some tiny nuts" <- to quote from the Master of Disguise

CarlinJ83 : *oh my god*

Hurricos : LOL!

CarlinJ83 : *and if i were in the show i would gone*

Cool : No way, he said shit like that! How could Helga at nine be interest in something like that! That's dirty! X_X

CarlinJ83 : *hey arnold nice buns!*

CarlinJ83 : *and i get all hystarical*

Lord_Malachite : Wow, poor Jim. Too bad he couldn't make it.

Cool : But she saw something alright when that zipper went down...

Cool : Hey Arnold! - boxers or breifs!?

Hurricos : Or as Kim a.k.a Unluckystunt says "Hey there Shortdick!" LOL xD

CarlinJ83 : *and arnold would be looking at me*

Hurricos : No. He'd be looking at me!

Cool : HAHA - shortdick!!!

CarlinJ83 : *like i was crazy*

CarlinJ83 : *him and gerald*

CarlinJ83 : *in the confession when Helga talking about the stalking, the books and shrine*

CarlinJ83 : *and i went*

Hurricos : Arnold wears smiley face briefs xD!

CarlinJ83 : **that was you!**

Hurricos : (al-a Runt from Animaniacs) Yup definitely briefs!

Lord_Malachite : The chat is now about Arnold's underwear?

CarlinJ83 : **i guess**

Cool : Someone should draw a fanart of Arnold in happy face boxers!

CarlinJ83 : **and when Arnold went into helga's room**

CarlinJ83 : **i go**

Hurricos : Somehow I always start things like this xD!

CarlinJ83 : **arnold whatever u do**

CarlinJ83 : **do not go in the closet**

CarlinJ83 : **i stuck around until Craig left**

Hurricos : Have fun with that Manolo >:3

Lord_Malachite : Stephen, what did I miss last night from the beginning?

CarlinJ83 : **i hope we have another chat with him soon**

CarlinJ83 : **or better with Franny**

‣ GräfinZahl has left the conversation.

Cool : I have everyone!

CarlinJ83 : **ok i just wanted make sure**

CarlinJ83 : **and it's cool that he keeps in contact with the cast**

Hurricos : I have to stop laughing so much now 'cause the parents are asking questions and getting suspicious *shifty eyes*

CarlinJ83 : **what?**

Hurricos : I'm laughing so much about the 'Arnold undressing' thing that the parents are starting to ask questions

CarlinJ83 : **oh well**

CarlinJ83 : **and im wondering**

CarlinJ83 : **after the lizard and bird incident**

CarlinJ83 : **i wonder if Arnold went home and noticed anything about the kitchen**

Hurricos : I think monitor lizards are cool. And Arnold would probably think the boarders did something stupid again

CarlinJ83 : **oh ok**

CarlinJ83 : **i mean sitting down to breakfast and having**

CarlinJ83 : **Helga drop outta the sky like that**

CarlinJ83 : **and landing on ur kitchen table**

Lord_Malachite : They seemed to take it rather casually.

Hurricos : I don't think G-Pa and G-Ma would tell if Helga was there since this probably happened before or something similar to that. After all G-Ma was like Helga when she was little

CarlinJ83 : **but still that whole falling stuff was hilarious**

Hurricos : Yes it was. ^_^

CarlinJ83 : **or what about the flood where mr. simmons is hanging from and my character Carver goes what an idiot**

Hurricos : (a-la Don King) Only in Arnold's world!
CarlinJ83 : *and imagine ur principle doin the flamingo*
Hurricos : Who's Carver?
Hurricos : Can't. Impossible to imagine.
CarlinJ83 : *oh she's my character*
Hurricos : oooohh
CarlinJ83 : *or the sleepwalking ep*
Cool : I'd really hate to log out and miss anymore convo, but I have to check my other hotmail account. I don't know if I could still chat if I don't refresh the window and log into another account. But I really have to get going on my e-mails.
CarlinJ83 : *and when Helga told Phoebe*
CarlinJ83 : *and phoebe asked where have u been goin everynight*
Hurricos : Just open up another page and do it Cool.
CarlinJ83 : *im like Phoebe take a wild guess*
Cool : OK- if you see me leave it didn't work!

Hurricos :
Lord_Malachite : I think it worked.
Cool : I didn't try yet, I went to get a drink
CarlinJ83 : *or i remember wher Miriam is knocking on helga bedroom door*
